EDWIN TURLINGTON HOWARD Grand Master 1953-'54

## EDWIN TURLINGTON HOWARD

Twenty-four years ago there came to High Point a young man of engaging personality, full of energy and with courage and conviction. In choosing a career for himself, he was well qualified as a teacher in the public schools, and had made ample preparation from an educational standpoint. Before coming here he had already received experience in the classroom as a teacher. He was a Master Mason but not too active. Like so many of us, he had received the degrees but had not absorbed their teaching. His background as to birth, educational achievement and actual experience, was ample for a man of his years, and yet there seemed to be something lacking. He attended Numa F. Reid Lodge No. 344, and finally determined that the one thing he lacked could be had through the practice of the principles of Masonry. From that day, twenty-four years ago, until now, Brother Howard has moved steadily toward the Light in Masonry. His has been a rich experience. As he sought to determine the "measure of his days that he might apply his heart to wisdom," he grew in stature and in strength. He received wisdom, based on experience, and today his is wisdom beyond his years—wisdom acquired in actual experience, rubbing shoulders with the small, the near-great and the great—a brotherly sympathy which has endowed him with the nobility of tolerance—tolerance of the viewpoint of others. In the acquiring of wisdom, and as his feet trod round after round the ladder that leads to fame in our mystic circle, he has not lost the common touch. This association has prepared him for the time when he would be called upon to make great decisions—decisions affecting the Craft in North Carolina. With courage and conviction he has already done this, and we who know him best believe that he will continue to do this to the glory of God and to the best interests of Masonry.

With these introductory remarks, what is the biographical record of Edwin Turlington Howard? Our Grand Master was born in Salemburg, Sampson County, North Carolina, February 26, 1899, the son of Alexander Franklin Howard and Lillie Turlington Howard. He attended the public schools of Salemburg and after graduation from High School there, he entered North Carolina State College at Raleigh where he graduated with the degree of B. S. in Business Administration. After graduation from State College, he attended the University of Pennsylvania and the Graduate School at the University of Wisconsin. After he finished his education, he taught in the City Schools of Raleigh, Roanoke Rapids and High Point, North Carolina. In 1933 he resigned his position as head of the Department of Industrial Education in the High Point Schools and organized the Howard Auto Finance Company, High Point, North Carolina, and is the President and Treasurer of that Company.

On August 9, 1927, he was married to the vivacious Miss Pauline Sanders of Tarboro, North Carolina. There is only one child, Miss Patricia S. Howard, now a student at Stuart Hall, Staunton, Virginia. It is fitting to say that the home life of Brother Howard is most charming and in harmony with the high principles of Christian living. Mrs. Howard has proven an understanding wife, and we trust that she will continue to enjoy some of the official experiences of her distinguished husband, our Grand Master.

Among the many social and professional connections of our Grand Master are these: While at North Carolina State College he was one of the founders of the Sigma Tau Beta Fraternity and served as its

first President. In religion, he is a member of the Wesley Memorial Methodist Church of High Point, North Carolina. He is also a member of the Emerywood Country Club, the High Point Chamber of Commerce, the local Merchants Association, the State Merchants Association and the B. P. O. of Elks.

In Freemasonry our Grand Master has served with fervency and zeal, devoting all of his free time to Masonry. The records show that he became a Master Mason on November 22, 1928, in Widow's Son Lodge No. 519, A. F. & A. M., Roanoke Rapids, North Carolina. On January 25, 1930, he demitted to Numa F. Reid Lodge No. 344 in High Point, and was immediately appointed Senior Deacon of that Lodge for the year of 1931. From this office he has served through the chairs and was elected Master of his Lodge for the year 1934, which office he held with distinction. In 1938 he was appointed District Deputy Grand Master of the 23rd Masonic District by the late Grand Master, Harry T. Paterson. He served in this capacity with distinction until 1943. He has served as a member of the Committee on Finance of the Grand Lodge of North Carolina since 1941. He also served for sometime on the Committee on Appeals of the Grand Lodge.

Our Grand Master is a member of the High Point Chapter No. 70, Royal Arch Masons, and a member of the High Point Commandery No. 24, Knights Templar. He is a member of the Allied Masonic Degrees of the United States. He organized and served as the first President of the Past Masters' Club of the 22nd Masonic District. He was recently elected a member of the Red Cross of Constantine and was installed in Washington, D. C., on February 22, 1953.

Masonry, being both food and drink to our Grand Master, has carried him to the far reaches of our state and beyond. In his travels he has visited all of the districts in this state and most of the lodges, and has endeared himself to Masons everywhere, especially to those in North Carolina. Today, out of appreciation for his untiring efforts, he is an Honorary Member of several Blue Lodges in North Carolina. He is a Shriner and member of Oasis Temple, A.A.O.N.M.S.

In 1945 he was appointed Grand Steward of the Grand Lodge of North Carolina by the late Grand Master, Clyde Jarrett. Each year thereafter he was advanced in the line of Grand Lodge Officers. In 1950 he was elected Junior Grand Warden; in 1951, Senior Grand Warden; in 1952, Deputy Grand Master, and in 1953, the Masons of North Carolina elected him to the highest office it was in their power to give—that of Grand Master of Masons in North Carolina.

It is no small undertaking to recount the Masonic activities and untiring efforts of this distinguished Mason. When the record of Masonry is finally written, we believe that the name of Edwin Turlington Howard will have been recorded in a large way in the proceedings of the Grand Lodge. His many fine qualities of integrity, unselfishness, fearlessness and service to others, exemplify the really useful Masonic servant. We commend him to Masons everywhere with the firm conviction that when the record of his life is finally written that he will hear from the Judge Supreme the welcome words, "Well done good and faithful servant. Enter thou into the joy of our Lord."

ARNOLD J. KOONCE, SR., D.D.G.M., Twenty-second Masonic District.

### REPORT OF THE GRAND MASTER

(Docket No. 1)

M.'.W.'.Brother William H. White, Grand Master of Masons in North Carolina, delivered the following report, which was referred to the Board of General Purposes (See Pages 90 and 91 of these Proceedings for the distribution of the report):

MY BRETHREN: For many weeks I have been looking forward to this glad hour when I might extend to you a warm and hospitable greeting.

I hope that you will be repaid for attending this the 166th Annual Communication of The Grand Lodge of North Carolina by reaping inspiration from the various sessions to occur, by having higher ideals created, and nobler thoughts stimulated within you; and when the communication is over and the time comes for your departure, may you leave reluctantly, feeling that it was good for you to have been here.

It is my wish that all your time may not be taken up with serious considerations, but that a portion of it be left for recreation; that the pleasure of meeting and mingling with you may be afforded many brethren, who have so generously co-operated with us in a spirit of faithful service.

Take back to your home lodges, our greetings and good wishes. Take back to your officers and members messages that will renew their faith and enable them to attain higher standards.

In the name of the Grand Lodge of Ancient, Free and Accepted Masons of North Carolina, I bid you a most hearty and sincere welcome.

When you elevated me to the responsible position of Grand Master one year and four days ago, I accepted the high honor you so confidently bestowed upon me, not for the honor alone, but as an opportunity to be of service to the Fraternity, and with the full determination to perform the duties of this office to the very best of my ability. I fully realized that, alone, I could not be the leader you have a right to expect of your Grand Master. But when I recalled the answer to the first question I was asked by the Master when I came into my lodge. I had no fear, because "I believe in all thy ways acknowledge Him, and He will direct thy path." I asked for the Divine Guidance of the Supreme Grand Master of the Universe and with His help, and with the love, sympathy and co-operation of you, my brethren. I have tried humbly to follow in the footsteps of those great leaders who have so nobly led us to greater heights in the past.

Now that my term as Grand Master has ended and I come back to report to you, I hope my record will be acceptable and that we will have been drawn closer together than ever before.

### FRATERNAL DEAD

It is eminently fitting that, at the outset of our deliberations, we pause to pay honor to our friends and brothers, who have passed to the Great Beyond. By His tolerance the official family of our Grand Lodge has remained intact; but, in our own and in other Grand Jurisdictions, many of our brethren have answered the last summons of our Supreme Grand Master, laid aside their working tools, and have gone on to that Celestial Lodge above where our Supreme Grand Master presides. We shall miss them from our ranks, but shall cherish their memory, and the recollection of their good deeds will be to us an ever present inspiration for higher thoughts, nobler deeds and greater achievements. Let

us stand for a moment in silence in honor of their memory.

## REGIONAL CONFERENCES FOR DISTRICT DEPUTY GRAND MASTERS

May 19, 20, 21, and 22, Regional Conferences were held at Wilson, Fayetteville, Salisbury and Asheville, with the District Deputies in those areas. At these conferences we had almost a perfect attendance of Deputies. Past Grand Masters and other officers also attended three of the meetings. These meetings were mapped and planned by the Grand Secretary, who traveled with me and assisted in the programs. At each meeting the Deputies were instructed, first in my program for the year, then in the duties connected with their office, and the importance of discharging those duties in a fair but firm manner without delay.

### DISTRICT MEETINGS

The Grand Secretary and District Deputies did a splendid job in arranging our District Meetings, which ran through the summer and early fall. I should like to here record my appreciation to the Grand Secretary and each Deputy for their wholehearted co-operation and support; to the brethren throughout our Grand Jurisdiction for their prayers for Eloise, who had a very serious operation a few days before my first District Meeting; their prayers for me and their co-operation in carrying out my program.

The only way a Grand Master can contact the brethren, throughout a jurisdiction as large as ours, is through the medium of District Meetings. Forty-three such meetings were held during the first six months of my term, one in every district, and even though I was working under a terrific strain, I attended every meeting.

In the afternoon at these meetings we had a conference with the officers of the lodges, at which time I discussed my program and made particular reference to the duties of the Master. The Grand Secretary discussed the problems confronting the Secretaries. The discussions, in many instances, the questions and answers, caused us to run over time.

The evening sessions as a whole were well attended by representatives, not only from the district holding the meeting, but usually a number from other districts. These sessions were given over to any business that might come before the meeting and the Grand Master's address.

North Carolina is a big State, and to hold forty-three District Meetings requires much time and travel. At times one gets tired and worn, but through these meetings we find a fine spirit of fellowship and brotherly love that would not otherwise be experienced, and a satisfaction that only a Past Grand Master could best understand.

### DISTRICT DEPUTY GRAND MASTERS

Much of the progress that has been made in so many of our lodges during the past year can, and should, properly be attributed to the tireless efforts of the District Deputy Grand Masters. Almost without exception, these great leaders in Masonry have willingly and cheerfully rendered every service I requested, and particularly in some districts this required a lot of work. They have been most co-operative and rendered a real service to the Craft, a service that will pay dividends in the years to come. I feel that I have been most fortunate to have such a loyal and efficient group as my personal representatives in their respective districts, and should like to record my appreciation for their faithful service.

### HONORARY TITLE OF PAST DISTRICT DEPUTY GRAND MASTER

I recommend that the Grand Lodge grant the honorary title of *Past District Deputy Grand Master* to the following Brethren, each of whom is qualified therefor in accordance with the provisions of Regulation 12-05 of THE CODE:

# THE BOARD OF CUSTODIANS AND THE LECTURE SERVICE

This Grand Lodge is most fortunate in the caliber of the men composing our Board of Custodians, as well as in the intense interest and the practical knowledge which each of the members of this Board displays in our ritualistic work.

These Brethren are zealous in their efforts to see that our ritualistic work is preserved in its purity, and that it is taught and practiced only as authorized by this Grand Lodge, permitting no changes except those infrequent changes made and approved by this Grand Lodge. They hold official meetings several times yearly, for the purpose of discussing, planning, and carrying on the important work assigned to them, and their valuable time is unselfishly given for several days both immediately before, and during, the Annual Communications of this Grand Lodge, in connection with the program of Proficiency Examinations for Certified Lecturers and Certified Instructors, and in connection with the exemplification of the three Degrees, Entered Apprentice, Fellow Craft, and Master Mason.

The extensive duties of the Board of Custodians include those in connection with the ritualistic work, Bahnson's Manual, the Official Standard of the Work, the Vocabulary, the Lecture Service, the Certified Lecturer and Certified Instructor system, Schools of Instruction, and Masonic education. The Board's work in connection with Masonic education includes the preparation and publication of *The Lodge System of Masonic Education*.

Surely, my Brethren, this is a most important service of labor and love, and I here express my own personal gratitude for the outstanding service rendered by these Brethren, and I am confident that you desire me to include you in that expression. The ritualistic proficiency of our lodges has, I believe, never been higher, and that accomplishment is due largely to the splendid work of our Board of Custodians.

### SCHOOLS OF INSTRUCTION

The report to me from our Grand Lecturer, W. Brother Arnold W. Kincaid, shows that a total of 75 Schools of Instruction were held between April 1,

1952, and March 31, 1953, a new high record. I have reports from District Deputy Grand Lecturers and District Deputy Grand Masters that a number of Schools will be held in April.

The Schools of Instruction in the Ritualistic Work, conducted under the supervision of the Board of Custodians and the Grand Lecturer, and with the cooperation of our District Deputy Grand Masters, District Deputy Grand Lecturers, Certified Lecturers, and the officers and members of our subordinate lodges, have proved to be invaluable in our efforts to raise the standard of ritualistic proficiency of our lodges, and I here record my thanks to those who have had a part in carrying on this important work. I recommend that this program of Schools of Instruction be continued and enlarged to the extent that such schools are held in each and every Masonic district during the year ahead, and that the number of regional and lodge Schools of Instruction be increased as much as possible.

One of the principal powers and duties of a Masonic lodge is to confer the three degrees of Symbolic Masonry intelligently and in conformity with the Authorized Work of the Grand Lodge, and to encourage its members to improve their knowledge thereof, and I know of no better way of accomplishing this than through our Lecture Service and our system of district, regional, and lodge Schools of Instruction.

### THE LODGE SYSTEM OF MASONIC EDUCATION

It is our duty to accept, out of those men who petition for the degrees in Masonry, only those who are good men and true, have faith in God, and who are qualified otherwise in accordance with our law. Once they are accepted, it is our duty to confer the three degrees of Symbolic Masonry on them *intelligently*, and in conformity with the Authorized Work of the Grand Lodge, but our duty does not end with the conferring of the Sublime Degree of Master Mason. A Master Mason is not made by merely having had a series of degrees conferred on him. A man must live and practice Masonry, in order to be a real Master Mason, and that cannot be accomplished in a matter of a few hours or a few days; however, we do have a planned program which, if properly used, will go far towards making real Master

Masons out of our petitioners instead of making just ordinary members out of them. Such has been the actual experience of lodges which have intelligently and consistently used it. That program is The Lodge System of Masonic Education, first approved by this Grand Lodge in 1936; revised and approved as revised in 1949; and again revised and approved as revised in 1952.

Failure to prepare the candidate properly for his new duties and privileges is failure on the part of the Craft to discharge its just obligations. This failure is a weakness in the fundamental system of initiation which incurs the danger of weakening the whole structure by attempting to build enduring walls with rough ashlars and untempered mortar. It is necessary that new brethren become imbued with the spirit of Freemasonry and believe in-as well as understand-its purposes and ideals. The Lodge System of Masonic Education will go far toward accomplishing this purpose, and I recommend that each and every one of our lodges adopt and use intelligently and consistently, this system as its Lodge System of Masonic Education or Instruction. Five copies of this booklet were mailed to the Master of each of our lodges on March 4, 1953, accompanied by the Grand Master's letter urging the adoption and use of the system of instruction and information contained in that booklet. (SEE the Appendix to these Proceedings, for a facsimile of the Grand Master's letter dated March 4. 1953, on this subject.)

### GRAND SECRETARY McIVER

In the past our Grand Masters have spoken of their association with the Grand Secretary during their term of office. It has been my happy privilege to know him since he was a teen-ager. I signed his petition to bring him into the membership of my lodge, I conferred the degrees as he progressed and worked with him in my lodge, until he assumed the duties of Assistant Grand Secretary. He was tireless in his efforts, and knew no hours, as Master of my lodge, then as Secretary and as District Deputy Grand Master of the Thirteenth Masonic District. We have missed him in our lodge, and our community. It has been a source of pleasure and satisfaction to me to be able to be with him more during the past year, to have his friendly advice, and counsel, to

have him arrange and help conduct our District Meetings, and to do for me so many of those things he has done for the other Grand Masters, who have served since he was elected Grand Secretary.

His work is heavy and his hours in his office too long. The Masters and Secretaries of our 335 lodges could lighten his work considerably, if they would study and follow the Code more closely, and be more careful in completing and handling petitions.

I here record my sincere thanks and appreciation for his courtesy, kindness, and wholehearted co-operation, not only during my administration as your Grand Master, but through the years.

### WAIVER OF PHYSICAL DISABILITY

We have continued the procedure set up last year, in connection with the handling of petitions for the degrees involving physical disabilities, by requiring a written report signed by the Master of the Lodge and each member of the Committee of Investigation, certifying as to the ability of the petitioner to conform fully and in all respects with Regulation 74-01 (10,11), and as to whether or not he was in any way disqualified by any subdivision of Regulation 74-04.

To date, I have received 204 requests for Waiver of Physical Disability. Of this number, the report of the Master and the Committee of Investigation enabled me to grant a waiver for 169 cases, but it was necessary to deny a waiver in connection with 15 cases. There were 2 petitions withdrawn, and 18 cases remain in my files awaiting the report of the Master and the Committee of Investigation.

In his report last year, M. W. Brother Foy called the attention of the Craft to the increasing number of requests for waiver of physical disability, and the possibility of some of these, in the future, becoming a burden on the Craft. In a number of cases, during the past year, I have written a letter to the Master requesting some particular information in the report, and calling his attention to the fact that if a petitioner was elected to membership in his lodge, he was their responsibility. I am deeply concerned about the matter and

urge you to be more careful in accepting petitions, and if they are presented, to see that a thorough investigation is made.

I am recommending to my successor a slight change in the handling of form GM-1, which should give our lodges a little faster service.

### MASONIC TRIALS

The Trial Code adopted by this Grand Lodge in 1948 provides the procedure for handling cases involving un-Masonic conduct by a brother or a lodge. While that procedure may not be ideal. I believe it to be far better than that which prevailed when such cases were tried by our lodges. Due to circumstances, some of which seemed unavoidable, there has been delay in handling some cases in the past; however, practically all of the cases on the Trial Docket have now been tried, and the others are in the process of being handled by Trial Commissions. I feel confident that the handling and disposition of complaints will be more expeditious in the future. The Judge Advocate will report to you on the status of cases which have been referred to him, and the Committee on Appeals will report to you on the cases which have been referred to them.

The primary purpose of Masonic discipline is to preserve the good repute and integrity of the Masonic institution by the prosecution and punishment of a lodge whose acts of omissions tend to injure the Craft as a whole, or which have inflicted injury upon a brother Mason or any other person. We need to be reminded at times, that it is not intended for the determination and settlement of private disputes whether religious, political, or secular; or of differences growing out of business transactions, unless such differences result from wilful action or omission by the accused by means of, or amounting to, fraud or misrepresentation, or amounting to larceny, as defined by the law of the state in which the transactions took place.

Before filing a complaint, the lodge or the brother complaining should thoroughly study Chapter 99 of the Trial Code ("Instituting a Masonic Trial"), and particularly Regulation 99-07 thereof. The proper wording of a complaint will expedite the handling of a case by the

Grand Secretary, the Judge Advocate, and the Trial Commission.

Many brethren have rendered valuable service as Trial Commissioners, and we are most grateful to them for the time and the service so freely given in this important matter.

# GEORGE WASHINGTON MASONIC NATIONAL MEMORIAL ASSOCIATION

# CONFERENCE OF GRAND MASTERS IN NORTH AMERICA THE MASONIC SERVICE ASSOCIATION

North Carolina was well represented at the Annual Meetings of these organizations in Washington, D. C., on February 23-26, 1953. In addition to your Grand Master, we also had in attendance R.'W.'Brother Edwin T. Howard, Deputy Grand Master; M.'W.'Brother Thomas J. Harkins, P.G.M., Soverign Grand Commander, Representative to the Masonic Service Association, and Representative to the George Washington Masonic National Memorial Association; M.'W.'Brother Charles P. Eldridge, P.G.M., a member of the Board of Directors of the George Washington Masonic National Memorial Association; M.'W.'Brother Hubert M. Poteat, P.G.M., a member of the Executive Commission of the Masonic Service Association of the United States; M.'W.'Brother Charles B. Newcomb, P.G.M., P.G.S.; M.'W.'Brother Wallace E. Caldwell, P.G.M.; and W.'Brother Harvey W. Smith, Past D.D.G.M.

On Monday, February 23, along with M. W. Brother Thomas J. Harkins, P.G.M., Representative to the George Washington Masonic National Memorial Association; M. W. Brother Charles P. Eldridge, P.G.M., a member of the Board of Directors, and other members of our North Carolina group, I attended the meeting of the Association, held in the Memorial at Alexandria.

It is always a source of inspiration to attend the meetings in this magnificent Memorial, which was built on a pay-as-you-go basis. I am sure we can and should be justly proud of the part The Grand Lodge of North Carolina has had in building this great memorial. We have contributed \$87,755.60 through 1952, and I am sure that we will want to continue our appropriation.

A more complete report will be made by our Representative, M. W. Brother Thomas J. Harkins, P.G.M.

The Grand Masters' Conference was held on February 24-25.

Matters discussed at the Conference of Grand Masters were in part as follows:

FREEMASONRY, THE BASTION OF AMERICAN DEMOCRACY

L. C. CORBAN, Grand Master of Mississippi

FREEMASONRY IN ARGENTINA

DOMINGO R. SANFELIU, Grand Master of Argentina

CONNECTIVES—IN FREEMASONRY

BENJAMIN W. ELA, Grand Master of Maine

FREEMASONRY IN COSTA RICA

JAIME GRANADOS, Grand Master of Costa Rica

PHILOSOPHY OF THE FIRST DEGREE

HARRY E. HOWARD, Grand Master of Alberta

REPORT OF THE COMMISSION ON INFORMATION FOR RECOGNITION

WILLIAM E. YEAGER, P.G.M., Pennsylvania, Chairman

The meeting this year was one of the best in the history of the Conference. This Conference affords the Grand Masters an opportunity to meet and mingle with distinguished Masons from all parts of the United States, and many foreign Grand Jurisdictions. It gives them an opportunity to exchange ideas with other Grand Masters, and better prepare themselves for their official duties in their own Grand Jurisdiction.

I attended the meeting of the Masonic Service Association on February 26, and was impressed with the manner in which M. W. Brother Hubert M. Poteat, P.G.M., a member of the Executive Commission, presented the report.

We are all familiar with the many fine things this Association has done in the field of Masonic Education, the Short Talk Bulletin, which is sent to all our lodges, being probably the best known help among our membership. But after one attends their Annual Meeting, it is easy to see how difficult it would be, for one not familiar with the broad scope of their activities, to properly evaluate just what the Association is really doing and has done for the Craft.

The Association is, in its true sense, a MASONIC SERVICE, and in addition to the splendid work it has done in the educational field, it has collected and spent millions of dollars for relief in cases of disaster, and through a visitation program conducted for our men in our Armed Forces and in Veterans' Hospitals. Some of this fine work is being done in our own Grand Jurisdiction. In February, 1953, your Grand Lodge contributed \$500.00 through the Association to aid in the Holland disaster.

A report will be made by our Representative, M.'.W.'.Brother Thomas J. Harkins, P.G.M. I recommend that we continue our membership in the Association, and that we also continue our support of the Association's program of Hospital Visitation.

### GEORGE WASHINGTON BICENTENNIAL CELEBRATION

Never before in the history of Masonry in the United States have the members of our great Fraternity had an opportunity to celebrate an event which had an appeal so universal as the George Washington Bicentennial.

I discussed the matter of a program to appropriately celebrate the 200th Anniversary of the initiation of this great American, with our Board of General Purposes, and with our Board of Custodians. They were unanimous in their decision that we should purchase sufficient copies of the portfolio prepared by M.'.W.'.Brother Carl H. Claudy, P.G.M., on the subject, to send to the Master of each of our lodges, and request them to have a program between October 15 and November 15, celebrating the event.

This program was discussed at all District meetings, and the District Deputies were asked to co-operate.

I am happy to say that, judging from the reports received, practically all of our lodges used the material as requested, and many praised the program most highly.

On November 4, 1952, the Grand Secretary, R.:W.: Brother Wilbur L. McIver; W.:Brother William B. Burroughs, and I attended the celebration of the 200th Anniversary of the initiation of George Washington into the mysteries of Masonry at Fredericksburg.

Fredericksburg Lodge No. 4, in which lodge George Washington was initiated, and Alexandria-Washington Lodge No. 22, over which he presided, held a joint Com-

munication in the morning and conferred the Entered Apprentice Degree in Colonial costume. This was both a colorful and a most inspiring ceremony. The Bible upon which Washington took the obligation when he was initiated, and the Bible upon which he took the oath when he was inaugurated the first President of the United States, were upon the Altar.

In the afternoon the Grand Lodge of Virginia was called in Emergent Communication. The Orator for this occasion was none other than our own M. W. Brother Luther T. Hartsell, Jr., Past Grand Master of Masons in North Carolina, who in his inimitable way delivered an eloquent address on the life of George Washington.

Following the Emergent Communication of the Grand Lodge, an inspiring worship service was held at the Fredericksburg Presbyterian Church, where a fine sermon was delivered by M. W. Brother Thomas W. Hooper, Past Grand Master of Masons in Virginia.

#### PAST GRAND MASTERS

Your Grand Master for this year has been keenly sensitive of those personal limitations which were realized long before you saw fit to select him as your leader for the past twelve months. In his words of acceptance just before the close of the One Hundred Sixty-fifth Annual Communication of the Grand Lodge. he felt himself leaning heavily on some of his predecessors. The support which they have given to this year's administration has been a source of constant encouragement. These men are ready at all times to give of their rich experience and knowledge of Masonry. Much of that within our great Fraternity which is the heritage of past years has come to us through days of ceaseless toil, sustained interest and abiding loyalty of these great leaders. Since I do not yet belong to that growing number of "has beens," may I say in all sincerity that the day should never come when we fail to appreciate their great value to this Grand Lodge.

To each of our Past Grand Masters, and our Grand Secretary, I can say with deep conviction that you have done much this year to lighten the burdens of your Grand Master. One should not approach the arduous duties involved in this office without expecting to find in the normal course of things some of the bitter, which

goes with every worth-while task. At times the problems have seemed almost insolvable, and the over-all demands impossible to meet.

At the close of certain days, I could easily have joined with John Barnes Wells and exclaimed with slight variations:

"I wish I was a little rock
A setting on a hill,
A doin' nothing all day long
But jest a settin' still.
I wouldn't sleep,
I wouldn't eat—
I wouldn't even wash—
I'd set and set a million years,
And rest myself, b'gosh."

And then with the dawning of a new day, though its problems might be none the less, would come the renewed realization that I always had received encouragement and help when needed.

It was then the words of James Whitcomb Riley would give new inspiration, hope and determination:

"Oh, the world's a curious compound, With its honey and its gall, With its cares and bitter crosses, But a good world after all. An' a good God must have made it Least way's, that is what I say When a hand is on my shoulder In a friendly sort o' way."

While it is difficult to choose from this distinguished group for special recognition, I cannot refrain from expressing my sincere thanks to a few of these Brethren, who have gone the second mile in assisting me by special assignments.

# M. W. BROTHER LUTHER THOMPSON HARTSELL, JR., PAST GRAND MASTER

M. W. Brother Luther Thompson Hartsell, Jr., Past Grand Master, has answered my call on every occasion, and his able assistance and counsel in connection with several difficult matters have enabled us to dispose of those matters in a manner which I believe will be ap-

proved by those who are interested in the welfare of the Fraternity. M. W. Brother Hartsell has also rendered distinguished service to this Grand Lodge, over a long period of years, as Chairman of the Committee on Appeals, as a member of the Committee on Masonic Jurisprudence, as a member of the Board of Directors of the Oxford Orphanage, as a member of the Board of Directors of The North Carolina Masonic Foundation, Incorporated, and in many other important capacities.

# M∴W∴BROTHER WATSON NEWBERRY SHERROD PAST GRAND MASTER

M. . W. . Brother Watson Newberry Sherrod, Past Grand Master, has contributed much to our success during the year, and the same thing is true of several years past, for he is never too occupied with the affairs of his own personal and business life to serve the Fraternity. In addition to personal advice and assistance rendered to this Grand Master, and to many Grand Masters of prior years, M. . W. . Brother Sherrod has rendered distinguished service to this Grand Lodge, as Chairman of the Committee on Finance, as a member of the Board of General Purposes, as a member of the Board of Directors of The North Carolina Masonic Foundation, Incorporated, as Chairman of the Special Committee on Quarters or Building, as well as in many other matters of great importance to the Craft.

### M.:.W.:BROTHER CHARLES BAILEY NEWCOMB PAST GRAND MASTER PAST GRAND SECRETARY

M. . W. . Brother Charles Bailey Newcomb's influence "for the good of Masonry" has been felt in manifold ways. To name but a few, he has made a monumental contribution to Masonic Jurisprudence, having been a member and Secretary of our Committee on Masonic Jurisprudence for many years; Secretary of our Code Commission when THE CODE of 1915 was revised, rewritten, adopted by this Grand Lodge, and printed as THE CODE of 1924; and Chairman of our Code Commission when THE CODE of 1924 was revised, rewritten, adopted by this Grand Lodge, and printed as THE CODE of 1948. His labors in connection with our ritualistic and Masonic education work, as a member and Secretary of our Board of Custodians, have had much

to do with the improvement in our ritualistic work by our lodges; with the inauguration and constant growth of our system of Certified Lecturers and Certified Instructors; with the Official Standard of the Work and the Vocabulary; with the initiation and expansion of our program of Schools of Instruction in the Ritualistic Work; and with the LODGE SYSTEM OF MASONIC EDUCATION.

Other activities of our Grand Lodge which have had the able attention of M.'.W.'.Brother Newcomb include that of Chairman of the Lodge Service Commission since its inception in 1936; Chairman of the Committee on By-Laws of Subordinate Lodges, in connection with which the By-Laws of all except one of our 335 lodges have been revised since the adoption of the Uniform Code of By-Laws in 1948; Secretary of the Special Committee on Grand Lodge Quarters or Building; a member of the Board of General Purposes; and special assignments of importance too numerous to mention.

To say that, without the faithful and sacrificial work of M.'.W.'.Brother Newcomb. our achievements during the past year would have been far less successful, is to express it lightly indeed. Mere words are not a satisfactory or sufficient means of expressing the service, or my personal gratitude for the service, which this distinguished MASTER MASON has rendered to me personally and as your Grand Master, to this Grand Lodge, and to the Fraternity as a whole. Not once has M.W. Brother Newcomb failed to heed my call for advice and assistance, and many have been the times I have found it "for the good of Masonry" to seek his wise counsel, and to share the wealth of Masonic knowledge which he has stored up, both in his active and keen mind and among his archives and files, through a period of many years of broad Masonic experience and study. My distinguished predecessors, many of them, have found the same response, and they have expressed their gratitude to, and for, him over the years. I here humbly do the same, and breathe a prayer that we shall have the benefit of this good Brother's invaluable counsel and work for many more years. THANK YOU, BROTHER CHARLIE!!!

### M. W. BROTHER THOMAS J. HARKINS PAST GRAND MASTER SOVEREIGN GRAND COMMANDER

High and well deserved honor was conferred on M.'.W.'.Brother Thomas J. Harkins, Past Grand Master of Masons in North Carolina, Sovereign Grand Inspector General in North Carolina of The Supreme Council of the Thirty-Third Degree Ancient and Accepted Scottish Rite of Freemasonry, Southern Jurisdiction, United States of America, when the Supreme Council honored that body and him by electing M.'.W.'.Brother Harkins to the high office of Sovereign Grand Commander of the Supreme Council of the Thirty-Third Degree Ancient and Accepted Scottish Rite of Freemasonry, Southern Jurisdiction, United States of America, on October 6, 1952.

M. W. Brother Harkins, your Brethren in the Grand Lodge of North Carolina are happy and honored that this merited recognition has come to you, one of our most beloved and distinguished Brethren. We congratulate you, and we wish you Godspeed and ever increasing success in your endeavors.

On May 2, 1952, I constituted in Ample Form Memorial Lodge No. 696, at Lexington, North Carolina.

On May 3, 1952, Allen-Graham Lodge No. 695 at Kannapolis, North Carolina, was constituted in Ample Form.

On May 5, 1952, East Gate Lodge No. 692, at Charlotte, North Carolina, was constituted in Ample Form.

### EMERGENT COMMUNICATIONS

On Saturday, August 30, 1952, an emergent communication of the Grand Lodge was held at Reidsville, North Carolina, for the purpose of laying the corner stone of the Jefferson Penn Memorial Masonic Temple of Reidsville Lodge No. 384, A. F. & A. M.

An emergent communication of the Grand Lodge was held at Rockingham, North Carolina, on Friday, Novem-

ber 7, 1952, for the purpose of laying the corner stone of the Masonic Temple of Rockingham Lodge No. 495, A. F. & A. M.

On Wednesday, February 4, 1953, an emergent communication of the Grand Lodge was held at Siler City, North Carolina, for the purpose of laying the corner stone of the Masonic Temple of Siler City Lodge No. 403, A. F. & A. M.

### ONE-STORY LODGE BUILDING

On May 9, 1952, in accordance with authority granted in Regulation 49-04 of THE CODE of 1948, I approved the request of Rockingham Lodge No. 495, A. F. & A. M., to erect a one-story building to contain its lodge room, provided the said lodge room be made soundproof in all respects, and at all times when used as a lodge room, safe from cowans and eavesdroppers as required in Regulation 49-04; and, provided, the first floor level be at least five feet above the ground level in front; and, provided, the interior frame wall surrounding the preparation room be soundproofed; and providing, further, that the said building be subject to inspection by the Grand Master or his representative upon completion, and that if said building was not found to be safe from cowans and eavesdroppers the said defects would be remedied before the building was used as a lodge hall.

### GRAND LODGE SERVICE AWARDS AND VETERANS' EMBLEMS

The presentation of Grand Lodge Service Awards (25-Year Certificates) and Grand Lodge Veteran's Emblems should be made one of the outstanding occasions of the year, for those years in which there are brethren eligible for those wards. The names of those faithful brethren to whom Veteran's Emblems (for fifty years or more of continuous Masonic membership) were presented during the year 1952 will be listed in the Grand Secretary's Report, and he will also give the total number of 25-Year Certificates presented.

### GRAND REPRESENTATIVES

I have appointed several Representatives of the Grand Lodge of North Carolina near other Grand Lodges, having first received the nomination of the Grand Master of the Grand Lodge concerned in each instance. Many vacancies had occurred in the roster of Representatives of other Grand Lodges near the Grand Lodge of North Carolina, and I have nominated brethren to fill each of these vacancies, subject to appointment by the Grand Master of the Grand Lodge concerned in each instance. All of these appointments will be listed in the report of the Grand Secretary.

# SPECIAL COMMITTEE ON GRAND LODGE QUARTERS OR BUILDING

The Committee on Grand Lodge Quarters or Building has made considerable progress this year and will report to you at this Communication.

### RECOMMENDATIONS

I recommend that the Grand Lodge require all invitations to the Grand Lodge for a meeting place to hold our Annual Communication, be extended through the Grand Secretary, prior to the January meeting of the Board of General Purposes, and that the Board investigate the facilities as to meeting place, housing accommodations, etc., and that the Board make a recommendation to the Grand Lodge.

### THE CODE OF 1948

During the past year, I have had occasion to examine and use, as never before, THE CODE of 1948, and I am more convinced than ever that this Grand Lodge has a Code which is equalled by few Grand Lodges and excelled by none. A large part of the credit for this complete and usable volume of the Masonic law of this Grand Lodge belongs to none other than M. W. Brother Charles Bailey Newcomb, P.G.M., P.G.S., who has served faithfully and efficiently for so many years as Chairman of the Code Commission.

In 1907, our late M. W. Brother Alexander B. Andrews, P. G. M., compiled a digest of the resolutions, edicts and decisions of the Grand Lodge and its several Grand Masters during the years 1841-1906, inclusive, and they were published as Volume I of "A DIGEST OF THE MASONIC LAW OF NORTH CAROLINA, 1841 to 1906." In 1926, M. W. Brother Andrews compiled the resolutions, edicts and decisions of the Grand Lodge and its several Grand Masters during the years 1907-1925,

inclusive, and they were published as Volume II of the DIGEST.

Including this Annual Communication, it has now been twenty-eight years since the DIGEST has been made up-to-date; therefore, recognizing a real need for a complete and up-to-date DIGEST, I recommend that the Code Commission of this Grand Lodge be authorized, requested, and directed to compile, as soon as possible, the necessary material for Volume III of "A DIGEST OF THE MASONIC LAW OF NORTH CAROLINA, 1926-1953"; to have the said Volume III of the DIGEST printed for distribution and sale through the office of the Grand Secretary; and to include in said Volume III, a general index to all three volumes of the DIGEST, as well as annotations to THE CODE of 1948; and that the matter of finances in connection herewith be referred to the Committee on Finance.

### OXFORD ORPHANAGE

It has been my privilege, as your Grand Master, to preside over all meetings of the Board of Directors of this splendid institution, during my term of office.

On May 4, 1952, I had a part in the Consecration Service of the York Rite Memorial Chapel, a magnificent structure, which will stand as a lasting memorial to that fine group who made this addition to our structural equipment possible, and as a much needed addition to the spiritual life of our children.

Last Spring I attended the commencement exercises and presented a Bible to each member of the graduating class.

On February 11, 1953, the General Assembly of the State of North Carolina ratified H. B. No. 58, revising the Charter of Oxford Orphanage. This will be printed and distributed as a part of the Appendix to THE CODE OF 1948.

The support given the Orphanage by the Masons throughout this Grand Jurisdiction has enabled it to carry on its work and make a number of greatly needed improvements. The health of the children is good, the morale is good and the over-all condition of our institution is the best I have known it. A detailed report of the Orphanage will be rendered by the Board of Directors

and the Committee on Oxford Orphanage at this session of the Grand Lodge.

I commend all Master Masons for their unselfish support, and recommend that the usual appropriation be made for this cause.

### MASONIC AND EASTERN STAR HOME

I have attended all meetings of the Board of Directors of the Masonic and Eastern Star Home; also the Rob Morris Service. On Thanksgiving, it was my happy privilege to attend a service, and present a Veteran's Emblem to Brother William B. Price, who was the first guest of the Home to receive this Emblem.

The Home is well managed; our 75 guests are happy, contented, and well cared for.

The over-all condition of the plant is the best it has been in the history of the institution.

On September 10, 1952, the Secretary of State of the State of North Carolina issued a Certificate of Amendment of the Charter of the Masonic and Eastern Star Home of North Carolina, Incorporated. This will be printed and distributed as a part of the Appendix to THE CODE OF 1948.

A detailed report on the Home will be presented by the appropriate committee at this Communication.

I recommend the usual appropriation for its maintenance.

### DISPENSATIONS GRANTED

I have granted the following dispensations during the year:

- 1. Nine (9) dispensations to elect officers because the lodges failed to elect at the required time.
- To the following lodges to continue their labors until this annual communication because of loss of charters; under REG. 46-09:
  - A. Lafayette Lodge No. 83.
  - B. Ashler Lodge No. 373.
  - C. State Line Lodge No. 375.
- 3. To Junaluskee Lodge No. 145 to heal Brother Claud Jackson Ragan who had been irregularly Initiated in that lodge on the same day he was elected to receive the degrees, in violation of REG. 79-30(1). See also REGS. 79-02 and 94-05.
- To Numa F. Reid Lodge No. 344 to heal Brother Thomas Giles Meacham who had been irregularly Initiated in that lodge on

- the same day he was elected to receive the degrees, in violation of REG. 79-30(1). See also REGS. 79-02 and 94-05.
- 5. To the District Deputy Grand Master of the Thirteenth Masonic District to hold his District Meeting in a Sunday School building; also another dispensation for him to hold a School of Instruction in a Church building; both buildings could be properly tyled.
- 6. I granted a dispensation under REG. 78-01 for a lodge to reballot on an application for restoration of a brother. The application was received at the stated communication February 10, 1953, and balloted on at the stated communication February 24, 1953, in less than the required 28 days. (REG. 76-11). I required that the lodge strictly follow the procedure set out in REG. 78-01. See also REG. 76-16.

### DISPENSATIONS REFUSED

I refused a request for a dispensation from North Carolina Lodge of Research No. 666 to elect officers, because of its defunct condition, under Regulation 57-01, it having less than seven primary members, which is not a quorum.

### CITATION TO SHOW CAUSE WHY CHARTER SHOULD NOT BE REVOKED

It became necessary during the year 1952 to investigate the affairs of North Carolina Lodge of Research No. 666, because of the many irregularities in the conduct of its business that came to my attention. The report of the investigation was in detail and consists of about forty-five pages. Among other things it revealed the following facts: that this lodge had not legally revised or amended its by-laws since they were first approved on March 16, 1931; it had not held a legal stated communication since December 13, 1932; that every officer, and every applicant for dual membership, since that date had not been legally elected; that there are now only six primary members of the lodge, less than the required quorum of seven under REGS. 51-07 and 51-21; that only one meeting was held in each of the years 1948, 1949, and 1951, and none in 1952; none of those meetings were legal stated communications. whereas REG. 51-02 requires at least one stated communication of a lodge each month (with the possible exceptions of July and August and on legal holidays), and REG. 51-24 requires that the Grand Master cite a lodge to show cause why its charter should not be arrested if it fails to have a meeting for six consecutive months.

Since April 19, 1933, this lodge has not had the authority or right to confer any degree whatever; it having surrendered that right for the exclusive right to affiliate dual members and to hold emergent communications at any place within the state for educational and inspirational purposes only, but only upon invitation or with the consent, of the lodge in whose jurisdiction such meeting is to be held.

This lodge, having less than the required twenty members under REG. 57-01 is, by the terms of that Regulation, now defunct, therefore on March 28, 1953, I cited it to appear and show cause why its charter should not be revoked, as required in REG. 57-01, and this matter will be referred to the Committee on Appeals as provided in that Regulation.

(1924 Code, Sec. 52 and Reg. 141, as amended, Pro. 1933, pages 195 and 197; Regs. 55-04; 60-05; 83-01).

### ORDER OF THE AMARANTH

I received a request from a representative of an organization known as "Order of Amaranth," for permission to institute and promote that organization in this State. I replied as follows:

"When I discussed this matter with you in my office, I thought I stated my position clearly. If a written statement is necessary for your report, I have to advise that the Grand Lodge does not invest in me the power to authorize you to organize the Order of the Amaranth in North Carolina; that there would be nothing gained by having your successor to call on me about this matter; and that should you, or anyone else, proceed with such organization, you would be doing so at your own risk."

# LODGES DELINQUENT IN FILING ANNUAL RETURN AND REMITTANCE UNDER REG. 53-08

Only two lodges are reported to me as being delinquent in filing Annual Return and paying the amount due thereon before March 1, 1953, as required in REG. 53-08.

As to Western Star Lodge No. 91, I issued an edict on March 11, 1953, removing the disabilities under that Regulation and restoring the Master and the Secretary to their former rights and privileges. As to Sparta Lodge No. 423, I issued an edict on April 21, 1953, removing the disabilities under that Regulation and restoring the Master and the Secretary to their former rights and privileges. REG. 53-08(1).

### **ORDERS**

I deeply regret to report that it became necessary for me to reprimand certain officers and members of four of our lodges during the year, for the following reasons:

- A. For not complying with REG. 49-05 in connection with its building program.
- B. For violating REG. 79-31 by Initiating, completely, a candidate who refused to "swear." I ordered the lodge to return to the petitioner the full fee paid by him and also to pay to the Grand Secretary the fees required for Initiation.
- C. For electing and Initiating, completely, a candidate who was at the time under a judgment of the civil court for insanity.
- D. For conferring the first section of the First Degree on a candidate who was at the time intoxicated.

It became necessary for me to issue an Order on March 3, 1953, requiring Lafayette Lodge No. 83 and Semper Fidelis Lodge No. 680 to fix the fees for the degrees at \$50.00 in each lodge, because of their inability to come to an agreement on the matter, and the two lodges having concurrent jurisdiction. REG. 72-06.

### OFFICIAL OPINIONS

I gave the following Official Opinions:

- 1. If a waiver of jurisdiction over an Entered Apprentice or a Fellow Craft of another Grand Jurisdiction is WITHOUT RESTRICTIONS OR RESERVATIONS, if it is SPECIFICALLY ADDRESSED TO A PARTICULAR LODGE, and if it is duly certified by the Grand Secretary of the Jurisdiction in which issued, it may be accepted by that lodge in the same manner as, and in place of, the demit referred to in Regulation 83-29 of THE CODE; because the lodge issuing such waiver voluntarily gives up, and grants to the specific lodge in whose favor the waiver of jurisdiction is issued, all of its rights, interest, and claim, in and to the Entered Apprentice or the Fellow Craft.
- 2. FACTS: Brother "S" was duly elected Master of Lodge No. 667 and was installed on December 18, 1952; at the time of his installation he was a member of the Armed forces of the U. S. A.; in January 1953, he was assigned to duty overseas and left the jurisdiction of that lodge under orders for foreign service.

QUESTION: Is there a vacancy in the office of Master of Fort Bragg Lodge No. 667 under the facts stated above, and Regulation 65-01(7)?

ANSWER: No vacancy has been created under Reg. 65-01 (7), because Reg. 65-10 is a special law and provides that "a lodge officer does not create a vacancy in his office by entering the armed service of his country", and I rule that this

Regulation applies in cases where the officer is already in the armed service, in the same manner as if he entered the armed service after his installation, subject of course to the provisions of Reg. 65-06, if it should become necessary to apply that Regulation.

I believe this to be a reasonable interpretation of the intent of this Regulation and it certainly does not penalize an officer because he is, or becomes, a member of the armed service. Furthermore, there is ample provision in Regs. 67-13 and 67-14 for the proper Warden to carry on the work of the lodge as Acting Master, and in Regulation 65-11 there is a limitation on the election of a Warden as Master.

Your attention is directed also to Regs. 64-04 and 65-05 for the definite requirement of service before a Master may become a Past Master.

3. FACTS: After Mr. "C" was elected, and before he was notified of election and of the time and place for him to appear for Initiation, it came to the attention of the officers of the lodge that he had suddenly gone out of his mind and had to be restrained from injuring his mother and family, as a result of which he had been arrested and placed in an institution for mental cases, for safety; that the Master then appointed a committee to return the fees for the degrees to his family and to advise them that the candidate could not be Initiated. This action was taken under Reg. 76-04(10), and the Master believed that to be the correct procedure.

#### I ruled

That Reg. 76-04(10) applies to a case in which the petitioner becomes mentally disqualified before the ballot is taken on his petition. In this case the ballot had been taken and the petitioner was elected, therefore I believe Reg. 76-04(10) does NOT apply. However, Regs. 79-05 and 79-31 do apply, and in this case, the procedure would be as follows:

At the next stated communication, the Master should report to the lodge exactly what took place as you have stated it in your letter and that Mr. "C" had become mentally disqualified after his election for the degrees and before initation, and that under Reg. 79-05 the fees paid by him for the degrees will be returned to him. This should be entered in full on the minutes of that communication. The lodge does NOT vote on the matter at all. The return of the fees is mandatory under that Regulation. Report the same to the Grand Secretary on Official Form 49, Report of Doings at a Stated Communication, by attaching thereto a copy of the statement put in the minutes.

Reg. 81-02 does NOT apply because no ballot should be taken on any person who at the time is mentally disqualified; it would be improper to make it possible to blackball such a person.

### 4. QUESTION:

Is it proper under Reg. 68-08 for a lodge to make a donation from its treasury for the purchase of uniforms for a public

school band, the lodge having rejected a motion to make such a donation?

#### I ruled:

- "As for your particular case: It appears from your letter that a motion was made in the lodge to make a donation from the treasury to purchase uniforms for a school band, and after considerable discussion and referring to Reg. 68-08, the lodge by a majority vote rejected the motion, but it seems that there exists among the membership a difference of opinion as to whether or not such contributions are permissible.
- "Upon the facts in this case as stated by you, it appears to me that the lodge has decided the question on its merits after due deliberation; however, since you have requested an Official Opinion as to whether or not it is permissible for a subordinate lodge to make a donation from its treasury for the purchase of uniforms for a school band, I must say that in my opinion such expenditure is not for a Masonic purpose or objective, therefore Reg. 68-08 applies.
- "The purchase of uniforms for a school band is not a proper Masonic objective, it is no part of Masonic work, it is not a necessity, nor is it charity, relief of poverty, or distress, illness or human need, nor is it a necessary or essential element in education that could justify its approval as a Masonic objective or purpose. I think it would be just as reasonable to consider uniforms for football teams, basketball teams, junior traffic squads, or for other similar organizations as being in the same class.
- "Education is a proper Masonic objective, and justifies a donation from the treasury for the essentials in education, such as tuition, books, food, clothes, shelter, and other actual necessities, for those not able to provide for themselves, but it does not include the frills, extras and unnecessary things. The nonessential things are left for the individual Mason to contribute out of pocket as he may consider proper; the money in the lodge treasury was not put there for those things.
- "If uniforms for school bands are necessary then the school authority could furnish them out of its budget.
- "Money in the lodge treasury is for the purpose of defraying the necessary expense of the lodge, promoting a better knowledge of Masonry among its members, obtaining a lodge home or hall of its own, and for the relief of the poor, sick, needy and those in distress, and not for uniforms for school bands, football teams, basketball teams, or similar objects.
- "It is true that a lodge may dispose of its property at will; however Reg. 68-08 places a limitation on the objects to which its funds may be donated, requiring *only* that the objective be a proper Masonic purpose.
- "If a lodge has fully performed its duty in promoting a better knowledge of Masonry among its members, has obtained its own lodge hall, has no sick or needy brethren, widows, or orphans to care for, and then finds that it has a surplus of money that seems to be in the way, there are two magnificent

institutions maintained by our Grand Lodge that would be greatly benefited by a donation; I refer to Oxford Orphanage and the Masonic and Eastern Star Home, Inc.

"I suggest that it would be worthwhile if you read carefully the approved Official Opinions found in the Proceedings of our Grand Lodge of 1949, in which certain activities were decided not to be proper Masonic objectives; these items will give you a better idea of the subject in general; see page 49, item 2; page 52, items 12A and 12B; page 58, item 24. Also see Sec. 4-08; Regs. 60-09 and 16-04(9).

"It is my opinion that your lodge has taken the proper action on the motion and that Reg. 68-08 applies to the case."

### 5. FACTS:

A petitioner for the degrees was declared elected. Afterward, it was found that there were some white balls and two black cubes behind the drawer of the ballot box. The construction of the box was such that the drawer could be drawn out the width of one ball without the condition being apparent when looking from above.

#### I ruled:

That in this case the petitioner was declared elected, but because of a tricky ballot box, there could and may have been a mistake.

It was not clear as to when the cubes were discovered in the box, after the ballot; whether or not the box had been used for balloting on any other case; and whether or not anyone had handled the box between the ballot on the petitioner in question and the discovery of the cubes in the box.

FIRST: I ordered the Lodge immediately get a ballot box of a different type; one that could be depended upon to serve their purpose without question.

SECOND: I ruled that the Lodge is required to apply Reg. 81-02.

### 6. QUESTION:

Should the Secretary of a lodge accept the dues for 1951 and 1952, of a member, who left his wife and two children five or six years ago; his wife later obtaining a divorce; and he now sends his dues by a woman who will not give his address.

### ANSWER:

It is true that Regulation 85-27 makes it a duty of every member of a lodge to notify the Secretary of his lodge immediately of any change in his mailing address; however, we could hardly say that one would be guilty of serious Masonic offense if he fails to do so, therefore, the Secretary could send the cards in the mail to the last known address of the member.

The payment of the dues in arrears should have no effect in a trial for un-Masonic conduct. The member would be only paying his just debt to the lodge and he could still be tried if his lodge has evidence enough to justify it.

It appears that this lodge is trying to get rid of this member by exclusion for nonpayment of dues, seeing that he now owes two years' dues and is subject to exclusion, rather than try him for what they believe to be un-Masonic conduct.

It is my opinion, and I so rule, that the Secretary must take the money if it is offered him, and he can either deliver the cards to the person who pays the dues, or he can mail the cards to the member, at his last known mailing address. If charges are preferred, they would also be mailed to the last known mailing address of the member.

### 7. QUESTION:

Does the Judge Advocate have the power to remove the chairman of the trial commission on the grounds of his refusal to act or his request for removal, and thereafter appoint some other qualified person as chairman of the said trial commission, giving all interested parties the same notice required to be given under the trial code of the appointment of a trial commissioner?

#### ANSWER:

Yes. It is a true principle of Masonic justice that an accused shall have a fair and speedy trial and in the event the Chairman of a Trial Commission, or any other member thereof, fails or refuses to act within a reasonable time after his appointment he should be removed and the vacancy thus created should be filled immediately. All interested parties shall be given the same notice as is required to be given under the Trial Code of the appointment of a trial commissioner and the right to challenge any such appointment to fill vacancies shall be as set out in Regulation 100-01.

The Trial Code provides that the Judge Advocate shall appoint all trial commissioners, (99-11; 99-12; 99-14; 100-06); that he may remove a trial commissioner for imperative reasons, (99-12); and that he may fill a vacancy on a Trial Commission, (102-29). These powers are not given to any other officer or representative of the Grand Lodge. Regulation 16-06(5) provides that the Grand Master has no authority to interfere with a trial, and I construe this Regulation as applicable in such a case as you have presented. (See also the exceptions in Regulation 16-03(12, 20).

### 8. FACTS:

- A. Mr. "C" petitioned Lodge "B" for the degrees in Masonry; the petition was received, referred to a Committee of Investigation and forwarded to the Grand Secretary as required in Regulation 73-12; it was laid over not less than one lunar month.
- B. Thereafter at the stated communication June 5, the Master and the Secretary were both absent; the original petition was not available for examination. At this communication there were present 10 members and one visitor. The Committee of Investigation reported; the Brother presiding assumed that the petition had been returned by the Grand Secretary with his proper certificate attached clearing the petition for ballot; ordered the ballot spread and it was clear. No notice has been given Mr. "C" of this ballot.

- C. At the next stated communication on June 19, the Master was absent; there were 10 members and one visitor present; the Secretary was present and reported that the lodge had balloted illegally on Mr. "C" on June 5, because his petition had not been returned by the Grand Secretary at that time as provided in Regulations 73-13 and 76-01, whereupon the Brother presiding ordered another ballot, which was passed only one time; Mr. "C" was rejected and he has been notified of this action.
- D. The certificate of the Grand Secretary cleared the petition and is dated May 16, 1952, or 20 days before the first ballot was taken.
- E. Only four members of the lodge who were present June 5 when the ballot was clear were also present June 19, and six members of the lodge were present June 19 when the ballot was not clear, who were not present June 5.

### QUESTION:

What is the status of petitioner "C"?

### ANSWER:

He is rejected. The ballot on June 5 is void because the original petition was not available and the Master should not have assumed that Reg. 73-12 had been fully complied with or that the certificate of the Grand Secretary was clear; he must be sure of these matters and he could not be sure unless he had the actual petition before him at that time. This seems to be the clear intent of Regulations 73-13 and 76-01. Furthermore, the Secretary reported on June 19 as a fact that the petition had not been returned by the Grand Secretary and for that reason, the ballot taken on June 5 was void; it was upon the statement of the Secretary that the second ballot was taken on June 19, at which time the actual petition was available to the Master and he could have seen the date it was certified by the Grand Secretary, which does not mean that the petition was available to the lodge on June 5.

The most important point in this case is the fact that six members who were not present at the first ballot June 5 were present when the petitioner was rejected June 19 and also that the ballot passed but once. The secret ballot is to guarantee to each member of the lodge the right to express his judgment as to the qualification of the petitioner, not only to be made a Mason but also to become a member of his lodge and I think the lodge has set aside the illegal ballot of June 5 by the secret ballot taken on June 19, at which time the six members who were not present at the first meeting had an opportunity to express their judgment on these important qualifications.

This case does not come under the provision of Reg. 76-16, therefore the Grand Master has no authority to set aside the ballot of June 19th.

#### 9. QUESTION:

Should a member of a lodge who is under charges and who offers to pay his annual dues to the lodge be permitted to pay the dues while charges are pending?

#### ANSWER:

The official dues card required in Regulation 85-08 simply states that the brother is a member of his lodge and that his dues are paid to December 31 of the year of issue. It does not certify or state that the member is in good standing or not under charges.

Regulation 85-35 states that dues shall go on until the member dies, demits, is excluded, suspended, or expelled unless he be lawfully excused by his lodge.

Regulation 60-08 says that a member shall not be deprived of any right or privilege except by exclusion, suspension, or expulsion.

Regulation 98-04 says that every accused brother shall be deemed innocent of the charges against him until they are proved after due trial. His right of visitation is not affected until he has been found guilty and is suspended or expelled; but he shall be deprived of this right while his appeal is pending. From the foregoing, it seems clear, and I do so rule, that it would be proper to receive the dues of this brother and issue to him his official card, if this is done before the trial is concluded, and in this connection you should read Regulation 82-09(2).

### 10. FACTS:

- A. Entered Apprentice "A" was initiated March 9, 1951, and thereafter failed to present himself prepared for advancement within six months as required in Reg. 81-07.
- B. He subsequently made application for advancement; the application was read and received by the lodge at the stated communication June 3, 1952, and it was laid over one lunar month as required in Reg. 81-07.
- C. At the stated communication July 1, 1952, the application was read again and admitted to the secret ballot as required under Reg. 76-04.
- D. While the balloting was in progress, and before every member had voted, Brother "B", a member of the lodge, approached the Master and stated that he had made a mistake in casting his ballot, but he did not reveal his ballot. The balloting continued until every member of the lodge present had voted; the ballot was examined in the usual manner and it was not clear, but it was not announced or declared by the Master, whereupon, the Master immediately and without any intervening discussion or transaction whatever, ordered a re-ballot; the re-ballot was taken under Reg. 76-04(6) and the ballot; was clear. No member of the lodge had retired or had entered the lodge room between the time the name of Entered Apprentice "A" was announced for the ballot, and the declaration or announcement of the final ballot by the Master, as provided in Regs. 76-04(6, 7) and 76-20. Every member of the lodge present voted in both ballots, including Brother "B". (Reg. 76-04(9).

### QUESTION:

Was Entered Apprentice "A" duly elected for advancement on the ballot taken July 1, 1952?

#### ANSWER:

Yes. I should say also in this connection that the proper procedure in any case of error, mistake, or irregularity in connection with a secret ballot that comes to the attention of the Master while the balloting is going on and before the ballot has been closed and announced or declared by the Master as required in Reg. 76-04(6,7), would be for the Master to stop the balloting immediately when the matter is reported to him or comes to his attention, and without examination by the Wardens or the Master, that ballot should be destroyed; then a re-ballot should be taken immediately complying fully with Regs. 71-13; 76-04(6,7) and 76-20. A secret ballot is begun when the Master announces the name of the person to be balloted on, Reg. 76-20, and it is not completed until the Master announces or declares the result as required in Reg. 76-04(7); when the Master declares the result of a secret ballot no further balloting on that petition can take place except as provided in Regs. 76-16 and 81-02.

### 11. FACTS:

The lodge desires to sponsor the erection of a monument in honor of Brother "L", deceased.

#### ANSWER:

It is my opinion that your lodge may promote this memorial provided it is exclusively a lodge project. The lodge must be the sole owner, director, promoter, and manager of the whole enterprise; there shall not be a joint owner nor shall it be a joint enterprise with any other person, group, or entity whatever. (Chapter 31 of the Code). There shall not be a campaign of general solicitation of the public for funds. Voluntary, unsolicited, gifts may be accepted from non-Masons, but no general solicitation of the public shall be made. The entire project must be exclusively Masonic and under the direction of the lodge.

Under no circumstances shall the lodge sponsor only the fund raising part of the project as suggested in the second paragraph of your letter, nor any other part of the project but it must promote, and be responsible for, the entire project or none of it.

12. During an investigation of the petition of Mr. "M", M/Sgt., U.S.M.C., it was found that he was employed by the N.C.O. Club as a bar tender. I was asked to rule on the action that should be taken in the matter.

### ANSWER:

It is my opinion that Mr. "M" is not qualified to make petition for the Degrees in Masonry while he is engaged, either full time or part time in the occupation of bar tender. See Regulations 74-10(24) and 97-02(30).

Mr. "M" being disqualified to make petition for the Degrees in Masonry under our law, his petition should be handled under provisions of Regulations 74-02 and 75-16.

You inquire also as to whether or not beer and wine comes under Regulation 97-02(30). It is my opinion that beer and wine, when sold or dispensed, under conditions defined and described in that Regulation come under that law; however, beer and wine may be sold or dispensed under other conditions that would NOT come under Regulation 97-02(30); by way of example, where legally sold or dispensed in restaurants.

On this general subject you should carefully read Regulation 97-01 (first paragraph; subsections 2, 4, 5 and 29).

### 13. FACTS:

Mr. "P" resided at Bladenboro, N. C., from November 10, 1945, to June 1, 1951, and at Elizabethtown, N. C., from June 1, 1951, until approximately three months prior to May 12, 1952 (or February 12, 1952), when he moved to Red Springs, N. C., and accepted a position there. On May 12, 1952, he petitioned for the Degrees in Masonry to Bladen Lodge No. 646, in Elizabethtown.

### QUESTION:

Is Mr. "P" qualified to petition Bladen Lodge No. 646, Elizabethtown, for the Degrees in Masonry?

### ANSWER:

No.

Regulation 74-01 (9) defines one of the qualifications for a petitioner as follows: "He must have resided within the state for at least one year and within the jurisdiction of the lodge petitioned at least six months *immediately preceding the date of his petition* unless a waiver is obtained from the lodge having jurisdiction as provided by law."

Regulation 73-05(2) states that all petitions for the degrees shall be "addressed to a lodge having both territorial and personal jurisdiction except as otherwise provided by law."

Regulation 47-03 says, "No lodge shall possess jurisdiction over any petitioner for Degrees in Masonry until he shall have been a resident petitioner for . . . . . 6 months within the territorial limits of such lodge immediately preceding the date of petition, unless a waiver of jurisdiction has been granted, etc. . . . . " See also Regulation 47-05 and 74-01(9). Bladen Lodge No. 646 has lost territorial jurisdiction over Mr. "P", but it retains personal jurisdiction over him until

Mr. "P", but it retains personal jurisdiction over him until he has resided at Red Springs (or elsewhere) for at least six consecutive months.

The lodge at Red Springs has no jurisdiction that it can waive until Mr. "P" has resided within its territory six consecutive months, therefore it cannot grant a waiver. Bladen Lodge No. 646 may grant a waiver to Red Springs Lodge and Red Springs Lodge could then receive the petition of Mr. "P", because he is not a qualified petitioner as required in Regulation 74-01(9). See also Regulations 73-05(2); 47-03; and 47-05.

The question of residence of Mr. "P" is fully clarified by Regulations 47-04 and 47-05 because Mr. "P", in good faith, has

established at Red Springs a permanent home or domicile which is unquestioned; that is where he actually resides and works and he is not a sojourner there.

Regulations 47-03; 47-05; and 47-01(9) require residence in the territorial jurisdiction of the lodge to which the petition is made, for 6 months immediately preceding the date of the petition. Mr. "P" is not qualified under this law to petition Bladen Lodge No. 646.

Bladen Lodge has no right to receive his petition. Its only right now is to either grant, or refuse to grant, a waiver of personal jurisdiction.

Regulation 47-06(7) does not apply in such a case as this one, and it is not in conflict with the citations given in the opinion.

The petition of Mr. "P" was improperly and illegally received by Bladen Lodge No. 646. At the first stated communication after the receipt of this opinion, the Master shall comply with Regulation 67-10(28); 73-11; and 74-02.

The minutes should show: "The Master declared that Mr. 'P' was not qualified to petition our lodge because he is not a resident of our jurisdiction, as decided by the Grand Master, and he ordered that the petition be withdrawn and the fee returned to the petitioner."

#### VISITATIONS

The Masons, as a whole, throughout our Grand Jurisdiction, have such a high respect for the office of Grand Master, that it is always a disappointment to one holding this high office that he cannot accept all the invitations extended. It has been my pleasure to accept every invitation received where it was humanly possible for me to do so. I have covered the length and breadth of this great State as best I could and have traveled more than nineteen thousand miles in connection with the duties pertaining to the office.

Including our 43 District Meetings, at which I made 43 talks to officers in the afternoon, 42 at our evening sessions, and 4 at District Deputy Grand Masters' Conferences, I made 184 appearances during the year and was away from home 153 days. In addition to our District Deputy Conferences, and District Meetings my visitations included ceremonies to lay 3 corner stones; to constitute 5 lodges; Washington Conferences, Board Meetings, Committee Meetings, York Rite and Scottish Rite Ceremonies, visiting lodges and other Grand Lodges, installations, banquets, ladies' nights and those meetings to which a Grand Master is invited in connection with the duties of the office.

It was my pleasure on several occasions to present 25-Year Certificates and Veteran's Emblems on behalf of the Grand Lodge, to honor those brethren who have through so many years been faithful members of the Craft. One of the Veteran's Emblems went to a guest of our Masonic and Eastern Star Home.

#### FOREIGN VISITATIONS

I have so far as it was possible endeavored to maintain the fine fraternal relationships which the Grand Lodge of North Carolina has always enjoyed with our Sister Grand Jurisdictions, although on one occasion it was necessary for me to make a hurried trip.

On invitation I attended the Annual Communication of the Grand Lodge of South Carolina, the Grand Lodge of Illinois, the Grand Lodge of Kentucky, the Grand Lodge of Maryland, and the Grand Lodge of Virginia. I was accompanied to South Carolina by M. W. Brother Herbert M. Foy, P.G.M., and R. W. Brother Wilbur L. McIver, Grand Secretary, and to Maryland by the Grand Secretary.

R.'.W.'.Brother Edwin T. Howard, Deputy Grand Master, represented me at the Grand Lodge of Georgia, the Grand Lodge of Pennsylvania, and the Grand Lodge of Massachusetts; and M.'.W.'.Brother Wallace E. Caldwell, Past Grand Master, at the Grand Lodge of Tennessee.

These visitations are of much value, not only in promoting closer fraternal relations, but also as a means of exchanging ideas with the leaders of other Grand Jurisdictions.

#### STATE OF THE CRAFT

From the reports of the District Deputies, and my observation, I believe the Ritualistic Work in our Lodges has unquestionably reached a new high level of efficiency, not only from the standpoint of perfection in delivery, but in the spirit in which it is given.

I am extremely interested in the fact that a large majority of our lodges have adopted, and are using, in accordance with the plan outlined in the pamphlet, "The Lodge System of Masonic Education," on all new petitioners.

It seems to me that we should consider this a good indication of the future of our Fraternity. Let us not lose

sight of the fact that the Masons we are making today will be our leaders ten, fifteen and twenty-five years from now. The very fact that we are using more care in the selection of our material today is a good indication for the future of our individual lodges as well as our Grand Lodge.

At the beginning of the year 32 lodges had not revised their by-laws as required by THE CODE of 1948. I thought four years was long enough to wait on this important matter, therefore, in order to get the job completed, I issued a summons where necessary, and I am glad to report that the by-laws of all except one of our lodges have been revised.

The record showed that 42 lodges had not been represented at our Annual Communication in two years or more. On March 6, 1953, I wrote the Master of each lodge in this group, called his attention to the requirements of Regulation 49-02(12), that "A lodge which is not represented at two consecutive Annual Communications shall be cited to show cause why its charter should not be arrested for failure to comply with that rule." I asked that they advise me by March 28, whether or not their lodge would be represented at this Communication. Every Master replied on or before March 28, and assured me that his lodge would be represented\*

Of our 335 lodges, 333 filed their return with the Grand Secretary on time. The remaining two lodges were only two days late with their report.

The finances of the subordinate lodges are very good. A few have a debt on their Temple, but this is being taken care of. Many lodges have reserve funds for a new Temple or other investments.

The finances of the Grand Lodge are at the highest point in our history, and are being handled in an economical and efficent manner, under the wise and experienced guidance of M. W. Brother Herbert C. Alexander, P.G.M., and the other members of the Board of Directors of The North Carolina Masonic Foundation, Incorporated.

We have reached new heights numerically, the total membership now being more than 54,000, and the number of chartered lodges 335, but please do not think that

<sup>\*</sup> Note: All of the 42 lodges mentioned were represented at 1953 Annual Communication. W.L.M., G.S.

your Grand Master would take credit for that, because I think it can be attributed to a renewed interest in the Fraternity generally.

Several new Temples are under construction, and many lodge halls have been improved.

Brethren, the over-all condition of the Craft is GOOD.

#### CONCLUSION

BRETHREN: As I near the time when I will surrender the gavel of authority and go back in the ranks as just plain Bill White, I should like to thank you for your courtesy, kindness and co-operation. You have honored me more than I deserve, and I shall be ever grateful for your confidence and support. I have done my best to hold our banner high. For my mistakes, I ask your forgiveness.

I should like to acknowledge with grateful appreciation the sacrifice my wife has made since I was elected in the Grand Lodge line, and particularly the past four years. Even though she has undergone three major operations and had other serious illness, she has urged me on and co-operated in every way.

For the wise counsel and encouragement given me by our Past Grand Masters, our Grand Secretary, and other Grand Lodge line officers, the splendid co-operation of the District Deputy Grand Masters, District Deputy Grand Lecturers, the Masters, and other officers of our 335 lodges, and all those brethren who have worked so faithfully to help carry out my program, I shall always be most grateful.

I am particularly grateful to the officers and members of my own Lodge for their many courtesies, for a dinner given in my honor, a Life Membership in Sanford Lodge No. 151, and personal gifts from individual members; and to those lodges that have honored me by conferring Honorary Memberships on me. I shall always treasure these and all other expressions of your appreciation of the service I have tried to render to the Craft.

My work with the brethren this year has convinced me, more than ever before, that Masonry is more than just a fraternity among men; that it is a way of life and a good one. Back of its rituals, its forms, and its degrees, is a spirit and a power which should bring out the best in all men who try to live it and abide by its precepts.

It has meant much to me, as it has, I know, to so many of you. It has been a wonderful experience to work with you. I shall never cease to be grateful for the privilege of serving you as Grand Master, and hope the experiences of this year have prepared me to be of some service to the Craft in the future.

# REPORT OF THE GRAND TREASURER (Docket No. 2)

The Grand Treasurer presented the following report which was received, entered on the record, and referred to the Committee on Finance:

To the Most Worshipful Grand Lodge of North Carolina:

#### **MEETINGS**

The Grand Secretary attended, and assisted with, the four Regional Conferences for District Deputy Grand Masters conducted by Grand Master White at Wilson, Fayetteville, Salisbury, and Asheville; thirty-three of the forty-three District Meetings; the three Emergent Communications for laying cornerstones; and such other Masonic meetings and special occasions as his official duties in his office would permit. It was my privilege to accompany the Grand Master to the Annual Communications of the Grand Lodge of South Carolina and the Grand Lodge of Maryland, as well as to an Emergent Communication of the Grand Lodge of Virginia, at Fredericksburg, Virginia, on November 4, 1952, on the occasion of the celebration honoring the Two Hundredth Anniversary of the Masonic birth of Brother George Washington. It was not possible for me to attend the Masonic Conferences at Washington in February of this year, due both to the demands on my time in the Grand Secretary's office and to the state of my health at the time.

Your Grand Secretary is most grateful for the cooperation and the many courtesies extended him during such visitations as he was able to make, and particularly during the District Meetings. It is a real pleasure to meet with the Brethren who are actively at work in our lodges, and discuss the affairs of the Fraternity with them.

#### M∴W∴ BROTHER WILLIAM HENRY WHITE GRAND MASTER OF MASONS IN NORTH CAROLINA

It has been a privilege and a pleasure, during the past year, to be so closely associated with M. W. Brother William Henry White, Grand Master of Masons in North Carolina; one whom I have called friend and Brother for many years; the friend who, when I was just twenty-one years of age, complied with my request that he furnish me a blank with which to petition his lodge for the Degrees in Masonry; the friend who recommended me to his lodge; and the Brother who raised me to the Sublime Degree of Master Mason. For all of these, and many more, acts of friend ship; for his encouragement; for his Christian life and example; and for his activities through the years "for the good of Masonry," I am personally most grateful.

I am confident that Masonic historians of future years will record the administration of M. .. W. .. Brother White as being one

of the most fruitful years in the history of The Grand Lodge of North Carolina, and that both his words and his deeds will continue to bear fruit "for the good of Masonry" for many years to come.

#### M. . W. . BROTHER CHARLES BAILEY NEWCOMB PAST GRAND MASTER PAST GRAND SECRETARY

No mere words could express to you, or to him, how thankful I am that I have continued to have the benefit of the able and wise advice and counsel of M. W. Brother Charles Bailey Newcomb, Past Grand Master, Past Grand Secretary, ever ready to render unselfish SERVICE.

THANK YOU, MOST WORSHIPFUL SIR !!!

#### THE GRAND SECRETARY'S OFFICE

Again, we must report that the demands for service by the Grand Secretary's Office, much of which has demanded the personal attention of the Grand Secretary, continue to increase. Our 335 lodges, due largely to the continually growing interest of the 54,000 members themselves and to the vigorous and worth-while programs of our Grand Masters and our various Boards, Commissions, and Committees, are much more active in Masonic work, for which we are grateful. Much of this increased activity affects (increases) the work in the office of the Grand Secretary, as it should, and we have tried hard to render every service (whether requested or not) as and when that service should have been rendered; however, your Grand Secretary fully realizes that it has not been possible for him, even by working many "over-time" hours, to "reach" everything that has seemed to demand his personal attention. As we have said before, it has been necessary for us to select and do those things that seemed to us to be the most important, "catching up" on the other work as and when it was possible for us to do so.

We only regret that it has not been possible for us to do everything that every lodge and every brother desired us to do as and when it should have been done; however, we do report that we are gradually "catching up", and that the work in the office of the Grand Secretary will be on a current basis within a very short time, the Lord willing, and provided we are able to secure co-operation in the matter of handling Petitions for the Degrees and Applications for Affiliation, many of which reach the Grand Secretary's office either incomplete as to vital information and/or improperly completed and/or illegible (and we do mean not capable of being read or deciphered). Many petitions and applications are received by the Grand Secretary which are not even signed by the petitioner or applicant. We earnestly solicit your cooperation, and assure you that your full cooperation in this respect will enable the Grand Secretary's office to render better service to you, both in the matter of certifying petitions and in other matters of great importance to you and to the Fraternity.

A detailed report of our needs as to personnel, equipment, supplies, etc., will be placed before the Committee on Finance, and we again solicit your cooperation "for the good of Masonry."

#### APPRECIATION

Without the faithful cooperation, and the patience and understanding, of many of you, the work during the past year would have been even more difficult than has been the case; how, we do not know, but it would have been. For that charitable cooperation, patience, and understanding, I here record my grateful appreciation to all, and particularly to the Line Officers of the Grand Lodge, the Past Grand Masters, the members of the Boards and Committees, the District Deputy Grand Masters, the Secretaries of our lodges (the right arm of the Grand Secretary), and the staff in the Office of the Grand Secretary.

Respectfully submitted,

Grand Secretary.

#### REPORT OF THE AUDITOR

(Docket No. 4)

Brother Robert B. Spencer, Certified Public Accountant, Auditor, made the following report which was referred to the Committee on Finance:

To the Most Worshipful Grand Lodge of North Carolina: Brethren:

I herewith present my annual report as Auditor of the Grand Lodge for the year ended December 31, 1952.

As directed by the Grand Lodge, I have audited the financial records of the Grand Lodge, including those of the North Carolina Masonic Foundation, Incorporated, Masonic & Eastern Star Home, and Oxford Orphanage. Separate reports, with comments thereon, have been filed with the proper officers.

All securities, with the exception of those in trust funds held by the banks, and as otherwise noted in the audit reports, were examined.

As usual, the records were found in excellent shape and no difficulty was experienced in making the audit.

Fidelity Bonds, covering the financial officers, and others, were found to be in force.

I am of the opinion that all receipts have been accounted for, and all disbursements made in due course and with proper authorization.

Respectfully submitted,
R. B. SPENCER, Certified Public Accountant,
Auditor, The Grand Lodge of A. F. & A. M.
of North Carolina.

We heartily commend the capable and able manner in which Most Worshipful Brother William Henry White has carried on the duties and responsibilities of the office of the Most Worshipful Grand Master of Masons in North Carolina and the business and affairs of the Grand Lodge. Most Worshipful Brother White has been most faithful, energetic, and efficient in the performance of his duties and at times under great difficulties and distress arising from illness among members of his family. The Grand Lodge has prospered and its affairs have operated smoothly under the administration of this enthusiastic, wise and faithful Mason. Under his administration, care and attention, harmony prevails in the Fraternity throughout the entire jurisdiction and Brother White is entitled to the gratitude and thanks of the officers and members of the Grand Lodge as well as of the Craft throughout the State.

We appreciate and commend the able cooperation and assistance which the Line Officers, members of the committees, and District Deputy Grand Masters have given to Grand Master White during his administration.

To the Most Worshipful Grand Lodge of North Carolina:

The Code Commission respectfully reports that no matters have been referred to us for attention during 1952.

We again suggest that it would be an inexpensive service to the Craft if a digest of the enactments and resolutions of the Grand Lodge should be made at least every two years and printed to be inserted as a part of the Appendix to THE CODE, with appropriate annotations and index.

After more than four years of constant and vigorous effort, we are able to report that every lodge in this Grand Jurisdiction, except one, has revised its by-laws to bring them in agreement with the law of the Grand Lodge, and for the first time we may confidently rely upon this as a fact. It required the citation of more than thirty lodges by the Grand Master to get these results.

#### ADDRESS OF THE GRAND ORATOR

(Docket No. 10)

Most Worshipful Grand Master and Brethren:

# THE MISSION OF MASONRY IN THE TWENTIETH CENTURY

On one occasion a group of us were passing through a certain city and someone made the remark, "This city is like a sweet potato—the best part of it is in the ground." Institutions, like cities, need more than the cable tow of history to bind them to contemporary allegiance. They must meet a present need. In the great struggle of the twentieth century I am convinced that the principles and practices of Freemasonry do command such an allegiance. What, then, is the Mission of Masonry in the Twentieth Century?

Fundamentally, the struggle of the twentieth century is a tugof-war for supremacy between the spiritual and the material. We are witnessing that struggle on every level from the individual to the international; from the social to the religious. It is a sober thought that, for the first time in history, we in our generation have witnessed whole nations turning their backs upon the spiritual and accepting the material as the only reality.

While in Edinburgh, Scotland, I had the experience of living in the same house with a group of Communist students from India. When I asked one of the students, a medical doctor, if I could talk to him about communism, he was delighted at the opportunity. For about one hour I asked questions and he answered freely. Summarily, I asked what was his (and the Communist's) attitude toward God. He answered promptly that God was just an "idea" in the minds of men which is used as a crutch to bring comfort or escape. Mature people no longer need mental crutches. The Holy Scriptures were summarized as follows: the "fall" was the end of community ownership, and the beginning of capitalism. A "millennium" will come only when capitalism is destroyed and community ownership is restored. When asked how they justified such a ruthless disregard for human life, the answer was "communism is worth it: it is more important than any individual." Then he added rather casually the postscript, "For example, if I felt it would advance the cause of communism I wouldn't hesitate one moment to kill you!" That wasn't one man speaking: it was a spokesman for one-third of our present world—and for a vast network among the other two-thirds! That is the spokesman for forces from without and for tendencies from within! That is the voice of materialism.

I repeat, the basic struggle of the twentieth century is a tugof-war between the spiritual and the material. It is a struggle between the primacy of materials versus the primacy of men. History will look upon the twentieth century as an ideological struggle for the loyalties of men. It is not surprising that the Scottish Rite News Bulletin for April should begin with an article entitled, "Battle for Young Minds." In our scientific age few institutions are equipped for that kind of warfare. On the contrary, the tools of speculative Masonry have been expertly fashioned with precisely that object in mind.

In a recent visit to Jerusalem I was attending the Communication of the Lodges that normally met in King Solomon's quarries underneath the city—but the quarries were closed. War and tension in the Holy Land made passage impossible and has put an end temporarily to operative masonry at the place of its origin. There are powerful forces and tendencies at work—on both sides of the Iron Curtain—which would put an end to the work of speculative Masonry as well.

The contribution of Freemasonry to this decisive ideological struggle of the twentieth century, therefore, may be summarized briefly:

- 1. Masonry makes men that are strong—through its obligations.
- 2. Masonry makes morals that are sacred—through the Holy Bible.
- 3. Masonry makes minds that are spiritual—through the All Seeing Eye.
- 1. Masonry makes men that are strong—through its obligations.

Masonry casts a vote for men rather than materials. The Chinese have a proverb, "You cannot carve rotten wood." The first order of Masonry is to produce men—men with spiritual minds and invincible morals. In the obligations of Masonry the twentieth century finds a spiritual bulwark. Men can see higher from the vantage point of their knees than from any other position.

Strong men are free men. Only three times in history did the enemy succeed in breaking through the great wall around China. Each time the Chinese were betrayed by their own watchmen at the gates! No system is stronger than the men in it. Totalitarianism is the resort of weakness and the lack of discipline. When men fail to strengthen themselves from within they become ruled from without.

This is the first great contribution of Masonry to combat the forces from without and the tendencies from within that threaten our moral order and political freedom.

2. Masonry makes morals that are sacred—through the Holy Bible.

During the Civil War one Confederate Patrol relieving another would ask, "How are things along the Potomac?", and the answer would come, "All is well along the Potomac." I wish that we could make that statement about the Potomac of our twentieth-century morals. I would venture to say that ninety percent of the failure today is moral! Let me share a few recent experiences: while I was visiting in a home a young child came through the room cursing and his mother carefully explained that she did not "inhibit" him; a mother whose young daughter stayed out to 4:30 a. m. felt reproved when told, "that's what young people are doing"; the dean of one of our colleges said recently his first job is to break the habit of cheating acquired in our high schools; and what city does not have its embezzlement scandals!

Character does not come by birth, neither can it be bought—
it must be built. But where is the pattern? For a Mason there is
only one answer—in the Holy Bible. In that book we have a trestleboard marked by a greater designer than Hiram of Tyre. Here are
the plain laws by which free men and Masons must square their actions. Here are defined the merciful barriers which must circumscribe their passions. Here is outlined the course and climax of
history. The editor of one of our large city newspapers said recently, "When I want to find out what is happening I read the newspapers; when I want to find out why they are happening I read
the Bible."

Masonry casts a vote for morals rather than money. Masons would prefer to use money to make men rather than men to make money. Masonry defies the slogan, "I'll sell anything—if the price is high enough." Masons practice the teaching of Scripture that man is better than a sheep.

Masonry seeks to make of Scripture a mirror. Scripture serves its true purpose not when men know it as mere history, but when they see themselves mirrored in it, and their lives corrected by it. Masonic obligation makes a great contribution to the vitalizing of the Holy Bible. In the Smithsonian Institute in Washington one can read on the wall sentences from early documents of our country. Then when you walk further and look back you don't see letters and sentences, but the face of George Washington. So Masonry seeks to raise the Holy Bible from its physical status of letters and sentences, and to translate it into life!

Without this foundation of the Holy Scriptures morality becomes based upon expediency rather than God. From within and from without the foundation of expediency is one of the basic tenets of materialism. Against that tendency in any form the Masonic Order takes a united stand.

Masonry makes minds that are spiritual—through the All-Seeing Eye.

Masonry votes for the mind versus the manual. It places censorship in the minds of men rather than in the actions of their hands. The story is told of an old mountaineer who walked into a store, and unwrapping a roll of paper, handed the jeweler the two hands of a watch with the instruction, "Fix it." The jeweler, somewhat amused, asked for the watch. In reply he was told there was nothing wrong with the watch—only the hands had stopped running. Speculative Masonry moves from the manual to the mind, from the physical to the spiritual; at which pivotal point, it seeks to determine a man's actions.

We are told that the best way to walk safely across a log over a stream is not to look down, or you will have a tendency to fall; but to center your eye on a tree on the other side, and walk across. The object on which we fashion our gaze should be God Himself. The Danish people are fond of a fable which tells of a spider who spun his web in the rafters of a barn. He grew sleek and prosperous. One day he looked at the thread leading up, and decided to clip it. When he did the whole web collapsed. So Masons know that the support which leads to the Eternal is our life line. When this is broken all of life caves in. Masonry trains men never to enter upon any great or important undertaking without first invoking the aid of deity. For Masons this life line is represented symbolically as the All Seeing Eye.

One of the most lavish theaters in the world was built in Mexico City—but never used. After its completion the foundations began to sink, and the building was condemned for public use—only tourists go through. Unless any civilization is built and stands upon men that are strong, morals that are sacred, and minds that are spiritual its very foundations will sink. The heritage which is ours is a noble and honorable one: but I call upon the Masons of North Carolina—and Masons everywhere—not to be content merely to read the pages of Masonic history, but to fashion that history in a time that desperately needs what you have to offer.

# REPORT OF THE BOARD OF DIRECTORS OF THE NORTH CAROLINA MASONIC FOUNDATION, INC.

(Docket No. 16)

The following report of the Board of Directors of The North Carolina Masonic Foundation, Incorporated, was read, entered on the record, and referred to the Committee on Finance:

To the Most Worshipful Grand Lodge of North Carolina:

The Board of Directors of The North Carolina Masonic Foundation, Incorporated, respectfully present the following report of income, disbursements, assets and liabilities of the Permanent Fund, the B. F. Moore Legacy, the Masonic Temple Construction Company, Inc., the Masonic Educational Loan Fund, and the Taylor Grant Fund, for each of which the Foundation is the Custodian, and which constitutes its entire business for the calendar year ending December 31, 1952:

#### PERMANENT FUND-1952

The attached exhibits are taken from the report of the Auditor for the calendar year 1952 and we have retained identification of the exhibits for convenience. They present fully and in detail the record of our transactions and, therefore, we use these exhibits as a part of our report.

- 1: The statement of income and expenses will be found on Exhibit "I" (Pages 1 and 2).
- 2: The inventory of investments in United States Government bonds will be found on Exhibit "J" (Pages 1, 2, 3 and 4).
- 3: The inventory of investments in corporate bonds will be found on Exhibit "K."
- 4: The inventory of investments in corporate stocks will be found on Exhibit "L" (Pages 1 and 2).
- 5: The statement of assets and liabilities will be found on Exhibit "G."  $\,$
- 6: The statement of stocks and bonds sold or called for redemption will be found on Exhibit "H."

#### B. F. MOORE LEGACY-1952

We use the exhibit of the Auditor in presenting the details of our handling of these funds, for the same reason stated above.

1: The statement of assets and liabilities, and the statement of receipts and disbursements will be found on Exhibit "M."

The principal of the account (\$1,000.00), having been delivered to the Foundation in accordance with the order of the Grand Lodge at the Annual Communication in 1948 (SEE Proceedings for 1948, page 165), was invested in one United States Government Bond, Series "G" (No. M6415375G).

We report that the income on this account in the sum of \$25.00 has been paid to Oxford Orphanage in accordance with the provisions of the will of our late Brother Bartholomew Figures Moore.

#### MASONIC TEMPLE CONSTRUCTION COMPANY, Inc.-1952

We use Exhibit "N" of the Auditor's Report to the Grand Lodge for the purpose of showing the status of the assets of the Masonic Temple Construction Company, Incorporated, the Grand Lodge having ordered at the Annual Communication in 1948 that "all monies and securities in the hands of the Masonic Temple Construction Company, Inc., be turned over to The North Carolina Masonic Foundation, Inc., for investment with other General Funds of the Grand Lodge." (SEE Proceedings for 1948, page 165). The assets indicated on Exhibit "N," being \$8,000.00 in United States Government Bonds, have been delivered to the Foundation, and the income therefrom is included in the income of the Permanent Fund of the Grand Lodge (SEE Page 1 of Exhibit "I" attached hereto).

#### MASONIC EDUCATIONAL LOAN FUND-1952

We use the exhibits of the Auditor in presenting the details of our handling of these funds, for the same reason stated above (SEE PERMANENT FUND—1952).

- 1: The inventory of assets, consisting of United States Government Bonds, will be found on Exhibit "P."
- 2: The statement of assets and liabilities of this account will be found on Exhibit "O."

We report that no income was received on this account in 1952. We also report that, in accordance with the instructions of the Grand Lodge at the Annual Communication in 1951 (SEE Pages 85 and 160 of the Proceedings for 1951), we paid to Brother C. B. Shulenberger, Chairman of the Masonic Educational Loan Fund Committee, the sum of \$68,356.70, that amount being the combined interest of the Grand Lodge, the Grand Chapter, and the Grand Commandery in the Masonic Educational Loan Fund as of the date of said payment (May 25, 1951). There remains in this account the interest of the Scottish Rite Bodies only, the same being United States Government Bonds having a maturity value of \$29,900.00 and a cash value in the amount of \$23,396.30 as of May 15, 1951.

#### GRANT FUND-1952

We use Exhibit "Q" of the Auditor's Report to show the status of this Fund, the entire amount of the same (\$554.95, the original principal in the amount of \$500.00 plus accumulated income in the amount of \$54.95) being deposited in a savings account in the Raleigh Building and Loan Association, Raleigh, N. C.

For complete information on this subject, we refer you to the reports of the Committee on Finance on Page 187 of the Proceedings for 1947, and on Page 165 of the Proceedings for 1948. Due

to the fact that the amount (\$500.00) was not delivered to the Foundation during the year 1948, the same was again set up in the budget of the Grand Lodge at the Annual Communication of 1949 (SEE Page 182 of the Proceedings for 1949), and it was delivered to and received by the Foundation during the year 1949.

We report that the income on this account in the sum of \$16.20 was added to the Fund, as has been the case with all previous income on the same.

# COMBINED STATEMENT OF ASSETS AND LIABILITIES OF

# THE NORTH CAROLINA MASONIC FOUNDATION, INCORPORATED, Custodian

A statement showing the assets and liabilities of the Permanent Fund, the B. F. Moore Legacy, the Masonic Temple Construction Company, Inc., the Masonic Educational Loan Fund, and the Grant Fund, being all of the accounts and funds administered by The North Carolina Masonic Foundation, Incorporated, will appear on a schedule attached hereto.

#### INCOME, PROFITS AND DISBURSEMENTS

We believe that the several exhibits and schedules submitted herewith show in sufficient detail the source of income and profits, and the objects of the disbursements. It will be noted, however, that total income from investments was \$27,654.90, and that net profits from sales of securities amounted to \$551.50, making a total of \$28,206.40; and that expenses amounted to \$3,963.38, leaving a net balance of \$24,243.02 from these two sources which (together with \$35,000.00 transferred from the General Fund of the Grand Lodge for investment) was added to the surplus, the total of the said surplus (of the Permanent Fund of the Grand Lodge) having been \$1,006,548.77 as of December 31, 1952.

### REPORT OF THE JUDGE ADVOCATE

(Docket No. 19)

The following report of the Judge Advocate was read, received, and entered on the record:

To the Most Worshipful Grand Lodge of North Carolina:

Your Judge Advocate respectfully submits the following report:

The present method of trials for un-Masonic conduct was adopted by this Grand Lodge at its annual communication held in April, 1948. I desire to submit at this time a resume of the activities of the Judge Advocate's office since that time.

A total of seventy cases have been docketed in the office of the Grand Secretary and forwarded to the Judge Advocate's office. These cases are accounted for as follows:

Dismissed (Dockets 34 and 67)	2
Discontinued (Docket 7)	1
Dismissed on account of insanity (Docket 47)	1
Tried and completed	53
Pending before Trial Commissions	12
On hand awaiting answer by accused	1
	_
	70

Forty-eight complaints have been made by thirty-eight lodges, and twenty-two complaints have been made by 14 individuals, against sixty-eight individual Masons, three separate complaints having been made against one brother.

An analysis of the charges contained in the complaints shows the following Masonic offenses:

-	4.11	-
1.	Alienation of affections	1
2.	Arson	1
3.	Assault on a female	1
4.	Assault with a deadly weapon	2
5.	Atheism	1
	Carnal intercourse	5
7.	Conspiracy to commit an assault	3
8.	Crime against nature	1
9.	Defaming a brother	3
	Desertion of family	6
11.	Disclosing secret ballot	1
12.	Distributing obscene literature on public streets	1
13.	Drunkenness	14
14.	Embezzlement	10
	Federal Income Tax Evasion	4
16.	Larceny	4
	Malicious damage to property	2
18.	Murder	2

19. Possessing and Transporting Liquor 20. Visiting Clandestine Lodge 21. White Slavery	1
22. Worthless Checks	1
TOTAT	68

There have been four decisions of not guilty involving two individuals. These decisions were rendered in three cases of defaming a brother Mason and one case of drunkenness. Forty-nine decisions of guilty have been rendered under which forty-three individuals have been expelled, five have been suspended and one has been reprimanded.

There are twelve cases now pending before Trial Commissions. I have been informed that three of these cases have been tried, but the files have not yet been completed and returned to this office. One case is scheduled for trial on April 23, 1953, and two cases are scheduled for trial next May. I have also been advised that four other cases will be tried in May.

Much labor, time and loving service to the Craft has been rendered by many of the brethren who have served as Trial Commissioners in the trial of these cases. They have discharged their duties in a splendid manner and this Grand Lodge is indebted to them for their unselfish services in such unpleasant matters.

The accused brother in every complaint must be notified, either in person or by mail, of the charges preferred against him. Several days and even weeks, may be saved in the handling of a case if the Judge Advocate is given the correct address of the accused at the time the papers are first delivered to him. Therefore, I recommend that consideration be given to an amendment to the Trial Code to require the complainant to include in the complaint the full and complete address of the accused, and that if the current address of the accused is not known and cannot, by the exercise of reasonable diligence be obtained, then the complaint should specify the last known mailing address of the accused as member.

Twenty-three of the cases instituted have been for Masonic offenses for which the accused has been tried, convicted and punished in the civil courts for the commission of a felony. Regulation 97-02(26) states that if the accused commits a felony under the laws of the State or of the United States, the penalty must be expulsion. In almost all of these cases certified copies of the bill of indictment, verdict of the jury (or plea) and judgment of the court has been attached to and made a part of the complaint. Under the present procedure each of these cases had to follow the same trial procedure as any other type of case, although the Trial Commission, under the law, would be required to render a decision of guilty and impose a penalty of expulsion unless the accused could show that he was not the person described in the

judgment of the court. I therefore recommend that some consideration be given to an amendment to the Trial Code that would expedite the trial of Masonic offenses based upon the commission of a felony, yet protect the rights of the accused if he is not the person described in the judgment of the civil court, or if an appeal has been taken to the judgment and has not yet been determined.

In conclusion I again recommend to the Craft, that before charges are preferred, Chapters 98 and 99 of the Trial Code and Trial Forms 1 and 2 be *studied*, and that they be *complied* with, for a *properly* drafted complaint is the first requisite of a speedy trial.

Respectfully submitted,

G. DUDLEY HUMPHREY, Judge Advocate.

# REPORT OF THE BOARD OF DIRECTORS OF THE MASONIC AND EASTERN STAR HOME OF NORTH CAROLINA, Inc.

(Docket No. 20)

The Board of Directors of the Masonic and Eastern Star Home of North Carolina, Inc., presented the following report, which was read by M. W. Brother William J. Bundy, Past Grand Master, received, entered on the record, and referred to the Committee on Finance:

To the Most Worshipful Grand Lodge of North Carolina:

In this, the 39th annual report of Masonic and Eastern Star Home of North Carolina, Inc., we wish to give you some of the outstanding items of interest during the past year.

1952 was a good year. Income was the largest in the history of the Home. The Masons and Eastern Stars are becoming more interested in the Home each year, and are supporting it generously and loyally.

The new kitchen, with all new, modern equipment, was completed and put in use in February.

Contracts were let to tear out and build four new bath rooms in the main building, from the foundation up. About half of this work has been finished, and the contractors are at work on the other half.

We are putting in new electrical circuits, and additional outlets in each bed room. This, when completed, will relieve the load on the old circuits.

Those being admitted are older, and the ones we have are growing more feeble, resulting in more and more health work every year.

We began the year with 72 guests. Thirteen were admitted, and we lost twelve by death. We ended the year with 73 in the

Home and 21 on Home Aid, a total of 94. Our average enrollment in the Home was 72.6.

During 1951 we had 6,503 days of care in the infirmary. During last year we had 8,331 days of care, an increase of more than 27%. We provide complete medical care for all guests, so far as it is humanly possible. Our family physician is on call 24 hours a day, and comes out and holds a clinic twice a week. We have one registered nurse and nine practical nurses to provide a 24-hour service.

We divided the expenses in the main building and the infirmary and have the following:

	Main Building	Infirmary
Administrative and General\$	146.53	\$ 146.53
Salaries and Wages	210.09	196.45
Groceries	319.39	319.39
Clothing and Laundry	18.70	27.60
Household Supplies	20.22	20.22
Medical, Physician and Drugs	37.96	231.26
Salaries of Nurses	30.00	440.57
Plant Operation	171.98	171.98
Per capita cost for the year\$	954.87	\$1,554.00
Per capita cost per day	2.61	4.24

You will notice that the two items listed above as "Medical, Physician and Drugs" and "Salaries and Nurses" cover the health costs of the guests per year. In the main building it was \$67.96, while the bed patients in the Infirmary cost \$671.83.

This gives you some idea of how expensive our health program is. Yet, the cost of patients in our infirmary is just about 25% of what it costs when they have to go to a hospital. During 1952 it was necessary for us to take eight of the guests to a local hospital, and the average cost per day was \$16.81. This cost is included in "Medical" listed above.

The books have been audited by Mr. R. B. Spencer, C.P.A., and show the following:

There was an increase in the Endowment Fund of \$5,350.86, making a total at the end of the year of \$77,760.27. The Permanent Fund increased \$1,396.70, making a total of \$60,349.95.

 Operating Income was as follows:
 \$ 46,920.02

 Grand Lodge and subordinate Lodges
 \$ 397.00

 York Rite and Scottish Rite Bodies
 \$ 397.00

 Grand Chapter, Order of Eastern Star
 \$ 31,161.50

 Income from Guests
 7,634.02

 Miscellaneous and Individuals
 1,164.18

Disbursements: Administrative and General\$ Direct care of Guests Fuel, Repairs, Grounds, and Buildings	_59,739.81
-	82,863.94 4,250.00

\$ 87,276.72

The average number of guests in the main building was 50, in the infirmary 26.6, and on Home Aid 22.5, a total of 95.1.

The assets of the Home increased \$24,882.00 during the year. As usual, Oasis Shrine Temple gave us \$1,000.00 and Sudan Shrine Temple \$500.00, both of which were used for the new kitchen.

The Board of Directors, the staff, and all the guests wish to express to you our most sincere thanks for your help in the past, and solicit a continuation of the same. We urge you to visit the Home as often as possible, and witness for yourself the large number of satisfied members of the Home family.

Respectfully yours,

WILLIAM M. YORK, President.

### REPORT OF THE COMMITTEE ON MASONIC AND EASTERN STAR HOME OF N. C., Inc.

(Docket No. 21)

The following report of the Committee on the Masonic and Eastern Star Home of North Carolina, Inc., was read, received, entered on the record, and referred to the Committee on Finance:

To the Most Worshipful Grand Lodge of North Carolina:

Your Committee on the Masonic and Eastern Star Home begs to report that the usual inspection visit has been recently made, in addition to others at different times, and that we found the general conditions there highly satisfactory. This is not to imply that its every need has been supplied, nor that we can rest very long on our accomplishments to date. However, it is most gratifying to note the various improvements that have been made from a physical standpoint and to witness the results of a wise and efficient administration of the affairs of this fine institution by our Superintendent, Brother George Bennette, and his able corps of assistants. Since our last report, Mrs. Winiford Roberts has replaced Miss Helen Balcomb as supervising matron and is proving a most capable and satisfactory addition to the executive staff. The general staff has been increased by three members during this year, making a total of thirty-one at the present.

During the year just closed, practically the entire interior of the first three floors of the main building has been re-painted which, together with other improvements including the replacement of four old bathrooms with four new ones tiled throughout with marble partitions, puts this building and the property of the Home generally in the best state of repair it has been for many years. We did find, however, that the flooring and tile in the hallway of the south wing of the main building is rather badly worn and should soon be replaced. The new kitchen and its equipment are a joy to observe and are meeting their intended needs most acceptably. The same can be said for the infirmary where we had 27% increase in the number of days of care over last year. This, perhaps, should serve as a criterion as well as provide as a warning for future years.

The finances of the institution have been sufficient to meet its operating costs with a small balance remaining. It is most heart-warming to note that contributions to the Home from subordinate lodges and friends for the past year were the highest in its history, they being \$30,920.02, or an increase of nearly 8% above the previous high year.

Perhaps the high light of this year's report will be the recent decision by the Board of Directors of the Home to erect on the premises a duplex residential building consisting of one four-room apartment for the use of the engineer and his family and one of eight rooms to provide off-duty accommodations for the nursing staff. This will not only furnish much more satisfactory living conditions for nurses, but it will also release additional rooms in the main building for more guests if and when needed. This fine addition to the Home will be provided on the usual pay-as-you-go basis with the funds already in hand.

We would not want to close this report without paying high tribute to the wonderfully fine, Christian Spirit that is reflected throughout the entire personnel of the Home, including especially those who are its guests. The physical plant in its present condition is a thing of which to be proud, but since it takes more than a house to make a home, it is a tremendous satisfaction to find so nearly everyone concerned so cooperative in such a friendly and Christian Spirit that it makes the entire place what it was designed for and intended to be—a comfortable and happy home for all guests who enter its portals.

Respectfully submitted,

### REPORT OF THE COMMITTEE ON OXFORD ORPHANAGE

(Docket No. 22)

The following report of the Committee on Oxford Orphanage was read, entered on the record, and referred to the Committee on Finance:

To the Most Worshipful Grand Lodge of North Carolina:

A meeting of your Committee on Oxford Orphanage was held March 7, 1953; the committee members present were: Haywood C. Porter, Gordon L. Butler, and C. Wallace Jackson.

The committee was conducted on a very impressive tour of the institution by Superintendent A. DeLeon Gray and Assistant Superintendents E. T. Regan and Maurice E. Parham. We started at the Superintendent's office and by the time the tour was completed, every form of activity engaged in at the Orphanage, both those in which the children participate and those which are purely administrative, were inspected.

One of the outstanding features of the inspection was the immaculate way and manner in which the living quarters and the food handling facilities were kept. In the living quarters the windows were clean, the floors were waxed, and the beds were spotless; the physical condition of all the buildings appeared to be excellent, and the grounds well policed. In our opinion the dairy deserves particular mention because of the oustanding system of handling the milk, and too for his care of the herd; we feel that Mr. Davis deserves particular commendation.

We were pleased to note that the York Rite Chapel has been completed and in use almost a year, not only for religious services, but its classrooms have provided facilities for needed musical instructions, and the basement auditorium has afforded a place for amateur theatricals, so dear to a child's heart. We are sure this building is filling a long-felt need.

We had the pleasure of meeting many of the House Mothers and wish to commend them on the understanding and efficient way they handle the children.

It was also our pleasure to visit the sewing rooms; there we were pleasantly surprised to find a vast amount of boys and girls clothing ready for use. The lady in charge is an expert seamstress, and under her direction some of the older girls had been working on their Easter dresses. We wonder how few Masons in North Carolina realize that there is no uniform worn by the boys and girls at Oxford; each may select apparel to suit his or her own taste from a stock which few merchants could afford to carry

We were impressed by the fact that in spite of full enrollment at the Orphanage, and the prevalence of flu in the State at the time, there were only four children in the hospital; we think this is remarkable, and deserving of comment. In conversation with our conductors, mention was made of the need of gymnasium facilities; none are presently provided at Oxford. The staff feels a modern gymnasium would add much to their physical education program.

In conclusion, your committee feels the affairs of the Orphanage are being ably administered by the Board of Directors, and commend them for their efforts together with the efficient way the Staff is carrying out their duties.

Respectfully submitted,
HAYWOOD C. PORTER, P.D.D.G.M., Chairman,
C. WALLACE JACKSON, P.M.,
GORDON L. BUTLER, P.M.,
WILLIAM L. BURKE, P.M.,
REUBEN BARNITZ, P.M.

# REPORT OF THE BOARD OF TRUSTEES OF THE DREWRY MEMORIAL GRAND SECRETARY'S FUND

(Docket No. 23)

The following report of the Board of Trustees of the Drewry Memorial Grand Secretary's Fund was read, entered on the record, and referred to the Committee on Finance:

To the Most Worshipful Grand Lodge of North Carolina:

The Board of Trustees of the Drewry Grand Secretary's Fund submits the following report:

The Annual Meeting of the Board of Trustees was held at the Hotel Charlotte in Charlotte on Monday evening, April 20, 1953, at 7:00 o'clock. Trustees present were M.'.W.'.Brother William H. White, Grand Master, Chairman; M.'.W.'.Brother Herbert C. Alexander, P.G.M., Grand Treasurer; R.'.W.'.Brother Wilbur L. McIver, Grand Secretary; and Brother Arthur W. Madison. W.'. Brother Edwin W. Yates, P.M., was prevented from being present on account of an automobile accident that occurred while he was on his way to this meeting, and we here record our sincere regrets, assure him that we are glad that he was not seriously injured, and wish for him an early and complete recovery.

The investments held by the Custodian for this Fund (Security National Bank, Greensboro, North Carolina) were reviewed by the Trustees, who voted to direct the Custodian to sell certain securities (American Woolen Preferred, Pennroad Corporation, and Pennsylvania Railroad Company), with a view to improving the quality of the securities of the Fund. Trustees Alexander and Madison were designated as the Committee to handle the reinvestment of the monies received from the sale of the above-mentioned securities.

The Trustees instructed Brothers Madison and McIver to study the will of our late Brother John C. Drewy to ascertain whether or not the Trustees have authority under the provisions of that will to change the Custodian; and, if so, the Trustees were unanimous in deciding, authorizing and instructing that the Grand Master and the Grand Secretary take such action as is necessary to terminate the agreement now in existence with the Security National Bank, Greensboro, North Carolina, as Custodian, after which the Trustees agreed to enter into an agreement designating The North Carolina Masonic Foundation, Incorporated, as the Custodian of the securities of this Fund.

As a part of our report, we attach hereto report of income received and disbursed by the Custodian (Security National Bank, Greensboro, North Carolina) for the year ending December 31, 1952; a list of the securities presently held by the Custodian for the Fund; and a review of those securities as made by the Investment Committee of the Trust Department of the Security National Bank, Greensboro, North Carolina.

We respectfully point out that income on this fund for the year ending December 31, 1952, as reported by the Custodian, amounted to \$1,802.75, which amount the Grand Secretary reports having received during the year 1952; that the commission charged by the Custodian for handling the Fund amounts to \$45.69 for the year 1952; that the actual cost of the securities presently held amounts to \$28,995.00; and that the market value of those same securities as of January 20, 1953, was \$37,657.61, according to the review made by the Custodian's Committee on Investments.

# REPORT OF THE REPRESENTATIVE TO THE MASONIC SERVICE ASSOCIATION OF THE UNITED STATES

(Docket No. 24)

The following report of M. W. Brother Thomas J. Harkins, P.G.M., Representative to the Masonic Service Association of the United States, was read and entered on the record. The recommendation that this Grand Lodge continue its membership in the Masonic Service Association of the United States for the ensuing year was adopted unanimously, and the matter of finances was referred to the Committee on Finance.

#### To The Most Worshipful Grand Lodge of North Carolina:

As the representative of the M. W. Grand Lodge of North Carolina to The Masonic Service Association, I have the honor to report that, due to circumstances over which I had no control, I was able to attend only a part of the sessions.

The report of the Executive Commission was interesting and, as usual, was presented by Ill. Brother Hubert M. Poteat, Past Grand Master. Brother Poteat has been a member of the Executive Commission for many years and he has always manifested great personal interest in the work of the Association.

An interesting program of addresses and musical selections were presented. One of the most interesting adresses was by a distinguished Mason from Germany (western zone), Ill. Brother Theodor Vogel, M. W. Grand Master of the newly organized Grand Lodge of Germany under the name of United Grand Lodge of Germany. This newly reorganized Grand Lodge operates, of course, only in the western zone of Germany, and it appears that under the Jurisdiction of this Grand Lodge Freemasonry is building and growing in that part of Germany occupied by the Allies, the United States, England and France.

The Main operations of The Masonic Service Association are carried on under two departments. The first is the General Operating Department and the second the Welfare Department. The Welfare Department carries on the system of hospital visitations throughout the several sections of the country under the local supervision of its agents or visiting secretaries. The report of the Executive Commission shows extensive operation in this department and gives in detail the number of visitations made, persons contacted, etc., by the local agents or representatives.

The Executive Commission reported that thirty-five Grand Lodges were members of the Association. During the year these Grand Lodges contributed the sum of \$47,690.00 for the general operations of the Association. An additional sum was realized

from the sale of books, etc., making a general total of \$56,125.00. The Association operated within the budget and reports a surplus of approximately \$13,000 with which to begin the new year.

Various Grand Lodges and other Masonic and affiliated Bodies contributed during the year, for the welfare work of the Association, a total of \$199,214. Approximately 80 per cent of this amount was contributed by five Grand Lodges—namely, Illinois \$49,637, Indiana \$10,000, Massachusetts \$10,000, New Hampshire \$16,000 and South Dakota \$8,500. The Grand Lodge of North Carolina, during the year, contributed \$3,000.

It should be noted that not all of the member Grand Lodges of the Association made contributions to the so-called welfare work of the Association.

Brother Carl Claudy, Executive Secretary of the Association, when the great floods occurred in Holland and other European countries, sent out an apeal to all Grand Lodges in the United States for contributions to a relief fund. Approximately \$25,000 was contributed by Grand Lodges and other Masonic organizations and affiliates, and this sum was forwarded to the Grand Lodge of The Netherlands and most appreciative acknowledgements were reported.

It is also worthy to note that Ill. Brother Harry Truman, 33°, Past Grand Master of the Grand Lodge of Missouri, is a member and Chairman of the Advisory Committee of the Association and the report of the Executive Commission carries a facsimile letter from Brother Truman commending the work of the Association.

Your representative has heretofore reported the result of a canvas made by him which indicates that the Short Talk Bulletins, issued monthly by The Masonic Service Association, are of no practical value to the Masons of this state mainly for the reason that they are not made use of by the local Lodges. Since that canvass and report, I have seen nothing to indicate any improvement in the situation.

Your representative recommends that the Grand Lodge of North Carolina continue its membership for another year in The Masonic Service Association and that it make a reasonable contribution to the so-called welfare work.

Fraternally submitted, Thos. J. Harkins, P.G.M.

# REPORT OF THE REPRESENTATIVE TO THE GEORGE WASHINGTON MASONIC NATIONAL MEMORIAL ASSOCIATION

(Docket No. 25)

The following report of M. W. Brother Thomas J. Harkins, P.G.M., Representative to the George Washing-

ton Masonic National Memorial Association, was read, entered on the record, and referred to the Committee on Finance:

To The Most Worshipful Grand Lodge of North Carolina:

As the representative of the M. W. Grand Lodge of North Carolina to The George Washington Masonic National Memorial Association, I report as follows:

The meetings of the Association were held in the Memorial Building on Shooter's Hill, Alexandria, Virginia on February 23rd.

The meeting was exceedingly well attended and a number of interesting events took place. One of the outstanding features was the unveiling of a bronze bust of M. W. Brother General Thomas J. Shryock, first president of the Association. This presentation was made by the Grand Lodge of Maryland, where Ill. Brother Shryock served continuously for thirty-four years as M. W. Grand Master. There was also presented by the Grand Lodge of Pennsylvania a white marble bust of R. W. Brother Louis A. Watres, who was the second President of the Association and who served many years in that capacity.

It was announced that the M. W. Grand Lodge of New Jersey had presented to the Memorial Association, to be placed in the Memorial Building, an organ to cost \$50,000. It is anticipated that this organ will be installed and in use at the annual meeting of the Association to take place in 1954.

Ill. Brother Clifford D. Jory of Sheldon, Iowa was reelected President of the Association and generally the Board of Directors, including our Ill. Past Grand Master, Charles P. Eldridge were continued in office with one or two changes and the members of the Executive Committee were likewise continued in that capacity.

Detailed report of the finances of the Association was not presented to the general meeting. At the open meeting on the 23rd, donations from various Grand Lodges and other Masonic Bodies and affiliated organizations were reported amounting to \$110,473.16 for the general Building Fund and the sum of \$64,551.74 was contributed to the permanent or Maintenance Fund. The permanent fund has now grown to nearly \$700,000. It is estimated that when the Building is completed it will require a permanent fund of some three or four million dollars to produce income sufficient to permanently maintain the property. It is estimated to finish the Building completely some seven or eight hundred thousand dollars, in addition to that already contributed, will be required.

The Grand Lodge of North Carolina has contributed \$87,755.60 to the Memorial Association.

There are some three or four rooms of considerable dimension which have not yet been finished but completion of the plans for these rooms is subject only to contributions which can be accumulated for that purpose. In previous reports I have estimated

that it would take a year or so to entirely complete the Building. It looks now as though it will be some two or three years yet before the Memorial is entirely finished.

Fraternally submitted, Thos. J. HARKINS, P.G.M.

## REPORT OF THE BOARD OF DIRECTORS OF THE OXFORD ORPHANAGE, INC.

(Docket No. 26)

The Board of Directors of the Oxford Orphanage, Inc., presented the following report, which was read by Brother Ben Cone, received, entered on the record, and referred to the Committee on Finance:

To The Most Worshpiful Grand Lodge of North Carolina:

The Board of Directors of Oxford Orphanage herewith submits its report to the Grand Lodge of North Carolina, which includes a detailed report of the Superintendent and the Departments of the Orphanage.

We are especially happy to realize that during this year, a greater number of Masons visited the Orphanage. We believe that their visit gave them a new insight into the work that is being done with the children and also enlarged their vision of the beauty of Masonry in action. Again we urge each Lodge to arrange a visit for its members in order to adequately portray the program of Oxford Orphanage.

The Board of Directors held its regular meetings throughout the year and administered all the affairs of the Orphanage. The Executive Committee and the Local Advisory Board in Oxford held their regular meetings and made full report to the Board of Directors.

The Board of Directors is most grateful to the Orphanage Committees in the local Masonic Lodges because of the strenuous work that was done through the Thanksgiving-Christmas solicitations for support to the Orphanage. We are especially grateful to the Grand Lodge, the various Masonic related Bodies, the Shrine Temples, and the Order of the Eastern Star for their great generosity in promoting the welfare of the Orphanage children. We are especially grateful to the York Rite Masons of North Carolina for completing the York Rite Mem-

orial Chapel which, when adequately equipped, will be an everlasting memorial of love and a continual means for the enrichment of the Orphanage children.

The Board of Directors greatly appreciated the continued support of the State of North Carolina and the approval and appropriation of the Duke Endowment.

Because of the generosity of the Masons and friends, Oxford Orphanage again operated within its budget and completed the year free of debt. During the year, we did extensive renovation and repair to the buildings and equipment, in order to continue maintaining the physical plant of Oxford Orphanage in excellent condition. We greatly feel the absence of a suitable building to provide physicial education and recreational facilities in accordance with the children's need and reiterate our hope of constructing an adequate gymnasium to satisfy this urgent need.

During the year, we again operated at capacity, enrolling children from 69 counties of North Carolina. We closed the year with 324 children in our care, of which 27 were children of Masonic parentage.

We recommend that the Grand Lodge appropriate the same amount for the support of the Orphanage for the year 1953.

Again we urge each Mason to familiarize himself with this report and to visit the Orphanage so that he may appreciate his part in the development of boys and girls.

### PRESENTATION OF STONE FROM WHITE HOUSE AND LETTER FROM PRESIDENT HARRY TRUMAN

By M.:W.:Thomas J. Harkins, P.G.M., Sovereign Grand Commander

The M. W. Grand Master recognized M. W. Brother Thomas J. Harkins, Past Grand Master of Masons in North Carolina, Sovereign Grand Commander of The Supreme Council of the Thirty-Third Degree, Ancient and Accepted Scottish Rite of Freemasonry, Southern Jurisdiction, U. S. A., who addressed the Grand Lodge as follows:

(For facsimile of the Stone and the Letter, SEE the APPENDIX to these Proceedings.)

Most Worshipful Grand Master and Brethren of the Grand Lodge of North Carolina:

I appear before you this morning as the duly designated ambassador from the Most Worshipful Grand Lodge of the District of Columbia, and as a representative of Most Worshipful Harry S. Truman, immediate past President of the United States and Past Grand Master of the Grand Lodge of Missouri. The story I have to tell is an interesting one and stirs the imagination as to what was transpiring, at the very beginning of the government of the United States, at the building of the residence for the President of the United States, the White House.

I shall not speak in detail of the great part that was played by the Masons of this country in the formation of our Republic and the adoption of its Constitution and Bill of Rights. Suffice it to say that all informed Masonic and other scholars recognize the fact that the very spirit and genius of the Fraternity were written into the Declaration of Independence, the Constitution and the American Bill of Rights by Masons, according to Masonic principles and ideals and, in some instances, in almost the identical language of our Rituals.

In this connection it should also be noted that our distinguished Brother, George Washington, while he was President of the United States and Worshipful Master of his Lodge at Alexandria, Virginia, laid the cornerstone of the Capitol building of our country which today stands as a monument to the aspirations

of those who planned our Republic, and is a source of pride to all America. Brother Washington also presided at the laying of the cornerstone of the White House, acting at the time as Grand Master pro tem of the Most Worshipful Grand Lodge of Maryland.

During the past three years the Presidential residence, the White House, underwent remodeling and rebuilding. In tearing away the foundation and walls, in various places, a large number of perfectly hewn stones were recovered, each one bearing a Masonic symbol chiseled into the stone. Most of these Masonic symbols constituted the private mark of the workman who laid that particular stone. These symbols and marks should be, and are the subjects of great interest to Masons of the Royal Arch. The stone masons engaged upon this work were obviously members of the Fraternity. Numerous stones bearing the same marks which identified the particular workmen were found. A number of these stones were placed back into the new structure, but there were enough left for one to be presented to each of the forty-nine Grand Lodges of the United States. President Truman assigned one of these stones to each of the Grand Lodges in the United States and commissioned the Most Worshipful Grand Lodge of the District of Columbia, presided over at the time by Most Worshipful Renah F. Camalier who, incidentally, is one of the three governing Commissioners of the City of Washington, to act as the President's representative in delivering one of these stones to each of the forty-nine Grand Lodges in this country. Most Worshipful Roy D. Borden, the present Grand Master of the Grand Lodge of the District of Columbia, in carrying out the commission and designation of Brother Truman, has asked me to act for him in presenting this stone to the Most Worshipful Grand Lodge of North Carolina, which I now do with the compliments of Most Worshipful Brother Truman, Most Worshipful Brother Camalier and Most Worshipful Brother Borden. Along with this stone I present also a letter addressed to the Grand Lodge from Most Worshipful Brother Harry S. Truman, while he was President of the United States, concerning this stone, and inform you that this letter is framed with wood taken from the White House structure during its recent reconstruction.

Most Worshipful Grand Master William H. White was requested to unveil the stone and the framed letter, which he did, saying:

Most Worshipful Brother Harkins, on behalf of the Most Worshipful Grand Lodge of North Carolina, as well as on my own behalf, I accept this stone and letter with the thanks and gratitude of myself as well as of the Brethren in attendance at this Session of our Grand Lodge. It was a very gracious thing on the part of President Truman to allot these stones, one to each of the Grand Lodges in the United States, and we are particularly proud of the one presented to our Grand Lodge. This stone and this letter will be faithfully preserved in the archives of the Grand Lodge of North Carolina, and I will ask you to

convey our thanks and gratitude to Ill. Brother Truman, Ill. Brother Camalier and Ill. Brother Borden for this gracious gesture of friendship and good will toward this Grand Lodge and we thank you, Brother Harkins, for the part you have played in this interesting and unforgettable event.

# REPORT OF THE COMMITTEE ON FOREIGN CORRESPONDENCE

(Docket No. 27)

The following report of the Committee on Foreign Correspondence was read, received, entered on the record, and adopted as to the recommendations on recognition of Grand Lodges only:

To The Most Worshipful Grand Lodge of North Carolina:

The Committee on Foreign Correspondence submits the following report:

In 1932 the Grand Lodge of North Carolina recognized six Grand Lodges in Brazil. The Grand Lodge of Ceara and Rio Grande do Sul were not among those six. Ceara was listed as recognized in the report of the Foreign Correspondent for 1933 and Rio Grande do Sul in that of 1938. No record exists, however, of Grand Lodge action. Since that time we have exchanged representatives with these two Grand Lodges. Investigation indicates that they are regularly constituted Grand Lodges which conform to our standards of recognition. I therefore recommend that their position be made clear and regular by formal recognition by this Grand Lodge.

The newly-formed Grand Lodge of Piaui in Brazil requested recognition last year too late for investigation. This is a small but apparently enthusiastic Grand Lodge. They submitted to another Foreign Correspondent a clear and adequate statement of principles prepared and signed by the Grand Master and then passed around and signed by all the Masters of the subordinate lodges except two. This paper I saw. I therefore recommend that this Grand Lodge do recognize the Grand Lodges of Ceara, Rio Grande do Sol, and Piaui in Brazil and enter into and maintain full Masonic relations with them.

Respectfully submitted,
WALLACE E. CALDWELL, Chairman.

# REPORT OF THE COMMITTEE ON CHARTERS AND DISPENSATIONS

(Docket No. 28)

The following report of the Committee on Charters and Dispensations was read and adopted:

To The Most Worshipful Grand Lodge of North Carolina:

This Committee held a meeting April 21, 1953, considered the facts, and recommended that Ashler Lodge No. 373 be granted

a duplicate Charter due to same having been destroyed by fire on February 25, 1953.

After careful consideration, the committee recommends that the request of Reidsville Lodge No. 384 to change its name to Jefferson Penn Lodge No. 384 be granted.

The Grand Secretary has reported to us the receipt of a request for a duplicate Charter for State Line Lodge No. 375, the said lodge having lost its lodge hall and the contents thereof in a fire; however, it does not appear that State Line Lodge No. 375 has filed a proper and formal application for a duplicate charter. Therefore, we recommend that the incoming Grand Master issue a dispensation to enable it to continue its labors until the next (1954) Annual Communication of this Grand Lodge, in order that the said lodge may at that time present its formal petition for a duplicate Charter.

Respectfully submitted,

D. ERNEST BULLUCK, P.M., Chairman, CHARLES P. SEPARK, P.M.
R. POSEY JONES, P.M.
WILLIAM B. BURROUGHS, P.M.

#### REPORT OF THE GRAND HISTORIAN

(Docket No. 29)

The following report of the Grand Historian was read and entered on the record:

To The Most Worshipful Grand Lodge of North Carolina:

We are more engaged today in making history than in writing history, but we should not neglect the careful keeping of records and the preservation of material that contributes to understanding and appreciation of the Fraternity.

There are evidences of interest, such as lodge histories that come under review and museum collections in several communities.

The great Washington anniversary celebration has shown what a contribution history can make. We have to thank the keepers of the original records and the historians who have gone back over forgotten paths to assemble and fit together the various parts that have made the story ready for telling.

These recommendations are offered:

- 1. Encouragement to individual lodges to preserve well their records and to take due notice of significant events and important characters.
- 2. Appointment by the Grand Lodge of a committee on history to examine our records and consider advisability of preparing a review.
- 3. Consideration of publishing papers of historical interest, such as a reprint of the excellent study "North Carolina Masons

in the American Revolution," such papers to be provided for general distribution.

Respectfully submitted,
DOUGLAS L. RIGHTS, Grand Historian

## REPORT OF THE COMMITTEE ON MASONIC EDUCATIONAL LOAN FUND

(Docket No. 30)

The following report of the Committee on Masonic Educational Loan Fund was read, received, and entered on the record:

To The Most Worshipful Grand Lodge of North Carolina:

During 1951, the Grand Lodge, the Grand Chapter and the Grand Commandery requested that their several shares of the Masonic Educational Loan Fund be returned to them. Accordingly, your Committee liquidated a sufficient amount of the U. S. Savings Bonds held for its account by The North Carolina Masonic Foundation, Inc., and returned their proportionate shares to those requesting it.

A full account of the cash value of the Fund, the shares of each participating body, the bonds liquidated and the bonds retained, was shown in our report to you in April 1952. There has been no change in the situation since that report was made. The bonds retained, representing the share of the Scottish Rite, are held by The North Carolina Masonic Foundation, Inc., for the Committee's account and are shown in separate schedule of the audit of the Foundation.

Your Committee will hold these bonds until it receives further instructions from this Grand Lodge or the Scottish Rite.

Respectfully submitted,

C. B. SHULENBERGER, P.M., Chairman THOMAS J. HARKINS, P.G.M.

### REPORT OF THE GRAND LECTURER

(Docket No. 31)

The Grand Lecturer presented the following report, which was read, entered on the record, and referred to the Board of Custodians:

To The Most Worshipful Grand Lodge of North Carolina:

My report is for the twelve months from April 1, 1952, to March 31, 1953. Seventy-six Schools of Instruction were held in 34 Districts as follows: District No. 3, two Schools; No. 4, two; No. 4A, two; No. 5, one; No. 7, one; No. 10, three; No. 11, two; No. 12, two; No. 13, six; No. 14, one; No. 16, two; No. 17, three; No. 18, two; No. 19, one; No. 20, one; No. 22, one; No. 23, two; No. 24, two; No. 25, three; No. 26, five; No. 27, three; No. 28, one; No. 29, four; No. 30, one; No. 31, two; No. 33, one; No. 34, one; No. 37, one; No. 38, one; No. 39, seven; No. 40, five; No. 42, two; No. 43, one; No. 44, two. No Schools of Instruction were held in the following nine Districts: No. 1, No. 2, No. 6, No. 8, No. 9, No. 15, No. 21, No. 36, No. 41. I am disappointed that the District Deputy Grand Lecturers and District Deputy Grand Masters in these nine Masonic Districts did not hold any Schools, but it is enheartening that 34 Districts had Schools, an increase of Six Districts over last year. The brethren are enthusiastic in their praise of the good which these Schools are doing for Masonry, particularly for ritualistic proficiency of the lodge officers.

The report of the Board of Custodians will give full data on the Lecture Service rendered the lodges and the number of brethren who were examined and who qualified as Certified Lecturers and Certified Instructors. However, I wish to point out that there are still 59 lodges delinquent in the Lecture Service. With 280 Certified Lecturers in the State it is hard for me to see any reason why any of the lodges neglect to avail themselves of their services.

My heart is full of gratitude to the Masons of North Carolina who have been so kind and helpful to me during my two years as Grand Lecturer. My warmest thanks go to the Board of Custodians, the Grand Lodge Officers, District Deputy Grand Masters, District Deputy Grand Lecturers, and those Masons throughout North Carolina who so readily helped in every way

they were called upon. These two years shall stand out in my memory as two of the most enjoyable in my life. I wish for my successor an equally happy experience. May ritualistic proficiency under his leadership become a reality in every lodge in North Carolina.

Respectfully submitted,
ARNOLD W. KINCAID, Grand Lecturer

## REPORT OF SPECIAL COMMITTEE ON MASONIC CEREMONIES

(Docket No. 33)

The following report of the Special Committee on Masonic Ceremonies was read and unanimously adopted:

To The Most Worshipful Grand Lodge of North Carolina:

The Committe on Masonic Ceremonies met in the Masonic Temple, Charlotte, North Carolina, April 22nd, 1953, at four p.m., for the purpose of considering suggested changes to the various Masonic ceremonies. Only one change was received, and it related to the Ceremony of Installation. This suggested change was approved, but it was deemed wise to defer any consideration of republishing the Ceremony until a sufficient number of changes had been approved to make such a re-publication economically justifiable.

The suggested change in the Ceremony of Installation is herewith included that it might become a part of the minutes and therewith sent to each of the lodges with the request that the Master instruct each owner of a copy of "Masonic Ceremonies" to insert the change in the proper place. The changes are as follows:

On bottom of Page 30, after the word "office." add: "Brother Marshal, you will conduct the Treasurer to his station."

On Page 31, near the bottom of the page, after the word "brethren." add: "Brother Marshal, you will conduct the Secretary to his station."

On Page 32, near the center of the page, after the word: "attention." add: "Brother Marshal, you will conduct the Senior Deacon to his place."

On Page 33, near the center of the page, and after the word "attention." add: "Brother Marshal, conduct the Junior Deacon to his place."

On Page 33, at the bottom of the page, and after the word

"lodge." add: "Brother Marshal, conduct the Stewards to their places in the lodge."

On Page 34, at the bottom of the page, and after the word "institution." add: "Brother Marshal, conduct the Tyler to his place without the door."

Respectfully submitted,

### REPORT OF COMMITTEE ON APPEALS

(Docket No. 34)

The Committee on Appeals presented the following report, which was read, and upon motion, duly seconded, was adopted in sections and then unanimously adopted as a whole:

To The Most Worshipful Grand Lodge of North Carolina:

The Committee on Appeals respectfully submits the following report:

1. We have reviewed the record in all cases which have been completed since the Annual Communication in 1952, and now pending before the Committee, in all of which the punishment imposed was expulsion, and in none of which the accused appealed from the decision of the Trial Commission. We directed our attention to the validity of the appointment of Trial Commissioners, the service of notices upon the accused, the competency and weight of the evidence presented at the trial, and the decision of the Commission, all in accordance with the Regulations of this Grand Lodge as contained in Chapters 98 to 106, inclusive, of THE CODE of 1948. Your Committee approves the decision of the Trial Commission in each of the following cases, and recommends that the judgment of the Trial Commission in each case be affirmed by the Grand Lodge:

against a Master Mason of Fair Bluff Lodge No. 190, A. F. & A. M. Expelled February 18, 1953.

TRIAL DOCKET NO. 60: In the matter of charges preferred against a Fellow Craft of Temple Lodge No. 676, A. F. & A. M. Expelled Februray 16, 1953.

TRIAL DOCKET NO. 62: In the matter of charges preferred against a Master Mason of Pythagoras Lodge No. 249.

Expelled January 28, 1953.

2. Your Committee has reviewed the entire record in the following cases in which appeals or purported appeals have been taken:

TRIAL DOCKET NO. 11: In the matter of charges preferred against a Master Mason of Mount Hermon Lodge No. 118, A. F. & A. M. The decision of the Trial Commission in this case resulted in expulsion on April 12, 1950. Thereafter the accused was notified as required by THE CODE on September 5, 1952. The purported appeal in this case was taken by one who was neither the accused nor the complainant and was filed after the elapse of 45 days from date of notification to both the complainant and the lodge of which the accused was a member. Your Committee, however, has carefully reviewed the record and the decision of the Trial Commission in this case and recommends that the judgment of expulsion rendered by the Trial Commission be affirmed by the Grand Lodge.

TRIAL DOCKET NO. 23: In the matter of charges preferred against a Fellow Craft of Currituck Lodge No. 463, A. F. & A. M. This trial resulted in the explusion of the accused on March 7, 1952. Thereafter and within the time prescribed by THE TRIAL CODE the accused appealed. An examination of the record in the case indicates that the trial was not conducted in accordance with THE TRIAL CODE, and this fact is admitted by both the Chairman of the Trial Commission and the Judge Advocate. We recommend that the judgment of the Trial Commission be vacated and that a new trial be ordered in the case.

TRIAL DOCKET NO. 29: In the matter of charges preferred against a Master Mason of Wilmington Lodge N. 319, A. F. & A. M. The decision of the Trial Commission finds the accused guilty of the offense and imposes a penalty of suspension on January 26, 1953. Thereafter, and within the time prescribed by THE CODE, one of the complainants appealed. The complainant so appealing admitted error in a portion of the decision of the Trial Commission wherein the accused was taxed with the costs of the trial, but contended that the penalty imposed was not sufficient under the facts and circumstances disclosed in the evidence. After a careful review of the record your Committee is of the opinion that the portion of the judgment prescribing the penalty of suspension should be affirmed and so recommends to the Grand Lodge. We are of the opinion, however, that the Commission exceeded its authority in taxing the costs of the trial against the accused for

the reason that nothing appears in the record to indicate that the accused was either dilatory or noncooperative in any respect. For that reason, we recommend that the portion of the decision of the Trial Commission taxing the costs of the trial against the accused be reversed and that the decision of the Trial Commission be modified to such extent.

3. Your Committee has reviewed the record in the following trial dockets in which the Judge Adovate entered his order dismissing the complaints:

TRIAL DOCKET NO. 47: In the matter of charges preferred against an Entered Apprentice of Numa F. Reid Lodge No. 344, A. F. & A. M. In this case the Judge Advocate entered his order dismissing the complaint for that it appears as a matter of public record that the accused is non compos mentis and was officially adjudicated insane at both the time of his initiation and the time that charges were filed against him. We recommend that the order dismissing the complaint be approved.

TRIAL DOCKET NO. 67: In the matter of charges preferred against a Master Mason of Temple Lodge No. 676, A. F. & A. M. In this case the Judge Advocate entered his order dismissing the complaint on February 28, 1953, for that the complaint did not charge a Masonic offense under THE CODE OF 1948. Your Committee has carefully reviewed the complaint and is of the opinion that such complaint does not charge a Masonic offense. We, therefore, recommend that the order dismissing the complaint be approved.

4. Your Committee has carefully considered the matter referred to it by the Grand Master relating to the citation to the North Carolina Lodge of Research No. 666, A. F. & A. M., to show cause why the Charter of that lodge should not be revoked because of apparent violations of provisions of THE CODE of 1948. These violations are set forth in detail in the report of the Grand Master at this Annual Communication. It appears to your Committee that these violations stem from the failure of the lodge to properly amend its By-Laws on December 13, 1932. After careful consideration, we recommend that the Grand Lodge grant an extension to the North Carolina Lodge of Research to the next Annual Communication of the Grand Lodge in order that such lodge may remove the disability and rehabilitate itself. (57-01).

Respectfully submitted,

LUTHER T. HARTSELL, JR., P. G. M., Chairman, C. B. SHULENBERGER, P. M., FRED C. KINZIE, P. M., PAUL J. STORY, P. M.

No change has been made in the duties prescribed for a District Deputy Grand Lecturer as found on page 159 of the Proceedings of 1950.

The Grand Master did not recommend any change in the program relating to the Grand Masters Award.

The Grand Lecturer was requested to continue to promote schools of instruction on as large a program as possible and also to have the lodges obtain lecture service if they have not been lectured within two years.

II. On September 12 and 13, 1952, a special meeting of the Board was held in Wilmington. All members were present except W. William H. Hardy, P.M., C.L.

The Grand Lecturer reported that there was a vacancy in District Deputy Grand Lecturers for the First and Second Districts and the Thirtieth District. He recommended Brother Willie P. Goodwin, C.L., for the District 1 and 2, and had no recommendation for District 30. The Board approved his recommendation under Reg. 35-08(2).

The Grand Lecturer also reported that his investigation indicated that 88 lodges had not been lectured within two years and that he was working on these cases and hoped to have them all lectured before the close of the year.

The Grand Lecturer reported that schools of instruction are increasing in number and interest.

At this meeting, the Board considered the program for proficiency examination at this Grand Lodge; also the program for exemplification of the Third Degree.

III. On January 10, 1953, a special meeting of the Board was held in the Masonic Temple, Charlotte, N. C. All members of the Board were present, except W. James G. Johnston, P.M., C.L., Grand Steward.

The Board received and considered an interim report from the Grand Lecturer.

The Grand Lecturer reported the death of Brother Samuel D. Harrell, District Deputy Grand Lecturer of the Twenty-first District on November 14, 1952, and that he had not filled the vacancy.

He also reported that the schools of instruction were being held all over the State and that a very good response had been made to our efforts in that matter.

The Board adopted the following resolution:

"It is the desire of the Board of Custodians that exemplification of Degrees at the annual communication of the Grand Lodge be done altogether by Certified Lecturers if possible."

The Board unanimously adopted the following rule for the government of the Lecture Service, and we recommend that the Grand Lodge approve the same:

\*"In all cases in the ritualistic work where the Official Standard of the Work is silent as to any action in floor work, or other work, no Certified Lecturer or Certified Instructor, or any brother, shall be authorized to insist that his idea of the subject is positively the only way to do that particular thing; he may state 'his opinion,' but he is not authorized to insist that his way is the only way to do such work."

IV. The Board held a meeting Friday, March 13, 1953, at the Masonic Temple at Charlotte. All members of the Board were present and we had the pleasure of the presence of R. W. Edwin T. Howard, Deputy Grand Master, and R. W. Charles H. Pugh, Junior Grand Warden.

The Grand Lecturer reported that a great majority of the District Deputy Grand Lecturers report a considerable improvement in Ritualistic Work and that the schools of instruction that had been held were highly commended.

The District Deputy Grand Lecturers almost without exception have worked in close co-operation with the District Deputy Grand Masters.

At this meeting the Board approved the detail plans for proficiency examination at this Grand Lodge.

\* This recommendation was approved.

V. The Board held a meeting Monday, April 20, 1953, at the Masonic Temple in Charlotte and also on each day of this annual communication. All members of the Board were present.

#### OFFICIAL STANDARD OF THE WORK

Immediately following the Grand Lodge in 1952, the Official Standard of the Work was revised to include all amendments made thereto by the Grand Lodge up to that time and 5000 copies were printed and they were delivered to the Grand Secretary during July, 1952.

#### PROFICIENCY EXAMINATIONS

An examination for Proficiency in the Ritualistic Work was held at Goldsboro, N. C., May 28, 1952, at which time 21 brethren were examined and all of them passed the test satisfactorily. Of these, 11 were new applicants; 9 were re-examined, and 1 raised his Certificate from Class "B" to Class "A". Of the 21, there were 19 Class "A" and 2 Class "B".

An examination for proficiency in the Ritualistic Work was held April 20, 1953, in the Masonic Temple, Charlotte, at which time 46 were examined; 45 passed; 43 of which were Certified Lecturers, Class "A" and 2 Class "B"; 18 were re-examined; 27 were new candidates, and no one raised his certificate from Class "B" to Class "A".

We lost three Certified Lecturers by death since our last report, and the Certificates of 15 have expired; their names appear hereafter in this report.

#### MASONIC EDUCATION

The Grand Master during the past year emphasized the advantages of the Lodge System of Masonic Education in all of his District meetings and his other visitations.

The reports received by us indicate that the Lodge System of Masonic Education is receiving more attention by our lodges. A larger number of them are now using that program.

We called this subject to your attention in our report of 1951, and we again repeat and emphasize what we reported at that time. See page 165 of the Annual Proceedings of 1951 for the report.

For the purpose of carrying out our previous recommendation, we present the following resolution and recommend that it be adopted:

\* BE IT RESOLVED: That the Lodge System of Masonic Education approved by the Grand Lodge in 1935 (Pro. 1935, Pages 32 and 86) and again in 1949 (Pro. 1949, page 197), be continued and that each Lodge be requested to put that plan in operation promptly.

We do not recommend that this program be made mandatory at this time. We hope that our lodges will see the value of it and put it in operation without making it mandatory.

As a part of the educational program and to promote the program of the Grand Master on these subjects, the Board approved the following:

- 1. To have reprinted 5000 copies of the Lodge System of Masonic Education, and to distribute five copies free to each Lodge, to be sent to its Master; one free copy to each Grand Lodge line officer; Certified Lecturer; Certified Instructor; District Deputy Grand Master; and District Deputy Grand Lecturer, with an urgent request from the Grand Master that these books be used regularly in the lodges. This was completed in the early part of 1953.
- 2. To purchase and distribute free to each lodge; each Grand Lodge line officer; Past Grand Master; the District Deputy Grand Master; and District Deputy Grand Lecturer; and each member of our Board, one copy of the material prepared by the Masonic Service Association in connection with the celebration of the Two-hundredth Anniversary of the Initiation of George Washington as an Entered Apprentice. This was completed in 1952.

#### LODGES LECTURED IN 1952

The record furnished by our Grand Secretary indicates that 139 lodges were lectured for which the Grand Lodge allowed compensation. No lodges were lectured for which the Grand Lodge did not allow compensation, making a total of 139 lodges actually lectured. Five lodges were excused during 1952 making a total of 144 cleared during 1952 as being satisfactory in their Ritualistic Work. We report that 69 Certified Lecturers took part in lecturing lodges during 1952.

#### MISCELLANEOUS

No lodge applied for permission to use robes in conferring degrees since our last report in 1952.

The applications from the following lodges to be excused from Lecture Service as required in Regulation 35-09 having been properly investigated, were each approved.

<sup>\*</sup> This resolution was adopted.

HendersonNo.	229—Expires July 9, 1953
ExcelsiorNo.	261—Expires June 30, 1953
FarmvilleNo.	517—Expires December 5, 1953
JoppaNo.	530—Expires December 16, 1953
TempleNo.	676—Expires July 14, 1953

(All applications filed before April 20, 1953, are included in the above tabulation).

We sincerely regret that Brother Arnold W. Kincaid, P.M., C.L., is unable to continue as Grand Lecturer because of the demands of his business. We appreciate his fine contribution to the Lecture Service for the past several years and we look forward to his assistance as he may find time in the future.

#### IN MEMORIAM

It is with profound sorrow that we record here the death of three of our most efficient and interested Certified Lecturers. Each of them gave freely of his time for the promotion of the Lecture Service. We shall miss their friendly counsel and unselfish service:

Howard Price Dix, C.L. Samuel D. Harrell, C.L. Rester Epton Ruppe, C.L. Died February 1, 1953 Died November 14, 1952 Died September 21, 1952

#### COMPENSATION FOR LECTURE SERVICE

We recommend the adoption of the following resolution authorizing the reimbursement to the subordinate lodges for compensation for Lecture Service paid out by them:

\*BE IT RESOLVED, That the Grand Lodge continue to reimburse subordinate lodges for the compensation for lecture service paid out by them (but not including the expenses of the lecturers), on such basis of compensation as may be determined by the Board of Custodians under the provisions of Regulation 35-08 (3a, b), 20-05(5).

\* This resolution was adopted.

#### NOMINATION OF GRAND LECTURER

As provided in Regulations 20-05(2) and 35-06(1), the Board unanimously nominated Brother Cortez Lowery, C.L., for Grand Lecturer, and this nomination has been laid before the Grand Master for his consideration.

Respectfully submitted,

### REPORT OF THE COMMITTEE ON MASONIC JURISPRUDENCE

(Docket No. 36)

The Committee on Masonic Jurisprudence made the following report, which was read and each item and subdivision was adopted separately by more than two-thirds of the votes cast, then the report as a whole was adopted by unanimous vote:

To the Most Worshipful Grand Lodge of North Carolina:

Your Committee on Masonic Jurisprudence respectfully submits the following report. For convenient reference we use the same subjects, titles, and subdivisions of the Address of the Grand Master as used by him, or the Docket number as used in any report, or other document submitted for our consideration and action in all of our references to those matters and subjects.

#### ONE STORY LODGE BUILDING

ITEM I. We recommend that the Grand Lodge approve the action of the Grand Master as reported by him under this title.

#### RECOMMENDATIONS

- ITEM II. We recommend that the Grand Lodge approve the following recommendations of the Grand Master as set out in his address:
- 1. That the Grand Lodge require all invitations to the Grand Lodge for a meeeting place to hold our Annual Communication, be extended through the Grand Secretary, prior to the January meeting of the Board of General Purposes, and that the Board investigate the facilities as to meeting place, housing accommodations, etc., and that the Board make a recommendation to the Grand Lodge.
- 2. That the Code Commission of this Grand Lodge be authorized, requested, and directed to compile, as soon as possible, the necessary material for Volume III of "A DIGEST OF THE MASONIC LAW OF NORTH CAROLINA, 1926-1953"; to have the said Volume III of the DIGEST printed for distribution and sale through the office of the Grand Secretary; and to include in said Volume III, a general index to all three volumes of the DIGEST, as well as annotations to THE CODE of 1948.

#### WAIVER OF JURISDICTION

ITEM III. In his address last year, Grand Master Foy recommended that waiver of jurisdiction be discontinued and that Regulation 47-07 as originally proposed in 1948 be again presented to the Grand Lodge for adoption. His report on this subject is found in the Proceedings of 1952, pages 45 and 46. In the report of the

Committee on Masonic Jurisprudence last year under Item III on page 156 of the Proceedings of 1952, this subject was held over to this annual communication for further consideration.

We have carefully considered the subject and we recommend that no action be taken at this time to discontinue waiver of jurisdiction.

It is entirely possible that the few problems that have arisen in connection with this subject will be solved without the necessity for a change in the present law.

#### DISPENSATIONS GRANTED

ITEM IV. We recommend that the Grand Lodge approve the action of the Grand Master as reported by him under this title.

#### DISPENSATIONS DENIED

ITEM V. We recommend that the Grand Lodge approve the action of the Grand Master as reported by him under this title.

## LODGES DELINQUENT IN FILING ANNUAL RETURN AND REMITTANCE UNDER REG. 53-08

ITEM VI. We recommend that the Grand Lodge approve the action of the Grand Master as reported by him under this title.

#### OFFICIAL OPINIONS

ITEM VII. We recommend that the Grand Lodge approve each of the Offical Opinions of the Grand Master as reported by him under this title.

#### ORDERS

ITEM VIII. We recommend that the Grand Lodge approve the action of the Grand Master as reported by him under this title.

#### **MISCELLANEOUS**

ITEM IX. In his report made in 1952, which may be found in the Proceedings of 1952 at page 119-120, the Judge Advocate suggested that the Trial Code be amended in order to give the Judge Advocate the power to replace Trial Commissioners who failed or refused to act and in the report of the Committee on Masonic Jurisprudence last year, which may be found in the Proceedings of 1952 at page 157 under Item XIII, the Committee recommended that action on this subject be deferred until this annual communication.

We have given this matter further consideration and we believe that the Judge Advocate has the necessary authority under the law to remove a Trial Commissioner who fails or refuses to act.

The Grand Master this year issued an Official Opinion on this subject which clarifies the law and if our report is approved and adopted by the Grand Lodge, his Offical Opinion on this subject will be a sufficient declaration of the power and authority of the Judge Advocate to remove any Trial Commissioner who fails or refuses to act.

# INSTALLATION REMARKS OF M.:.W.:.BROTHER EDWIN TURLINGTON HOWARD

Grand Master of Masons in North Carolina

(Docket No. 40)

THE GRAND MASTER: Brethren of the Grand Lodge of North Carolina:

It is with a sense of deep humility and profound incapacity that I assume the responsibility which in the past has been met so ably by the Great Men of Masonry, of Statecraft and of Business; whose voices, many of which are no more to be heard in our earthly temple, have brought to the Masons of North Carolina profound philosophy, great learning, wise counsel and inspiring challenge.

I would not, however, be honest if I did not appreciate the honor which you, my Brethren, have done me and my lodge today. You have bestowed on me the highest honor that is in your power to confer.

If it is oratory, however, which is expected, I shall disappoint you, for I am no orator. If it is eloquence which you require, I shall fail, for I have none of the gifts of eloquence. However, I enter upon my work as Grand Master with the hope and belief that the

Fraternity will be successful in all of its worthwhile undertakings. I shall strive unceasingly to uphold and maintain the dignity, honor, tradition and usages of our Fraternity. I shall keep Faith with you.

I desire, through a deep sense of appreciation, to give public utterance to my great debt of gratitude which I owe to our mutual friend and Brother, the late M. W. Clyde H. Jarrett, who approximately eight years ago, appointed me Grand Steward of this Grand Lodge. I shall keep Faith with him.

Finally, I covet only the right and privilege to serve the great cause we represent and to which we are all devoted. With this aim and conviction, I ask only the privilege of working hand in hand with you in the task that is necessary to be done, and to which we are committed, in the ensuing Masonic year.

# PAST GRAND MASTER'S JEWEL PRESENTED TO PAST GRAND MASTER WHITE

A Past Grand Master's Jewel was presented to M.: W.:Brother William Henry White, Past Grand Master, by M.:W.:Brother Luther T. Hartsell, Jr., Past Grand Master.

# LETTER OF RESIGNATION OF W. BROTHER EMERY BYRD DENNY,

Grand Marshal
(Docket No. 41)

M.'.W.'.Brother Edwin T. Howard, Grand Master of Masons in North Carolina, announced that W.'.Brother Emery B. Denny, Grand Marshal, had advised him that on account of the increase in his work as a member of the Supreme Court of North Carolina, he had come to the conclusion that it would be a physical impossibility for him to carry on his work satisfactorily as a member of the Supreme Court and at the same time give to the Grand Lodge of North Carolina the time and attention required of a Grand Master, should he be elected in due time to that high office, and requested that he not be appointed to any further position in the line of Grand Lodge Officers.

### RE: PROGRAM COMMEMORATING THE TWO HUNDREDTH ANNIVERSARY OF GEORGE WASHINGTON BECOMING AN ENTERED APPRENTICE

On August 20, 1952, I mailed you a portfolio containing a suggested program and other information to be used in commettion with the celebration of the above-captioned event. In my letter accompanying that portfolio I requested you to hold your celebration on THESDAY, NOVEMBER 4. 1952, at either a stated or emergent communication, but on that date.

I have received many messages, all of them indicating that the brethren are enthused about, and desire to cooperate in the celebration of, this custameding event; however, so many problems have arisen, and I have been asked so many questions about possible changes as to date, etc., that I have decided to revise and breaded any original request in the following respects;

- 1. You are requested to held your celebration between OCTOBER 15 and MOVEMBER 15; that is, not earlier than October 15, 1922, and not later than November 15, 1932, except Sundays. If possible, however, the celebration should be held on the anniversary date, MOVEMBER 4, 1932.
- The celebration may be held either as a district-wide, or as an individual lodge, project, depending on the wither of each lodge, and your District Deputy Grand Master is being requested to cooperate with you in this connection.
- It is aptional with your lodge as to whether or not your celebration be held in a tyled lodge (at either stated or emergent communication) or as no agent cesting.
- 4. It is also optional with your lodge as to whether or not others than Master Masons are to be invited to attend your celebratics, in the event you elset to have an open (public) meeting.
- 5. It is not permissible to hold a joint communication of lodges; herever, two or more ledges may open in their ewn ledge halls, call from labor to refreshment, go to the hall of the lodge holding the celebration, return to their own lodge halls after the pregram, call from refreshment to labor, include in the cinutes the doings while at refreshment, and then close the said lodge or lodges; provided, that the lodge must be closed on the same day it is spened except as provided in Regulation 51-20. Lodges having concurrent jurisdiction may follow the same procedure, opening all such lodges, calling all one all except to provide the same procedure, opening all such lodges, calling all one all except to the same procedure, opening all such lodges, calling all one all except to the same procedure, opening all the same procedure, include in the simules the doings while at refreshment, all lodges then to be closed individually.
- If your lodge is not opened on the night of your celebration, you are
  requested to see that a complete record of the celebration in which your
  lodge participated is included in the minutes for the next sinted communication of your lodge.
- 7. A copy of this letter is being mailed to your District Deputy Grand Master. If you have any problems in commection with your plans for this event, you are requested to seek the advice and assistance of your District Deputy Grand Master. I am sure he will be glad to help you.

I again request that you send me, before October 10, a copy of your program and a report on the progress you have made up to that time, and after you have held your meeting, I shall expect a short report showing the attendance and the interest taken by those prosent.

On August 20, 1952, I mailed you a portfolio containing a suggested program to be used by the lodges in your District in connection with the celebration of the above-captioned event. Enclosed with that portfolio was a letter requesting that the celebration be held on TUESDAY, NOVEMBER 4, 1952, the anniversary date; however, I now suclose herewith a copy of a letter which I have today mailed to the Master of each of your lodges, in which letter I have revised and broadened my original request in several respects. For details, please read carefully the enclosed letter.

If the celebration of this outstanding event is to be a success, I must have your full and active cooperation with each and every one of the lodges in your District. I am requesting the Master of each of your lodges to seek your advice and assistance in connection with any problems which may confront him. It will be impossible for me to handle personally the many problems that will probably develop in connection with this program, and I am counting on your cooperation for the develop good of Masonry.

I request that you send me, on or before October 15, a report on the progress made in your District up to that time, and after all of the meetings have been held in your District. March 4, 1953,

TO THE MASTER OF EACH SUBORDINATE LODGE A. F. & A. M. IN NORTH CAROLINA:

RE: THE LODGE SYSTEM OF MASONIC EDUCATION (Approved by the Grand Lodge since 1935)

Brothren:

You will find enclosed with this letter five (5) copies of the new edition of the lectures known as The Lodge System of Masonic Education which are sent to you as Master of your lodge without cost, to be used by the lodge as sot out on pages 1-10 of the booklet. Those books are the property of your lodge, and I especially urge you to see that they are used regularly by way of instructing candidates in the degrees, and slos from time to time, a lecture or two be read to the members of the lodge for their advancement in Masonic knowledge.

The lectures were first introduced in our Grand Jurisdiction in 1935, and every lodge that has used them consistently and regularly has found them to be of real value. They contain information that the average Mason would not obtain in many years of personal research and reading, and they cost nothing to either the lodge or the individual Mason.

It is my desire that every lodge in the State use these lectures as provided in the program contained on the pages mentioned above, and to faithfully try to make a good job of this educational effort, which can result only in a better working knowledge of Masonry on the part of those who hear the lectures.

These booklets are being sent to you because the Master is the one who has to set the Craft to work on this job; therefore we must look to you for the success or the failure of the program in your lodge.

Call a meeting of your Committee on Masonic Education; let them select such assistants as they may need; go over the program with those who are to do the work; see that those you appoint really function. It is not necessary nor particularly desirable that the lectures be memorized, but it is necessary that they be intelligently read, if they are read.

I believe this program to be sufficiently important to Masonry in North Carolina for me to urgo and insist that you give it your lemediate attention if your lodge is not already using the lectures.

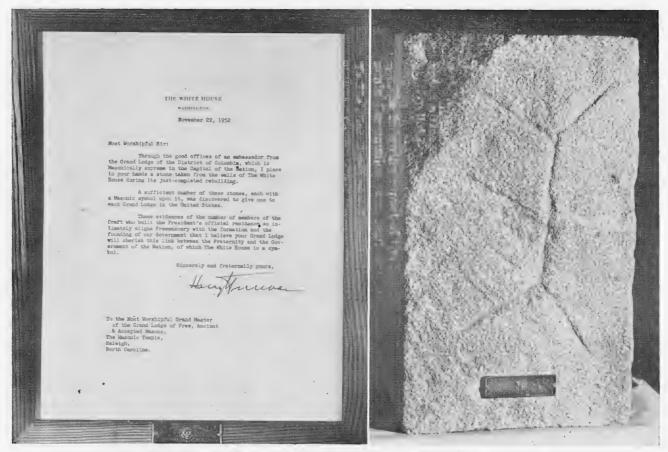

With kind regards and my very best wishes, I am

Sincerely and fraternally yours,

W. H. White Grand Master

## RULES FOR GOVERNING THE OFFICIAL STAND-ARD OF THE WORK AND THE VOCABULARY

(In Effect June 8, 1951)

The Official Standard of the Work and the Vocabulary adopted by the Grand Lodge in April, 1942, are to be distributed under the following rules made by the Board of Custodians, pursuant to Regulation 30-08, as adopted in 1948, and as amended in 1951.

(Promulgated by the Board of Custodians, at Charlotte, N. C., June 8, 1951).

- RULE 1. The Grand Secretary shall be the Custodian of all un-issued copies of the Official Standard of the Work and the Vocabulary, and shall issue them only upon proper written application. He shall provide all forms of application, receipts and other documents necessary to account for the same, and shall keep a record of all copies issued, and to whom issued.
- RULE 2. Receipts for the Official Standard of the Work or the Vocabulary shall be given on such forms as may be prescribed by the Grand Secretary. Immediately on receipt of a copy of either, the brother receiving the same shall sign proper receipt, which shall be transmitted to the Grand Secretary promptly.
- RULE 3. The Vocabulary shall be issued only to Secretaries of our subordinate lodges, who shall receipt therefor and be held responsible for the same. He shall transfer the Vocabulary, so issued to him, to his successor in office and take his receipt for the same, which shall be forwarded immediately to the Grand Secretary. In the event he is unable, for any cause, to deliver to his successor the copy of the Vocabulary in his possession, the Master of his lodge shall take up his copy of the Vocabulary and re-issue it to his successor in office, taking his receipt for the same which shall be forwarded immediately to the Grand Secretary.
- RULE 4. Only each of those in the following categories are qualified to apply for and obtain the loan of one copy of the Official Standard of the Work, to-wit: Masters, Senior Wardens, Junior Wardens, Senior Deacons and Junior Deacons and the two Stewards of our subordinate lodges; Grand Lodge Line Officers, District Deputy Grand Masters; members of the Board of Custodians; Certified Lecturers, and Certified Instructors, while they occupy the said offices and positions and while they are qualified as indicated in this Rule.
- RULE 5. (a) At the installation of officers following the annual election, each retiring officer elective or appointive in the Grand Lodge and in our subordinate lodges shall deliver to his successor in office the copy of the Official Standard of the Work held by him, and in the event his successor has a copy, then the retiring officer shall transfer his copy to a new officer entitled to the same, who does not have a copy, and the successor so re-

ceiving the Official Standard of the Work shall sign the prescribed receipt therefor, which shall be forwarded immediately to the Grand Secretary. It is the purpose of this paragraph to make it possible for a brother to retain the same copy of the Official Standard of the Work originally issued to him so long as he is entitled to have the use of the same under Rule No. 4.

- (b) In case a brother, who holds a copy of the Official Standard of the Work under Rule 4, should vacate his office or lose the qualification which entitles him to the use of a copy of the Official Standard of the Work, due to death, resignation, lapse of certificate, or for any other cause, then the Master of his lodge shall take up the copy of the Official Standard of the Work held by such brother and either forward it to the Grand Secretary, or re-issue it to a brother who fills the vacancy, if any, and take a receipt for the same, which receipt he shall forward to the Grand Secretary immediately.
- Rule 6. No writing, marking or notations of any nature whatsoever shall be made in or upon any copy of either the Official
  Standard of the Work or the Vocabulary, and it shall be the duty
  of any Grand Lodge Officer, District Deputy Grand Master, District Deputy Grand Lecturer, or any Certified Lecturer, at any
  time, to call for any copy of either, and examine the same to determine whether this Rule has been violated; and if it has been
  violated, he shall immediately take up such copy marked in violation hereof, and forward the same at once to the Grand Secretary,
  and report his action to the Grand Master without delay. [See
  also Regulation No. 30-07(4)].
- Rule 7. In case of loss or destruction of either the Official Standard of the Work or the Vocabulary, the Grand Secretary shall be notified immediately, giving a full report of the circumstances surrounding the said loss or destruction.
- Rule 8. Neither the Official Standard of the Work nor the Vocabulary shall be used in any lodge while conferring the degrees, nor at any time in coaching or instructing candidates.
- Rule 9. Neither the Official Standard of the Work nor the Vocabulary shall be issued to one entitled to the use of the same under these Rules, unless applied for in writing on the proper form, except as provided in Rule 5.

## RULES FOR THE GOVERNMENT OF THE LECTURE SERVICE

(Promulgated by the Board of Custodians June 11, 1948, and effective July 1, 1948.)

- 1. Lecture Districts are hereby abolished.
- 2. A Class "A" Certified Lecturer may accept an invitation to instruct in the Ritualistic Work from any lodge in the State of North Carolina, regardless of location.
- 3. Class "A" Certified Lecturers are urged to co-operate in this work by accepting invitations to instruct in the Ritualistic Work from lodges located near their residences.
- 4. Each subordinate lodge is required under Regulation 35-09 to have instruction in the Ritualistic Work for a period of not less than one week in every consecutive two years. For this instruction, the Grand Lodge will allow credit as set forth in Rule 5. At least fifteen (15) consecutive calendar months shall elapse between the dates of such instruction.
- 5. The required one week of instruction may be complied with in either of the two following methods:
  - (a) The lecturer may visit the lodge for the entire week on one trip, and he shall give not less than thirty hours of ACTUAL INSTRUCTION, excluding travel time and time when he is not actually instructing; provided, also, that there shall be instruction on each of not less than five different days in the same calendar week, and for this class of service the fee shall not exceed \$50.00 per week, or
  - (b) He may make several trips to the lodge, in which case instruction must be given for not less than twenty-four (24) hours of ACTUAL INSTRUCTION, excluding travel time and time when he is not actually instructing; provided, also, that there shall be instruction on each of not less than five different days, and all within a period of thirty (30) days, beginning the first day of the lecturer's engagement, and for this class of service the fee shall not exceed \$40.00 per week.
- The Board of Custodians recommends that the instruction be rendered on consecutive days, whenever it is practicable or if circumstances render it more efficient, but this is not mandatory.
- 7. A Class "A" Certified Lecturer, during the period he is on the roster of such class, is authorized to instruct subordinate lodges for compensation.
- 8. A Class "B" Certified Instructor, during the period he is on the roster of such class, may give instruction in the scope of work coming under Class "B", for which he shall not receive compensation.

- The Grand Lodge will allow a credit of the fee set forth in Rule 5 to each lodge instructed for the one week's minimum in every consecutive two years required under Regulation 35-09 and these rules.
  - (a) A subordinate lodge will pay the lecturer the fee for instruction according to the class of instruction given, as defined in Rule 5 (a) or (b). After payment of such fee, the lodge shall, within fifteen days, forward the lecturer's certificate of service, under the seal of the lodge, and the lecturer's receipt for payment to the Grand Secretary, who will determine whether, under Regulation 35-09 and these rules, the lodge is entitled to credit for the instruction, and if it is, he will either reimburse the lodge by voucher the stipulated amount, or credit the lodge's account with the same.
  - (b) All such certificates for reimbursement of fees for lecture service paid out by lodges shall be filed with the Grand Secretary before December 20 of each year.
- 10. A lodge desiring instruction in the Ritualistic Work shall make all the necessary arrangements and agreements for the service with the Class "A" Certified Lecturer of its choice. Immediately after such service has been rendered, the lodge shall
  - (a) Pay all proper transportation, board and lodging expense, necessary to fill the engagement, incurred by the lecturer.
  - (b) Transportation expense shall not exceed five cents per mile actually traveled, each way, when private automobile is used, or it may be the actual railroad or bus fare between the residence of the lecturer and the lodge served. Transportation expense may properly be the subject of a special agreement between the lodge and the lecturer, before the instruction is commenced. It is the intent of the Board of Custodians that travel expense, board and lodging shall not be made an unreasonable burden on lodges.
- 11. A lodge not entitled to instruction in the Ritualistic Work, under Regulation 35-09 and these rules, which accepts instruction from any Class "A" Certified Lecturer, shall pay the fee, as defined in paragraph 5 (a) or (b), for such instruction and the expenses of the lecturer rendering the service without reimbursement from the Grand Lodge.
- 12. A lodge may obtain special lecture service or instruction as often as it desires, but the lodge, in such cases, shall pay all fees [as set forth in paragraph 5 (a) or (b)] and expenses incident thereto which exceed one week in every two consecutive years, as set forth in Rule 4.
- 13. Any special lecture service rendered to a lodge shall be reported within fifteen days by the Secretary of the lodge to the Grand Secretary, for the record.

- 14. The Grand Secretary shall prepare and provide all forms for certificates, reports and records under these rules.
- 15. When these rules become effective on July 1, 1948, all previous rules which are in conflict herewith are hereby repealed.

By authority of Regulation 35-08(3) Adopted 1948. Effective July 1, 1948.

# M. . W. . BROTHER WILLIAM HENRY WHITE Grand Master of Masons in North Carolina

Presentation of Bibles to the Graduating Classes of Oxford High School and John Nichols High School, Thursday, May 29, 1952

Brother Gray, members of the graduating class, teachers and friends of Oxford Orphanage: I am indeed happy to be present on this occasion of your 1952 commencement exercises. And I consider it quite an honor to be asked to present this BOOK, THE HOLY BIBLE, a gift to you, from The Grand Lodge of Ancient, Free and Accepted Masons of North Carolina. It is given you here, not as a special book of any religion. No matter what your faith may be, you will find in this book of books, counsel, advice, instruction, help and inspiration. You may worship the GOD you know by any name you wish and yet find here the story of His wishes and His hopes, His mercy and His goodness.

Sixty-six books are within this Book. These were written at divers times by many hands. In these books are history and hope, mystery and miracle, hell and heaven, promise and performance, prayer and courage.

If you are troubled, here you will find peace. If you are joyful, in these pages you find triumphant songs to sing. If grief visits your home, here is comfort.

To Masons, this book is the "rule and guide of faith." Much of our ritual is based upon it; and all our truths are taken from it. On all Masonic Altars it lies open, when the lodge is open; nowhere may a lodge meeting be held without it.

On behalf of The Grand Lodge of A. F. & A. M. of North Carolina, I present to each graduate, a HOLY BIBLE, in the hope that you will use it, read it, learn it, live it, and thus make yourself a better and more influential citizen.

May the GREAT TEACHER bless you and cause His peace to come to you through the pages of His BOOK.

## M. . W. . BROTHER WILLIAM HENRY WHITE Grand Master of Masons in North Carolina Delivered at Seventh Annual

Knights Templar Easter Sunrise Service at Fayetteville SUNDAY MORNING, APRIL 5, 1953

My Friends: I am happy indeed to meet with you at this glorious season; glad to have this opportunity to participate in this program with my good friends representing the York Rite Bodies. These brethren do many worth-while things, this service is only one of them. Their training prepares them for service. One of the first duties I was privileged to perform as Grand Master, was to take part in a Consecration service for the beautiful Chapel

which the York Rite Masons gave to our Orphanage, at Oxford. It is a magnificient building which fills a long felt need in our training program. This was one of the finest examples of unselfish service I have seen demonstrated in a long time and will stand as a lasting memorial, not just for our present groups of children and Masons, but for generations to come.

It is also a pleasure to be on a program with my former pastor, and have the opportunity to hear his message.

It was in the year 1815. The British forces were engaged in a crucial battle on the continent, between Wellington and Napoleon. All England was eager to hear the results. A sentry had been posted on top of Winchester Cathedral to receive the news from Wellington's flagship at the earliest possible moment. Finally, the flagship appeared and his semaphore signals became clear—W-E-L-I-N-G-T-O-N D-E-F-E-A-T-E-D—and fog then obscured the ship; the sad news began to spread, "Wellington Defeated." A dark gloom settled over the people.

Finally, the flagship came through the fog and signaled again, "WELLINGTON DEFEATED T-H-E E-N-E-M-Y." Wellington had not lost, but had won. Britain was victorious! The news was all the more wonderful because of the gloom spread by the partial message.

Our Lord's death on the cross signaled to the world "JESUS DEFEATED"; but the message of Easter and the Resurrection adds, "JESUS DEFEATED DEATH!" Because of the Resurrection, tragedy was converted into triumph!

It is in the spirit of that triumph that I bring you greetings from the Grand Lodge of Ancient, Free and Accepted Masons of North Carolina; greetings from more than 54,000 of the finest Masons in the world, more than 54,000 men who professed a belief in God before being admitted into our membership.

Before Columbus discovered America, the motto on the Spanish Coat of Arms read "NE PLUS ULTRA" — "There is nothing beyond." After that discovery the "NE" was dropped from the Coat of Arms which then read "There is more beyond". Because of the message of Easter Morning the spiritual Coat of Arms of Masons — and all believers now — reads, "There is More Beyond." Death is not a blind alley; it has now become a glorious thoroughfare! With the Resurrection, believers ceased to bury their dead facing the west—a symbol of doom and despair. Christian cemeteries began to bury their dead facing the east—a symbol of the rising sun and hope. All Masons of North Carolina join with you on this Easter Morning in saying, "Thanks be unto God who giveth us the Victory through our Lord Jesus Christ."

### GEORGE WASHINGTON

#### ADDRESS BY

## M. W. LUTHER T. HARTSELL, JR.

Past Grand Master of Masons in North Carolina

At an Emergent Communication of The Most Worshipful Grand Lodge of Ancient, Free and Accepted Masons of the Commonwealth of Virginia, Held in the Hall of Fredericksburg Lodge No. 4, A. F. & A. M., in the City of Fredericksburg, Virginia, on Tuesday, November 4, 1952, for the Purpose of Celebrating the Two Hundredth Anniversary of the Initiation of Brother George Washington as an Entered Apprentice Mason.

Most Worshipful Grand Master, Distinguished Guests of the Grand Lodge of Virginia, and my Brethren: It is with a feeling of deep humility that I stand before you this afternoon. It is rather awe-inspiring to one to be permitted to participate in a celebration of the 200th anniversary of the initiation of the greatest Freemason of all times. You have heard from the report of your Bicentennial Commission that there has been prepared an exhaustive volume on George Washington as a Freemason. There are other things about that great man concerning which I desire to speak this afternoon. I say this, that other than the fact that the most important thing Masonically, so far as George Washington was concerned, was becoming an Entered Apprentice in this historic lodge, and placing his hands upon that great Book, now resting upon this Altar. I don't know when the occasion has presented itself when both of the great Holy Bibles in Freemasonry have rested on the same Masonic Altar, because on that other Great Book George Washington took his oath of office as the first President of this country of ours, and I believe that oath was administered by the then Grand Master of Masons in New York.

You know, brethren, the past is ever changing. You may say that is a rather peculiar statement of ideas; the past is changing because there are things which we desire to forget, and likewise there are things which we desire to remember. I dare say that less than one out of a thousand Englishmen know that there was such a thing as the War of 1812. They pay no attention to it. Time essentially makes us have ideas concerning the past, which occasionally are not accurate. For instance, in this very Commonwealth, I think that the greatest General the world has ever produced was Lee. That General isn't George Washington, but he has become a demi-god to those of us who live in the South, like most people with General Robert E. Lee. Now let's consider a moment the things which confronted this great man that brought you and me to Fredericksburg today.

Two hundred years ago, how long would it have taken you and me to get here. There is a distinguished brother from Florida here, and one from Idaho. There are others from various parts of this country of ours, and if I remember my history correctly, we find that George Washington was about six weeks late for the purpose of being sworn in as President of the United States, because of difficulties of transportation. I wonder how many of us realize that 200 years ago today, the method of transportation which existed then, had existed from time immemorial.

It was a matter of horseback or coach. Some of these historians might tell us when the wheel was invented, and when the cart became a means of transportation, but other than the wheel, and other than the cart, when George Washington was made an Entered Apprentice, in this Lodge, the only means of transportation were God-given means. Now, brethren, there never was any logic, any common sense, or any reason for the existence of this great Nation of ours. This man whom we honor today, with three million squirrel hunters, defeated the most formidable military power known to the world at that time. Three million squirrel hunters, that's what they were! He didn't have a vast army, he didn't have material furnished by the greatest productive nation on the face of the globe, but he took three million squirrel hunters and as a result of his leadership as Commander-in-Chief of various folks who were imbued with ideas of God and freedom, he defeated England, with the finest army the world had known at that time. Was there any logic or reason in that? Not the least bit. On numerous occasions since then the most intelligent persons, including some Americans, have said that this country of ours could not endure. And yet it is here today, and on this particular day, there will be 55,000,000 Americans who will cast their ballots to determine who will succeed George Washington as President of this country. Isn't that rather amazing? After listening to some of the "slam-bang" speeches for the last month, I became rather frightened, because I didn't know whether or not this country of ours would endure until the 4th day of November. But I find that it is still here, and I am just as confident that the sun will rise tomorrow regardless of who happens to be elected President of this country. I am just as confident that this great Nation which George Washington was responsible for founding will go on to take its place among the stars.

And now, let's look at George Washington in another respect. You know, brethren, George Washington was a simple soul. He lived simply, he ate simply. I have come to the conclusion that all good men and great were simple souls. To those that do not take themselves too seriously but take the job that they are doing seriously. The Grand Master of Massachusetts a moment ago referred to our great Freemason presiding over the Constitutional Convention. What did he have to go by, brethren? Did he have any mile posts? Did he have any maps? Did he have any plans? He only had one, and that was to found a Nation upon the principles that Freemasonry teaches, and upon the idea that you and I are sovereign individuals.

I think George Washington did a remarkable job in everything he undertook. By way of lateral remark, as I recall, he introduced jackasses into America, to develop mules, and from that time up

here at Mt. Vernon there have been two kinds of jackasses prevalent in this country of ours, for a couple of hundred years—fourlegged ones and two-legged ones. He took his farming seriously. Everything he did, he undertook to do right. He was a Major in the Militia, if I am not mistaken, at the time he became an Entered Apprentice in this Lodge, at less than twenty-one years of age. He was a recognized surveyor and respected by all Virginians who knew him. I wonder if there could have been a reason behind all that. I am inclined to think there was. I have never been one of those who thinks that you can make a race horse out of a draft horse. Of all the material that I have seen and read concerning this great man, no one has taken too much trouble to determine what sort of blood he had in his veins. I decided I would do that myself, and I communicated with the Library of Congress to get some information. I found out some things that immediately satisfied me, that George Washington was pure wool and a yard wide. He was 14-carat gold. Before the Norman Conquest, a man called Farthig, The Dane, came to England. He settled in the Orkney Islands. He was descended from a long line of Danish Kings. About four generations later he had a great-grandson by the name of Walter, Walter happened to live in a place called Wyssyngton, and as you might know all persons in those days assumed their surnames either from their occupation or from the locality in which they lived. So this man became known as Walter de Wessyngton and from him George Washington was descended. In his veins coursed the blood of Charlemagne, of William the Conqueror, of nine of the twenty-five Barons sureties of Magna Carta, and incidentally, he was descended from King John. I don't know whether he was proud of him or not, but at any rate he had nine other ancestors who saw that King John kept his promise. And on the 15th day of June, 1215, nine of the ancestors of George Washington became sureties for the greatest document in Anglo-American jurisprudence-Magna Carta. Bear those things in mind. Is it unusual that George Washington should assert his influence in the drafting and enactment of one of the two great documents in Anglo-American jurisprudence—the Constitution of the United States of America? I don't know whether you have thought about those things or not. Another thing that is unique about our great Brother is the fact that he didn't think that he was qualified to preside over this Grand Lodge of Virginia, and some of my other dear friends who sit around here today have done so. I am casting no aspersions on Tom Hooper, Doug Smith, Vernon Eddy, Bill Brown, or Dr. Hillman, because I say, Most Worshipful Sir, and I say without fear of contradiction, that there is no Grand Lodge in America which has such a distinguished array of Past Grand Masters as has the Grand Lodge of Virginia. The only thing that disappoints me is that I would like to see some of these Grand Masters run for Governor. Because I know-somebody said "give us time", does that mean anything? The reason I said that was not to bring a smile on the face of the present Grand Master. (At this point Most Worshipful Thomas Hooper asked to be excused, saying that he had to meet a preaching engagement). At the time I let my hair down in Maryland about five years ago—some of these good brethren called it to my attention this afternoon—I told the story about my grandmother. When she was bringing me up she said: "Young man, there are three persons I don't want you to have anything to do with." She said: "One of them is a Republican, another is a Baptist, and another is a Dam-yankee." She was a Presbyterian, Tom, so I must confess. Brethren, I do want to say this, that I have since found out that all Dam-yankees don't have horns. I have also found out that some Baptists have religion, and I have some very dear friends who happen to be devout Republicans. In fact, we have a Grand Secretary in North Carolina who is a Baptist. I had to live with him for a while, and his name is McIver, and they always told me that a Scotsman was always a Presbyterian if he hadn't been tampered with.

Brethren, I want to say this, (and I want to hear Tom Hooper preach myself), in bringing my remarks to a conclusion. I want to say that I think that George Washington always respected and sought the advice of Almighty God. I think that George Washington always recognized the sanctity of the individual human being, and I believe that the success of those things in which he engaged were brought about because he never lost sight of those principles. I ask you to look around here this afternoon. I will ask you to look into the faces of your brethren, and I will ask you to point out to me anyone you see who looks like any other. I want you to point out to me anyone who looks like any person you have ever seen before. I want you to show me two leaves from a tree that are identical, and then tell me that a Nation founded upon the principles of the individual will ever pass from this earth. I say not. We had a North Carolinian who strayed away, as many of our native sons do. Those who happen to be bankers, come to Richmond to run the banks of Virginia; those who desire to write go elsewhere. This particular native son went to Baltimore, Jake, and he was associated with the Baltimore Sun-I am speaking of Gerald Johnson. About seven years ago, he wrote a book, or rather a collection of his stories, called "Heroes and Hero Worship." In that book he had a chapter called the ever-changing past, and he wrote this at the end of the chapter, and you will recognize some of the things I have said to you this afternoon.

"I am restrained from giving away to despair by the consideration that there never was much reason in logic or common sense for the establishment or the survival of this Nation. The revolt of three million squirrel hunters against the most formidable power on earth was neither logical nor sensible. A dozen times since, the wisest men living, including plenty of Americans, have proved, with irrefutable logic, that the end of the Republic was at hand, and it has survived without ryhme or reason. American history has always been a mocker of tidy minds, flaunting the rules of logic and puckishly upsetting the dictates of common sense. Perhaps this land will continue to climb; I say it will, being compelled to

be great, will exhibit the wisdom, the courage and the grace we dare not believe it has, and will climb above its difficulties, and above itself, to stand among the stars."

My brethren, that is the course upon which George Washington set us. That is the direction in which he pointed. So I stand before you this afternoon with the deepest feeling of humbleness in being able to participate in a celebration honoring the Bicentennial of that great man receiving the degree of Entered Apprentice, in this historic Lodge, in the Commonwealth of Virginia.

## REVIEWS

By WALLACE E. CALDWELL, P. G. M., Chairman Committee on Foreign Correspondence

As I enter upon my task of reviewer for the second time I wish to pay my respects to my confreres of other Grand Jurisdictions whose reviews I have read with great interest and profit. Some give fine reviews of each of the reports; others present their reviews topically. I have thus far endeavored to discover general trends, to report items of special interest or value to the officers and members of my own Grand Lodge and to cull a few passages from the many fine addresses on Masonry, those few which appeal to me personally and particularly. As I progress in the task I hope to gain in ability and comprehension. I hope that my fellow-reviewers will bear with me in the meantime.

First, I have a sad duty to perform. Among the many illustrious lecturers who have entered the celestial porch is one particularly dear to us in North Carolina. On December 12, 1952, Most Worshipful Enoch D. Flowers, Past Grand Master of Masons in Virginia, entered into rest. Born in North Carolina he rose to eminence in his adopted Commonwealth and acquired a national reputation as a distinguished member of the Craft. It was my personal pleasure and privilege in 1951 to present to him the Joseph Montfort Medal of North Carolina, thereby claiming him for our own. We mourn his loss and shall miss him greatly.

The reports indicate that the Craft at large is in a healthy condition. All show substantial increases in membership. Both numbers and percentages show in most cases a slight decrease from the preceding year. This is to be considered normal rather than alarming. A sad note appears in the report of the discontinuance of three lodges in China and three in Burma under the jurisdiction of the Grand Lodge of England. On the other hand the report of the Grand Lodge of Scotland gives encouraging news of lodges under its control in Africa and Asia.

The reports of the activities and amazing charities of the bodies in Australia, New Zealand and Tasmania are particularly fine. The same can be said for our Canadian brethren.

Particularly worthy of notice among the dominating interests of the year are the following:

Many Grand Lodges are awakening to the opportunity and duty of Masons to carry their ideals effectively to the youth of the land as a counterpoise to the materialism of the age and the threat of Communism. Interest in DeMolay, Rainbow Girls and Job's Daughters is widespread. Rhode Island has gone so far as to set up a Masonic Youth Foundation supported by an assessment of fifty cents per member to carry on this important work.

Several have gone further: Following the lead of the Grand Lodge of California they have sponsored Public School Weeks in an endeavor to stimulate the interest of the general public in the activities of the schools. Such a program is in line with Masonic tradition. In the early days of Masonry in this country before the rise of the modern system of public education many Grand Lodges established academies and colleges for the education of the youth. Masonry can well afford both to defend the integrity and promote the welfare of our public schools which are training the citizens of tomorrow.

The Australian Grand Lodges have scholarship funds to assist in providing education for the deserving.

All Grand Lodges show increasing activity in Masonic education, the process by which we endeavor to make Masons out of members. Many employ a lecture system for candidates such as we have in North Carolina. Some have lodges of instruction which combine training in the ritual with instruction in the tenets of the Craft. Others present pamphlets to the candidates at the conclusion of the degrees, similar to those used in Iowa and New York. A few maintain lists of lecturers or speakers available for lodge meetings.

Some Grand Lodges have learned the value of research in their own history. We are pleased to learn of a history of Masonry in Illinois. The report of Massachusetts contains most valuable material. It records visits of the Grand Master to celebrate lodge anniversaries and a part of each record is a history of the lodge thus honored. This practice I, as a historian, would urge upon our own lodges. The reports of the Grand Historian of Manitoba dealing with the early days of that province provide most exciting reading.

One or two discordant notes appear. Indiana reports a clandestine body which accepts both white and Negro members.

The chain letter superstition has alarmed many Grand Masters. Mention of them appears in several reports in the United States, in Saskatchewan, in England, where they are called chain prayers, and even in far away Tasmania. I heartily concur with the efforts of the Grand Masters to call a halt to this unMasonic practice.

# DR. GEORGE S. SLOAN, Grand Chaplain The Grand Lodge of Montana

This is a mining country. At Butte we have the deep mining. Here in this historic gulch we have had placer mining and still do have some dredges working down in the valley and in some of the canyons leading down from the continental divide. Many metals are found in the ores which are part of these mountains. All through this mountain country ores of high grade and low grade and even free gold in dust and nuggets have been found and are being discovered. I would like to take a statement in blank verse as a basis for a thought and a copper mine in Arizona as an illustration of this theme of "Curses are our blessings."

For life is not an idle ore
But metal dug from central gloom
And heated hot in human fears
And bathed in floods of human tears
And hammered by the shocks of doom
To shape and use!

Tons of ore are lifted from the earth and dumped into the crushers. From the crushers the ore is sent to the ball mills where the pounding and breaking is continued. The powdered ore is then mixed with water and oil and passes over the flotation tables. Tons of ore have been thus reduced to a muddy stream from which comes the waste and the concentrate. The waste goes out on the tailings dam and the concentrate of black looking, wet, sand-like material carrying the metals is conveyed to the smelter. Here the fire carries on the process of refining. Great furnaces and cauldrons, breathing fire separate the slag from the metal. The slag goes out on the dump and the liquid metal is poured into forms and comes out in bars or pigs. These bars of still impure metal have to be refined still more by crucible and other processes. The different metals reclaimed have to be subjected to still more pounding before we have the finished product ready to use . . . copper wire for its many uses-copper for utensils and other vital things-gold for many things, and among them, for coins. The road from the pit deep in the earth to the place of honor and use is a rugged one

indeed, but one that the ore must follow if it is to have "its dross destroyed and its gold refined and stamped with the insignia of the Great Architect of the Universe." The crushers of difficulties and struggles, the fires of fear, the beating of difficulties, and the tears that temper the metal are all part of the process of life. We may escape them all but only at the cost of staying as we began life-just the raw ore in which the precious metals are hidden-which can never be refined save through struggle. In this struggle we can bear each other's burdens but each man, too, must bear his own burdens. We can help and encourage each other along the way but if we carry others they will never know the joy of life which comes from living in the midst of all its difficulties and dangers. These things that test us are the things that make us. We can escape them only at the cost of losing our life-The curses which are laid upon the earth by the Great Creator are for our blessing. Through the struggle with them we find health of mind and body and in the struggle with evil the soul finds that faith that leads us to His throne and opens our eyes to see that City of God where the only treasure is the "gold" which has been refined by the fires of faithful courageous living.

For life is not an idle ore
But metal dug from central gloom
And heated hot in human fears
And bathed in floods of human tears
And pounded by the shocks of doom
To shape and use!

# M. W. NELSON C. HART, Grand Master The Grand Lodge of Canada in the Province of Ontario

It seems to me that emphasis on financial success, on material advancement, and on national status and pride, has decreased our interest in moral and spiritual welfare. Our efforts to secure the necessities and luxuries which a material age provides; the hustle and bustle of business enterprises; and the seeking of relaxations in commercialized entertainment; all these have left little time for meditation on the fundamentals of a really happy and joyful existence.

History bears witness to the fact that many civilizations have flourished and disappeared. Invariably their fall has been preceded by periods of material prosperity, associated with a marked decline in social, moral and spiritual codes. Many thoughtful students see in the present situation a grave tendency towards deterioration, if, indeed, not disintegration, in our present civilization. They claim that the future is dark unless there is a revival of interest in, and emphasis on, moral and spiritual values.

Grand Lodge of Canada—Province of Ontario—1952 (pp. 40-41).

There is a role for Masonry in the re-birth of peace and in the recovery of a clear concept of a proper basis for a full and satisfactory life. Our Fraternity is founded on a belief in the existence and guidance of a Supreme Being, on the brotherhood of man, and on the recognition of personal liberty. There are over three and one half millions of Masons on this continent. What a tremendous influence for good they can exert by precept and example!! Let us, as Masons, so live and act that we may encourage and reestablish in ourselves, in our children and in our children's children, the principle that right-thinking, right-speaking, and right-acting are fundamental in the highest type of civilization. Only by such a gradual process of education may we insure the continuance of that objective of our Craft—"To be happy ourselves and to communicate that happiness to others."

Grand Lodge of Canada-Province of Ontario-1952 (p. 42).

## WILLIAM F. SMITH, Grand Orator The Grand Lodge of Wyoming

We as Masons profess a trust in God when we enter our organization, but let us go further than this by showing in our daily lives that we can live the Golden Rule. Second, let us recognize the fact that God has the ultimate say so as to what becomes of us and what becomes of the world. Let us do our best, but let us remember that we are living in His world and that He has laid down the laws of nature for us to follow and as Masons let us never leave Him out of the scheme of things. Third, let us recognize and never lose sight of the lesson of the third degree that there is a power in prayer and that we as Masons who believe this, possess a power that a communist country can never match and we have only to use this power as individuals in our daily lives to see the results that will take place.

Fourth, let us remember and cherish the separation of church and state. May we never lose sight of the principles our forefathers had in mind when they wrote the Constitution of the United States.

Fifth, let us ponder well the lessons of Masonry and morality. We are the living stones that convey to our friends as well as to our enemies whether our personal lives and the way we live them are a credit or a disgrace to our organization.

Sixth, let us recognize the fact that as individual Masons outside of our Lodge we must be united in our political thinking. Not in the sense of being united in a political party but in the sense that if some good Brother is seeking a nomination that we should support him and not a profane. If we believe in the principles of Masonry and morality we should see these principles carried out in the low as well as in the high offices of our country.

Seventh, let us be vigilant and concede that the communist threat is close at hand and not something that belongs in a foreign country. Let us fight this threat but let us also bring to the individual communist the God we as Masons revere, and in doing this we have taken him out of the communist rank as once he accepts God he is no longer a communist.

Eighth, let us live the Masonic teachings of Brotherly Love. Relief and Truth. Next to religion, Freemasonry is the noblest system for the inculcation of correct morals, kindly feelings, tender dealings, ethical behavior and widespread clarity that has ever been made in the world. Today the greatest thing in all the world is not money, not big buildings, not armies or atomic power, but character. The world needs men and Masons who can be depended upon, who put others before themselves and who are not afraid to stand up and be counted. Those of us who are able to add something to the uplifting of political life, something to the brotherhood of social life, something to the promotion of industrial life, something to the freedom of religion and something to the practical efficiency of spiritual life, will have done mankind a real service. All of the high ideals and motives of our American citizenry will be of little use in this world of today unless they can come forward to strengthen us in the discharge of our daily duties in the ordinary affairs of life. Thus as individual Masons in Wyoming we can show by the way we live our daily lives that we have found the secret of the cardinal virtues, Brotherly Love, Relief and Truth.

Grand Lodge of Wyoming, 1952 (pp. 60-61).

## RALPH T. MOORE, Grand Orator The Grand Lodge of Oregon

Under these circumstances the traditional command of the Master—TOGETHER BRETHREN—has a greater and more profound significance. It is the rallying cry of Masonic power and influence. It suggests the accumulated strength of tested tradition, the discerning omnipotence of truth, the irresistible supremacy of honor and justice. It inspires with the morale-building spirit of fraternity, the same sense of dignity and of belonging. It renews courage and determination. It reminds of the stewardship inherited from the legions of worthy brethren who have gone before. It mutely points to the past achievements of the Craft, won after tireless, incredible feats of endeavor and endurance of fearful hardship. It calls to future duty of formidable challenge and compelling urgency.

A century of Masonic progress in Oregon has left its mark on the commonwealth in very substantial contribution toward a fuller and more fruitful public and private life. The Oregon Craft have done their work well in building for both time and eternity. Our brethren who have gone before us have left a rich tradition and heritage. They have also imposed on us a stewardship of the most solemn import. It is to carry on with the ideals of Masonry so that the welfare of our country, our neighbors, and our families shall be better because we have lived and worked. The commission is simple but exceedingly hard. It will demand our utmost in resolute will and faithful endeavor. It is a task that only men that are free and true can hope to accomplish.

Then—TOGETHER BRETHREN—that the sovereign power of humble, honorable men shall forever stay the hand of the arrogant aggressor, that the steady, reproachful gaze of fearless virtue shall drill through all screening contrivances of talented vice to mercilessly reveal the scheming perfidy that skulks behind them, that the sordid, selfish ambition that masquerades as benevolent paternalism or cloaks itself in the garments of charity shall be inexorably discomfitted.

TOGETHER, BRETHREN—that justice and morality shall never be compromised by yielding to expediency or the pressure of carnal desire.

TOGETHER, BRETHREN—that envy, derision, contempt, anger, and revenge shall be purged from our national life by the stern transcendancy of the precepts of reason, charity, and tolerance.

TOGETHER, BRETHREN—that the world shall be better and human life made more fruitful because we have looked not to our own things but to the things of others.

TOGETHER, BRETHREN—that diligence in daily tasks, patience in tribulation, firmness in hope and faith, humble obedience to God's word shall mark our path.

TOGETHER, BRETHREN—that we shall be true to Masonic ideals, faithful to our commitments, given to hospitality and brotherly concern, mindful of the impeccable integrity that Masonic association connotes and forever preserving in our endeavor to win its merit.

TOGETHER, BRETHREN—that we shall maintain ourselves fit for Masonic commissions at any hour on any day and for any purpose.

Then finally, just TOGETHER BRETHREN with all the sacred solemnity of its full meaning.

Grand Lodge of Oregon, 1952 (pp. 42-43).

## M.'.W.'.HAROLD C. McALLISTER, Grand Master The Grand Lodge of New Hampshire

Today our nation stands at the most critical point in its long and glorious history. Far away in distant Korea our sons are fighting a cruel and ruthless enemy. No man can prophesy where or when aggression will once more rear its ugly head. On the home front conscienceless and determined fanatics seek constantly to undermine and destroy our American way of life of which Masonry and all it stands for is such an integral part.

As your Grand Master I have spoken whenever opportunity offered in lodge meetings, lodges of instruction, or anniversary celebrations, deeming it to be my duty to bring to the attention of my Brethren this struggle to the death between clashing ideologies; to trace for them as simply as possible the growth of the American dream of a fair land of equal opportunity where men

worship God according to the dictates of their own consciences, believe in the sanctity of the individual human soul, are tolerant, just and imbued with a real spirit of brotherhood. I have felt impelled to warn them of the danger to their country and to Masonry which lies in the evil ideology of Communism. This ideology denies the existence of God, makes a mockery of brotherhood, scorns every idea of the sanctity of the individual, believes that might makes right and teaches that the bigger the lie the better its chance of success.

Although bullets and bombs and battleships may win an engagement or even a war, they cannot in the long run beat an idea. An idea is the most powerful force on earth. Communism is an evil, a bad idea. The only thing that can beat a bad idea is a better idea, and in the teachings of the churches of whatever denomination and in the teachings of such great fraternal organizations as ours we have that better idea.

As Masons we must practice assiduously out of the lodges those great moral virtues which are inculcated in it. Shoulder to shoulder with the churches we can, through more intensive practice of our principles, stem the decline in public, business and personal morality. We must, as good Masons, support our churches of whatever denomination. We must, as good Masons, be good citizens. Ours is a great heritage. We are in danger of losing it if we do not bring to the struggle something of the high moral purpose and something of the burning passion for freedom which actuated the founding fathers.

Grand Lodge of New Hampshire, 1952 (pp. 444-445).

# THE CONFERENCE OF GRAND MASTERS IN NORTH AMERICA

This important meeting was held in Washington February 24 and 25. North Carolina was well represented. As usual the papers presented were all interesting and challenging. In one entitled "By Our Good Works Shall They Know Us," M. W. Edward J. Franta of North Dakota, made a plea for greater publicity for Masonic affairs. In so far as publicity is given to important Masonic meetings and to the general tenets of the fraternity.

"There is propriety for secrecy in our charitable works, but our lodges have so many other laudable activities in work with our youth, hospital visitations, church support, maintaining cemeteries, libraries and other civic facilities (even a newspaper in one small community), strengthening our public school system, promoting patriotism and encouraging social development that will be benefited by proper reporting.

"Those laudable enterprises will be strengthened and the Masonic Lodge will attain the position of leadership in the

community and nation which the character of its membership and the nature of its activities merit if they are recognized as Masonic ventures.

"No one here should ever doubt, even for a minute, that intelligent and news-worthy reports on all such activities won't be very welcome in any newspaper or radio station news office. That is the important thing. Masonry will not gain great benefits from news reporting merely because general approval is granted to the idea of disseminating Masonic information."

He also pleads for publication of news of non-secret transactions of lodge meetings.

"In summary—every Master Mason should qualify himself to be a source of authentic information about Masonry—our Masonic publications should display the beauties of our order and not confine bulletin board purposes—all modern facilities of news dissemination should be utilized so that 'by our good works they shall know us'—so that no longer will the outstanding humanitarian work of our Masonic visitors in the veterans hospitals be kept a secret—that when more than a hundred sincere citizens of the nations of North America, representing millions of good men, gather together to learn how men can better live as brothers, the world will know more of their deliberations than merely that they heard a public official lightly discuss the trials and tribulations of his office, which he summarized with the incongruous admission that he enjoyed such turbulence—that never again will the citizens of a great nation be deprived of the privilege of sharing with Masons the inspiration to be gained from the dignified and well-planned observance of the bicentennial of the initiation of George Washington."

The difficulty which this reviewer sees is that of knowing where to draw the line along with that of how to present the news. The Masonic fraternity has traditionally worked quietly without fanfare to carry out its work in the world. I believe that its work will be most effective if it continues along these lines—allowing always for proper and fitting publication of news of its meetings and major activities.

M.'.W.'.Harry E. Howard, Grand Master of Alberta, presented a paper on "The Philosophy of the First Degree," which seems to me of such interest and importance that I have added it in toto to this report.

# THE PHILOSOPHY OF THE FIRST DEGREE HARRY E. HOWARD, Grand Master of Alberta

In the first place I must express my appreciation of the honor which was given to my Grand Lodge of Alberta and myself in being invited to prepare an address to this highly selective body of distinguished Freemasons, representing as it does such a large number of brethren who have at some time requested a petition

for admission to this most anicent and honorable institution. During my peregrinations over the length and breadth of my jurisdiction, stretching fourteen hundred miles north of the boundary to the Arctic Circle and four hundred miles east from the Rocky Mountains to the westerly boundary of our neighboring jurisdiction to the east, I have endeavored to emphasize the universality of the science and the ever-present need for the brethren to practice outside of the Lodge those precepts of virtue which are so beautifully inculcated within it. I have been conscious of the wishes, nay the heartfelt appeal, of many of our brethren who are away from centres where Masonic education is more readily available, for some enlightenment on the significance of the symbols and work and lectures and charges.

Hitchcock in his Alchemy and Alchemist, written in 1857, quotes an old Hermetic philosopher as saying "Though a man be poor, yet may he very well attain to perfection" and on commenting on this he says, "That is, every man, no matter how humble his vocation, may do the best he can in his place—may love mercy, do justly and walk humbly with God; and what more doth God require of any man." It would appear, therefore that even the symbols of the alchemist have an affinity with the symbols of the spiritual temple of Freemasonry.

In all of my work in Lodge I have always been impressed with the deep spiritual and ethical value of the lessons portrayed in the First Degree. I agree that the three degrees supply a well rounded and abiding series of principles which should carry one through all the vicissitudes of life, but the first degree, as is proper, packs a punch which brings a man up smart to realize that here is something steeped in fundamentals for a definite "way of life."

The dictionary defines philosophy as "the general principles, laws or causes that furnish the rational explanation of anything—practical wisdom." This being so I feel that I cannot do better than to use as a basis for my subject the procedure which is provided in order to become an Entered Apprentice. Voltaire, one of the great philosophers and a Freemason, said "the discovery of that which is true and the practice of that which is good are the two most important objects of philosophy."

When one has asked for and receives a "petition" and this, vouched for by two brethren, is presented in open Lodge, then other brethren are assigned to assure themselves of the worthiness of the petitioner. Certain attributes should be looked for here, such as the likelihood of keeping confidences, the tendency towards fidelity and loyalty and whether or not there would be a risk of the petitioner to balk at the need for obedience. There should also be given some idea of the need, on the part of the petitioner, for a spiritual atmosphere in his attitude, having in mind the questions which will be asked of him if he should be so fortunate as to be admitted, and it is the nature of these questions which point out the basic principles inherent in the Masonic philosophy.

The questions requiring a declaration of freedom of approach, of being of an age of responsibility and of a genuine desire for knowledge and a sincere wish to become more extensively serviceable to mankind, illustrate one of the basic philosophies of Freemasonry, "The brotherhood of man."

There are also certain questions regarding one's belief in God and the immortality of the soul to which an unequivocal answer in the affirmative is essential, thus emphasizing another basic philosophy "The fatherhood of God."

We have not yet secured admission but have been challenged with the type of organization we are about to be admitted into and when we do gain admission into the Lodge, erected to God and dedicated to the Holy Saint John, an intercession is made to God for our assistance to so dedicate and devote our lives to His service that we may be enabled to display the beauties of true godliness. After this, when an admission has been made of our trust in God in times of difficulty, we are assured of the safety in following the guide.

This point is surely one where the 133rd Psalm is applicable "Behold how good and how pleasant it is for brethren to dwell together in unity; It is like the precious ointment upon the head that ran down upon the beard, even Aaron's beard; that went down to the skirts of his garments; as the dew of Hermon and as the dew that descended upon the mountains of Zion; for there the Lord commanded the blessing, even life for evermore," and should be used as an example of the relationship of the "brotherhood of man" to the "Fatherhood of God."

After the preliminary perambulations, the charge of the Master, which puts the whole matter squarely up to the candidate and outlines in a different way, the design of the institution, to make its votaries wiser, better and consequently happier, never weary in well doing; naturally seeking each other's welfare and happiness equally with their own. would almost seem to give the real summary of the lessons portrayed in the first degree, but we have only started, because we are admonished in connection with the wearing of the apron, "to let its pure and spotless surface be to you an ever-present reminder of purity of life and rectitude of conduct, a never ending argument of nobler deeds, for higher thoughts, for greater achievements," until when we stand before the Throne of God we shall have earned the judgment "Well done, good and faithful servant, thou hast been faithful over a few things, I will make thee ruler over many things; enter thou into the joy of thy Lord."

Then comes the great lesson on Charity, beautifully taught in a never forgettable manner, calling for that lovely verse:

We give thee but thine own What ere the gift may be All that we have is thine alone A trust, O Lord, from Thee To comfort and to bless, To find a balm for woe To tend the lone and fatherless, Is Angels' work below.

In various parts of this degree we are taught the universality of Freemasonry and that a Mason's charity should know no bounds save prudence.

"The Lodge represents the world and includes both Heaven and Earth. Ancient Temple formations consisted of a double square end to end, one representing Heaven and the other representing Earth. In the middle were three cubes, one above the other, representing a primary Trinity. Here the mortal soul is blended with the immortal spirit. The initiate has his eyes opened to a new world and he will not pass out of the Lodge as quite the same man as he entered it. Hence the term "Universality."

Charity being linked up in the same paragraph as Universality has a very deep significance because it illustrates the limitless area which this virtue of all virtues covers. I think this was the principle intended to be inculcated. There would appear to be a corollary in the expression later on with reference to initiation wherein it is stated that a Mason is instructed in proper exercise of Universal Beneficence and Charity and to seek solace of his own distress by extending relief and consolation to his Fellow Creatures in the hours of their affliction. Notice the emphasis on the Universality. In other words the reference to a "Mason's Charity knowing no bounds" refers not only to the extent but the area.

The golden rule "To do unto others as you would wish they should do unto you" takes on a new meaning when applied to the lessons herein contained.

It would be well at this point to deal with the quality of Charity and to consider what it consists of. To give money to the poor is a beautiful act but hardly as important as to give love, unstinted, without hope of gain or reward—this indeed may well extend to the very foot of the Great White Throne. If we read what St. Paul says about Charity we will still see that it is limitless in degree. In the King James version of the Holy Bible the word of "love" was substituted for the word "Charity."

"Though I speak with the tongues of men and angels, and have not love, I am become as sounding brass, or a tinkling cymbal.

"And though I have the gift of prophecy, and understand all mysteries, and all knowledge; and though I have all faith, so that I could remove mountains, and not have love, I am nothing.

"And though I bestow all my goods to feed the poor, and though I give my body to be burned, and have not love, it profiteth me nothing.

"Love suffereth long, and is kind; Love envieth not; Love vaunteth not itself, is not puffed up.

"Doth not behave itself unseemly, seeketh not her own, is not easily provoked, thinketh no evil;

"Rejoiceth not in iniquity, but rejoiceth in the truth.

"Beareth all things, believeth all things, hopeth all things, endureth all things,

"Love never faileth; but whether there be prophecies, they shall fail; whether there be tongues, they shall cease, whether there be knowledge, it shall vanish away.

"For we know in part, and we prophecy in part.

"But when that which is perfect has come, then that which is in part shall be done away.

"When I was a child, I spake as a child, I understood as a child, I thought as a child; but when I became a man, I put away childish things.

"For now we see through a glass, darkly; but then face to face; now I know in part; but then shall I know even as also I am known.

"And now abideth faith, hope, love, these three; but the greatest of these is love."

It is of such charity that a Mason's faith is made. He is, indeed, taught the beauty of giving that which is material; the Rite of Destitution shows forth the tender lesson in the first degree; Masonic Homes, Schools, Foundations, Orphanages, Hospitals, are the living exponents of the charity which means to give from a plenty to those who have but a paucity.

The first of the principle tenets of our profession and the third round of Jacob's ladder are really one; brotherly love is "the greatest of these" and only when a Mason takes to his heart the reading of charity to be more than alms, does he see the glory of that moral structure the door to which Freemasonry so gently, but so widely opens.

Charity of thought for an erring Brother; charity which lays a brotherly hand on a troubled shoulder in comfort; charity which exults with the happy and finds joy in his success; charity which sorrows with the grieving and drops a tear in sympathy; charity which opens the heart as well as the pocket book; charity which stretches forth a hand of hope to the hopeless, which brings a new faith to be crushed . . . aye, these, indeed, may "extend through the boundless realms of eternity."

Man is never so close to the divine as when he loves; it is because of that fact that charity, (meaning love), rather than faith or hope, is truly, "the greatest of these."

Even if the foregoing were not enough, we have the admonition to so divide our time as to leave a goodly portion to the service of God and a distressed brother, also to divest our hearts and consciences of all the vices and superfluities of life, thereby fitting our minds as living stones for that spiritual building—that house not made with hands eternal in the heavens. All of this, being as it is a summary of God's work surely emphasizes that in Fremasonry we embark on a "way of life" in tune with and applied to the practical work of God. There is no place in the life of a Freemason when he has any right to be idle because there is always something to do. The Preacher in Ecclesiastes III, says "To everything there is a season and a time for every purpose under Heaven." And you will notice as he goes on to illustrate the various allotments of time, he never indicates a situation where time can be wasted. Albert Pike made himself a learned scholar by his constant use of all his time, so did Abraham Lincoln.

The one great jewel in our Masonic fraternity is the Holy Bible or the volume of the Sacred Law. It is the Great Light which illustrates the will of God for mankind in whatever situation he may find himself. The true "way of life" is depicted herein and it is the revelation to all truth. The Golden Rule originates here and so does the Commandment "Thou shalt love thy neighbor as thyself." The Golden Rule in our first degree is included in the following "to your neighbor in acting upon the square and doing unto him as you would wish he should do unto you."

The expression "acting upon the square" is a very significant expression because the square is the symbol most commonly associated with Freemasonry. From most ancient times it has been the emblem of correctness and uprightness. Even at the building of the Pyramids in their endeavors to have the placements arranged so that certain points, corners or openings might face the sun or a star at a particular time, the builder laid down a cross axis at a right angle to the main axis. Mencius, nearly 300 B. C., taught in one chapter "that just as the most skilled artificers are unable without square and compasses to produce perfect rectangles or perfect circles, so must all men apply these tools figuratively to their lives, with the level marking line besides, if they would walk in the straight and even paths of wisdom, and keep themselves within the bounds of honour and virtue." The nature of the square is as unchanging as truth and it is in its very antiquity that we have a deep lesson. The operative Masons symbolized it as their base for right building and right living.

The Compasses, the points of which are thus far hidden from view, indicate the need for us to circumscribe our desires and keep our passions within due bounds with all mankind. Here again our symbol is steeped in antiquity in keeping with the square.

From age to age they have always represented heavenly things and may justly be called the spiritual working tools. The Perfect Square is a figure which can be drawn in or about a circle and so the earthly life of man moves and is built in and about the Divine Circle of life and law and love which surrounds and sustains and explains it. To know ourselves is the first principle of Wisdom, without which we may lose self respect and thus lose the respect for others which is disastrous. The Compasses, rightly used teach us about Liberty based on law. Most of our life is based on habit and ruled by opinion and custom, but the realm of desire, emotion and motive need circumscription. Properly instructed the Mason will rest the point in the center of his innermost being and draw a circle beyond the bounds of which he will not go until ready to go further; then he will draw another and another until he attains a full, balanced and finely poised life. We must apply the Compasses if we would have our own faith fulfill itself in fellowship.

So too the Ornaments, Lights and Jewels emphasize the practice of every virtue and, in the situation of a Lodge—E. to W., reference is made to three divine offerings which met with divine approbation of unselfishness and service. In every symbol there is a lesson pertaining to and illustrating some characteristics of Brotherly Love and the Fatherhood of God.

In one of the charges in the first degree we are enjoined to be exemplary in the discharge of our civil duties by never performing or even countenancing any act which might tend to subvert the peace and good order of society, but to pay due obedience to the laws of any state in which we reside. This admonition is a clear manifesto to all who are admitted that they must be good loyal citizens always alert to the needs of our local authority, (be it either a hamlet or a metropolis) to our State and to our Federal Government; and ready to do anything or make any sacrifice to maintain its honour and further its development, economically, socially, administratively, educationally or in any other manner as will best conduce to the preservation of our democratic way of life.

The turbulence of the state of affairs today only emphasizes my previous statement that a Mason has no right to be idle and as it is the duty of the Master to afford light and instruction and to show him how to practice outside of the Lodge the great moral precepts which are inculcated within it, and thus keep him from idleness.

We are beset by so many and great dangers through the machinations of those who have set themselves as leaders of groups by sheer brutality and by holding them in a state of fear even of themselves, refusing any acknowledgment of the existence of God and liquidating those who do so believe, particularly Freemasons, knowing full well that they would only hinder and oppose the vicious practices they wish to force upon the subjective groups. By an open denial of God they are not obligated to the truth nor to the other fine characteristics outlined in the Holy Bible and man is a mere cog in the wheel of the State instead of, as is the case with us, of the State existing for the benefit of the people by the people and for the people. The blandishments of this type of oligarchy holds out temptations to people who would otherwise be content and this gullible type is preyed upon to infiltrate the society of States which would otherwise be happy. The propaganda is vicious and I would again emphasize that Freemasons should be ever alert and never idle in upholding the precepts of the fraternity, by endeavoring to reclaim the faltering and aiding to stamp out the incorrigible, thus preserving the harmony and good fellowship of our democratic and God-loving way of life.

The philosophy seems to me to be the teaching of the practical application of the Brotherhood of man and that this is attained when we are conscious of being the Children or Sons of God.

It teaches us the efficacy of prayer and the value of the Eternal Word of God, from which we are exhorted to eschew those things which blight the soul, such as Pride, the deadliest sin which blinds the eyes to truth; Envy, which can envelop the whole person like a fog, sears what it touches; Anger, which prevents straight thought, produces unhappiness and is sometimes an explosion against frustration; Covetousness, the veritable lust for things and the instigator of crime; Gluttony, which smothers the soul; Lust, the perverter of a God-given beautiful relationship.

Instead of all these we are taught to improve ourselves and to cultivate hospitality, a true Masonic virtue; kind services, graceful courtesies; cheerful assistance and relief; integrity; sincerity; citizenship; and finally that virtue which from its beginnings Freemasonry has tried to develop, Character; which is described by Macduff as follows:

"Character is the product of daily, hourly, actions, words and thoughts:

Daily forgiveness unselfishness kindnesses sympathies charitability sacrifices for the good of others struggles against temptation submissiveness under trial. It is like the blending of colors in a picture, or the blending notes of music, which constitutes the man.

And True Culture as illustrated below:

The highest culture is to speak no ill
The best reformer is the man whose eyes
Are quick to see all beauty and all worth
And by his own discreet, well ordered life
Alone reproves the erring.
When thy gaze
Turns in on thine own soul, be most severe,
But when it falls upon a fellow man
Let kindliness control it, and refrain
From that belittling censure that springs forth,
From common lips like weeds from marshy soil.

In other words we should, with St. Paul in the Epistle to the Ephesians, "Put on the whole armour of God, that we may be able to stand against the wiles of the Devil. For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places. Wherefore take unto you the whole armour of God, that we may be able to withstand in the evil day and, done all, to stand. Stand, therefore, having our loins girt about with TRUTH, and having on the breastplate of RIGHTEOUSNESS; and your feet shod with preparation of the GOSPEL OF PEACE; above all taking the shield of FAITH; wherewith ye shall be able to quench the fiery darts of the wicked. And take the helmet of SALVATION and the sword of the SPIRIT, which is the word of God; praying always with all prayer and supplication in the Spirit, and watching thereunto with all perseverance and supplication for all saints. (Applause.)

The conference was significant also because of the presence of the several distinguished visitors from foreign jurisdictions. Three of the Mexican Grand Lodges, Cuba, Costa Rica and Argentina were represented and papers of interest and value were read on Masonry in Argentina and Costa Rica. One of the highlights of the conference was the address of M. W. Theodor Vogel, Grand Master of the United Grand Lodge of Germany.

M. W. Renah Camalier reported on the discovery and planned distribution of stones from the old White House bearing Masonic marks. (One of these was presented through M. W. Brother Thomas J. Harkins, P.G.M., at our recent Grand Lodge meeting).

The rest of the meeting was devoted to the report of the "Commission on Information for Recognition." This report is of such importance that it is quoted here in full.

# REPORT OF COMMISSION ON INFORMATION FOR RECOGNITION

Brother Wilson, Members of the Conference and my Brethren all:

The members of your Commission on Information for Recognition are delighted to give you this first report of their activities. In it we hope to be successful in challenging your serious consideration of an important subject—one that contains the greatest potential for good ever to come before this Conference—the possibilty of Masonic Universality in the Americas—a Masonic solidarity in the Western Hemisphere which will slow up a declaration of war and to the extent of our success guarantee peace.

After careful consideration of the duty assigned to it, the Com-

mission feels that its task can be divided as follows:

- (a) Analyze the problems which confront it.
- (b) Collate and assemble information.
- (c) Upon application distribute the results of our analysis and information assembled.
- (d) Try to answer your questions.

The problems which challenge us have tremendous possibilities. Their nature is such that they cannot be easily or quickly solved. Their solution will require more than one year or two years—probably a decade or decades. Your Commission feels that the progress which it has made in 1952 has justified its work and that the task confronting it is a continuing one which will lend itself to steady development—one which Time, Patience and Perseverance will assist in solving.

We would have you bear in mind that the members of the Commission do not feel they are "experts." Recognized authorities on recognition, whose assistance and guidance have been of great value are present in this audience. The gracious manner in which they have responded to our requests is greatly appreciated. Increasing demands will be made upon them in the future. It is planned to take every advantage of their knowledge and experience.

In our work we have constantly borne in mind the "purpose" set forth when the Conference of Grand Masters established this Commission: "It shall be the duty of the Commission to assemble and collate information on Grand Lodges as a service to member Grand Lodges of this Conference." Every effort has been made, and will continue to be made, to avoid even the appearance of dictation to any Grand Lodge. Recognition must continue to be extended by individual Grand Lodges, such action being predicated upon their own Standards of Recognition.

It is the opinion of your Commission that recognition should not be irrevocable, that no Grand Lodge should be allowed to feel that once recognized they can act outside the law—to function in ways not Masonic. Accordingly, a continuing investigation is necessary and the Commission feels it to be one of its duties to constantly check and re-check the information in their files.

The Secretary of this Commission has secured from practically every Grand Lodge in the United States and Canada a list of their requirements. We have found that some Grand Lodges have no set pattern. Some Grand Lodges, having no pattern, are guided by one or more experts in this audience, although such experts may

not be members of their Grand Lodge. Many Grand Lodges use a pattern which is flexible, which is constantly subject to change at the judgment of the Committee to whom this work is entrusted. Some Grand Lodges use standards which have been set by Grand Lodge action.

The members of your Commission feel that if we are to attain Masonic Universality or at least hemispheric solidarity in the Americas Masonically, it must be our constant aim to develop a uniform pattern for recognition. In certain parts of the world Masonry has developed in accordance with local conditions and if we would accomplish the greatest good, the pattern adopted must be sufficiently flexible to take these circumstances into consideration. In order to stimulate your thinking along these lines, we refer, among others, to such standards as our distinctlyAmerican doctrine of "exclusive jurisdiction" and the requirement that the Grand Body seeking recognition must have been regularly formed by Subordinate Lodges which trace their origin to regular and legitimate Ancient Craft Masonry.

Some American Grand Lodges have declined to recognize Grand Lodges formed by Supreme Councils or other Scottish Rite bodies even though these Grand Lodges declared their independence decades ago. At the time when the French and English were both very active in spreading their brand of Fremasonry, the Latin-Americans chose the French and these Grand Lodges are the result of the French influence. We should strive to find some way to "legitimatize" these groups if we can be assured that their Grand Lodge is practicing the ideals of Freemasonry. Should we not be concerned more with what their Freemasonry does, and stands for today, than how it was formed years ago?

Believing that discussion of some of our problems would be wholesome and help unify the thinking of the leadership of our member Grand Lodges, it was decided to have addresses delivered on the following subjects:

Legitimacy of Origin
Territorial Sovereignty (Exclusive Jurisdiction)
Belief in God

There are many other topics worthy of consideration, but your Commission thought these fundamental. The opinions expressed in these papers—or in this report—are not recommendations. They are presented to arouse your attention and produce thorough discussion. No poll will be had on the views expressed, but their consideration should give each one present a better understanding of the problem and assist us in arriving at a more uniform pattern on recognition.

The task of collating and assembling information on those Grand Lodges applying to our member Grand Lodges for recognition presented the question of where to begin. Requests were so numerous that all could not be included in our initial effort. Inasmuch as we were pioneering, progress could only be made slowly and there was the fear of attempting more than was possible.

In the discussion of this problem of working toward the fulfillment of the Universality of Freemasonry, the relationship existing between the Grand Lodges in Canada and the United States was pointed out. Here Masonry shows a complete uniformity of ideals and qualifications of members. We doubt if there exists anywhere on earth such a complete and universal accord in knowledge and understanding. Being impressed with this condition in regard to Canada and the United States, and having hemispherical Masonic solidarity in mind, your Commission turned southward to Mexico.

Here there are nineteen Grand Lodges anxious and willing to enter into fraternal relationships with their neighbors to the North. They are all members of the National Masonic Congress of Mexico, which was organized in 1925 and meets regularly every three years. Such problems as the importance of the Bible on the altar, the correct manner to salute in the degrees and a study of the Ancient Landmarks are discussed. Each one of these Grand Lodges, who all recognize each other, are recognized by at least one of the forty-nine Grand Lodges of the United States and the Grand Lodge of Tamaulipas is recognized by forty-one. The York Grand Lodge which is recognized by all of the Grand Lodges of the United States, lives in unity with the Mexican Grand Lodges and intervisitation is practiced.

Recognizing that first-hand information is best obtained by personal contact, your Commission decided to accept the invitation to attend the Inter-American Masonic Confederation held in Mexico City March 16-21, 1952. This is a group of Spanish-speaking Grand Lodges associated together with the idea of promoting Freemasonry and its ideals in the countries of Central and South America.

It was decided to send two representatives as observers clothed with no power other than to investigate and report on the facts. We were fortunate in having two very able Masons, who are well known to you, assume this task: Brother Walter S. Turnpaugh, Past Grand Master of the York Grand Lodge of Mexico, whose knowledge of Spanish was invaluable, and Brother Ray V. Denslow, Past Grand Master of Masons in Missouri, noted Masonic historian and writer, who had visited Masonic gatherings in Mexico on previous occasions.

These Brethern were received most graciously, were accorded every facility by the Executive authorities of the Conference, were admitted to all the sessions and furnished with copies of all papers presented to the Congress. Their report is a complete story of the history of this Latin-American Conference, the program and the matters discussed. We would like to give you the entire report, but due to lack of time we will be able to quote only their conclusions:

"It is our belief that the presence of the representatives of the Conference of Grand Masters at the II. Inter-American Conference was well worth the time and energy expended. It would have been unfortunate had we not had representation on this occasion. We trust that, hereafter, every effort will be made to see that the Conference of Grand Masters is represented on the occasion of every international gathering of this type.

"It may be true, that there are one or two Grand Lodges with whose acts you may not agree. But these brethren of ours—for they are all brethren—may not know how to achieve the thing

called regularity unless they are educated Masonically, and understand of what regularity consists.

"It is our sincere belief that all of those brethren whom we met, representing their Grand Lodges, were honest in their beliefs, and striving to promote the good of the fraternity; otherwise, they would not have taken the time, or expended the energy to come—for some traveled 10,000 miles.

"We can heartily agree with their conclusions that Education—Masonic Education—was needed. The question now resolves itself into how we, in this country, may cooperate with our Latin-American brethren to supply this education. We believe it can be done by sending our printed material to each of the Grand Lodges; many of these brethren read and speak Engish. Your Grand Lodge Proceedings are not always the best means of education. They need our Masonic magazines, pamphlets, and particularly personal correspondence. Correspondence brings that personal touch which nothing else may replace. One of our greatest pleasures is in reading letters from our brethren in these Spanish or Portugese-speaking countries.

"Might we suggest that each Grand Lodge in North America take upon itself the sponsorship of correspondence addressed to at least one of the South American Grand Lodges; see that it is supplied with literature, to be followed by that personal touch given through correspondence. Such a plan would have to be worked out by our Conference, but it has possibilities.

"We should know that most of the South American Grand Lodges were formed from lodges originally established by subordinate lodges which received their sole Masonic authority from Supreme Councils of the Scottish Rite. There is a strong French influence in many of these Grand Lodges; this system of early organization has created its difficulties and has led to the belief that there was a certain amount of 'higher' control. This is denied by most of these Grand Lodges.

"One of our great troubles is that we, as Grand Lodges, do the things we criticize our neighbors for doing. Most of our Grand Lodges would become highly indignant should one of these South American Grand Lodges attempt to set up a lodge in our midst. And yet that is just what some of our American Grand Lodges have done in South America. We are pleased to call it the doctrine of 'exclusive jurisdition,' which we say is an American policy. Yet, strange to say, we do not apply it to South or Central America.

"It will be a great day for all Latin-America when their Grand Lodges are made up of single groups; whether we shall live to see that day in our time we doubt. But it is a goal to strive for, and our brethren in the Americas should work with us to attain that end.

"On the other hand, they should understand that in many cases, it was outside Grand Lodges which set up the first lodges in their countries. For all regular Masonry has come out of the Mother Grand Lodge, directly or indirectly. Having established Freemasonry in those parts, they attained a sort of precedence, and must surely be entitled to some rights—not dissolution.

"But here again, we feel there has been insufficient conferences between the parties involved. A face-to-face meeting, a few

compromises, and a display of that brotherly love of which our ritual speaks, might work wonders. At any rate, it would be worth a trial.

"As a starter in this desire to secure hemispherical Masonic unity, might we suggest the possibility of a joint meeting of representatives from the Inter-American Conference and the Conference of Grand Masters. Such a meeting might be held on the occasion of our annual Conference in Washington, since the inter-Amerian group will not meet again before 1955. It is, at the least, worth a try.

"Your committee have certain material information relative to individual Grand Lodges which make up the Inter-American group, and this material is available to any Grand Lodge upon request. The appointment of your committee was to secure information, and this we feel has been accomplished. Our thanks to your Committee and to the Conference of Grand Masters for the opportunity to render a Masonic service.

"May this visit be only the beginning of a greater unity among Freemasons everywhere, and a foretaste of what may be accomplished in the years to come.

"A United Freemasonry throughout the world is the best deterrent against War, Crime, Injustice and Persecution."

Before considering the conclusions of our representatives your Commission wishes also to quote the following from "A Study of Mexican Freemasonry" published by Ray V. Denslow following his visit to the Mexican Masonic Congress in 1944:

"In the first place, you must know that in dealing with Mexican Masonry in this year 1944 you are not dealing with one Grand Lodge but with at least eighteen. There may be some differences in the size and in the leadership of certain of these Grand Lodges, but in organization, constitution, landmarks, and recognition, they must all be regarded as one. If one Grand Lodge is recognized, then there is no valid reason for non-recognition of the other seventeen. It would be as if the Grand Lodge of England were considering the Grand Lodge of Alabama for recognition without even considering the other States of the American Union. Mexican Grand Lodges do not want the recognition of a Grand Lodge here and there; they feel that if Freemasonry in Mexico is good enough to be recognized, it should be recognized in toto.

"All of which brings us to the subject of the Confederation. Whatever may have been the thoughts concerning this Confederation in the beginning, the fact that it has been functioning for years, that it is growing in power, and that its last Congress was the most successful of all, will prove that it must be taken into consideration. Criticism was leveled in the beginning at the Confederation; it was accused of being a super Grand Lodge; that it was a political organization, and that it did not represent Mexican Grand Lodges. Some of the criticism may have been proper, but those who were directing the affairs of the Confederation took this into account and have corrected these matters.

"There has been a studied attempt to copy American methods, especially in an attempt to set up a Grand Lodge in each State in the Mexican Republic; true, many of these jurisdictions are small, and their Grand Lodges number but few members, but on the whole

they have done a good job in this respect. \* \* \* There will be still further attempts to carry out American Masonic ideas if our Grand Lodges will only show their interest by extending recognition at a time when it is most needed.

"After all, what harm can be done by extending recognition to a Mexican Grand Lodge? \* \* \* We are giving nothing away; we are not reducing our standards. But we are giving aid and comfort to brethren who are attempting to carry on Freemasonry in a country where the going never has been any too good; where antagonisms have been of the worst sort; and where Freemasonry has suffered constantly from dissension and schism. And now, in 1944, when there is so much hope and promise for the beginnings of a united Freemasonry in Mexico, let us not draw our cloak about ourselves and sit quietly by waiting until our Mexican brethren may work out their own problems. \* \* \* Should the Freemasonry of Mexico not do what is expected of them; should they become revolutionary, schismatic, or atheistic—there still would remain time and opportunity to withdraw recognition."

In regard to the ideas presented, your Commission is making but one recommendation—that our member Grand Lodges give thoughtful attention to these matters and re-appraise their policy on recognition. However, it does make the following observations:

- 1. Because of the mutual benefits derived from the meeting, the cordiality with which our representatives were received and the consideration shown them by our Latin-American brethren, we should be represented at any of their meetings to which we may be invited in the future.
- 2. From the standpoint of hemispherical Masonic unity, it appears that much good might come from a joint meeting of the representatives of the Inter-American Masonic Conference and the Conference of Grand Masters, were such a meeting to be held in conjunction with our Conference next February.
- 3. Might it not be a most productive move if we invited each of the members of the National Masonic Congress of Mexico to this Conference? Without lowering one single standard we could extend to them the hand of friendship, provide them with all matter which is printed and assist them in such ways as they might desire.
- 4. And who knows? Eventually this Conference may desire to change its name to the Conference of Grand Masters of the Americas—North, South and Central.

Your Commission has information relative to individual Grand Lodges who are members of the National Masonic Congress of Mexico. This material is available to our member Grand Lodges and upon request it may be secured from the Secretary of the Commission.

The field covered during the past year is small but we look forward to a steady increase in our service to you. The experience gained enables us to look back and see where we might have done more. It also shows us the magnitude and worth of the task in which we are engaged. It is one which cannot be consummated overnight nor put on a production line. However, as we think of the benefits which flow from a sincere and earnest practice of the

principles of Freemasonry—especially if we attain Masonic solidarity, the objective is so worthwhile that time should not be an obstacle.

We, the members of the Commission, are your servants. We welcome your advice and constructive criticism and ask that you make your desires known to us. At all times we shall try to accomplish that which you wish to have done.

In closing we quote from *The Masonic World* (1952) by Brother Ray V. Denslow:

"The whole world is afire, World War III is imminent. It is a time for cultivating friends—not making enemies. As for us, we are hoping that the Masonic Fraternity of the Western Hemisphere will become a united group, and we quote a celebrated hero of South America, Simon Bolivar, who said to his Brethren: 'Unite, Unite or else you perish'."

Respectfully submitted,
THOMAS L. ROY,
REGINALD E. GOLDSMITH,
ARTHUR M. WARREN,
WILLIAM E. YEAGER, Chairman,
EINAR W. JOHNSON, and
OLIVER H. DABAZIES, were absent.

The matters here presented are worthy of careful consideration. The Grand Lodge of North Carolina now recognizes most of the Latin-American bodies. Closer contact with them is eminently desirable and efforts to that end will be made.

In considering standards of recognition, the committee presented two papers, one on "Legitimacy of Origin," by Einar W. Johnson, Past Grand Master of Minnesota, and the other on "Belief in God" as a Masonic landmark, by Thomas S. Roy, Grand Master of Massachusetts. This latter paper so thrilled this reviewer that he wishes to end this report by quoting it in full:

#### BELIEF IN GOD

THOMAS S. Roy, Grand Master of Massachusetts

For so long a time that the memory of man runneth not to the contrary, Freemasonry has asserted its belief in God. At first it was taken for granted that this belief in God carried with it all of the theological overtones of the Christian religion. Belief in God carried with it belief in the Trinity, and belief in the church and its hierarchy as the divine and infallible instrument of that religion. The Hallowell manuscript, dating from 1390, and the oldest Masonic document extant is very explicit in its charges concerning religion, saying: "That you shall be a true man to God and the holy church, and that you use no heresy nor error by your understanding, or teaching of discreet men."

A change is indicated when we come to the period known as the revival, when our Mother Grand Lodge, the Grand Lodge of England was organized in 1717. A great change had come over the

face of religion in the world. For 200 years a reform movement had been carried on. This movement had made deep inroads into the religious life of England, particularly during the reign of Elizabeth I of England, and grown stronger still in the succeeding century. The result was that there were thousands of men who could not conscientiously be true to God and to the so-called holy church at one and the same time. The division of Christianity into two great groups made the ancient charges sectarian, with the result that the words, "the holy church" were dropped, and we have instead these words: "Though in ancient times Masons were charged in every country to be of the religion of that country or nation whatever it was, yet 'tis now thought more expedient only to oblige them to that religion in which all men agree, leaving their particular opinions to themselves."

It is not strange to find then, that not only has a belief in God persisted, but that it has become one of the landmarks of Freemasonry. How strong a position it holds is seen when we recall R.: W.:Brother Roscoe Pound's definition of landmarks. "Landmarks," he says, "are certain universal, unalterable and unrepealable fundamentals which have existed from time immemorial, and are so thoroughly a part of Masonry that no Masonic authority may derogate them, or do aught but maintain them. They may be said to be the prescriptive constitution of Freemasonry." It is this same R.: W.:Brother Pound, who in spite of the fact that the eminent Masonic historian, Mackey, puts belief in God as the nineteenth in his list of ancient landmarks, puts it first in his list.

Every Grand Lodge is faced with the question of the recognition of other Grand Lodges. Every Grand Lodge, either by constitutional imperative, or that of consistent action has established a set of conditions for such recognition. It is significant to note that every Grand Lodge represented in this Association or Conference makes belief in God one of the conditions of recognition; indeed the sine qua non of recognition. For example Section 712 of the Grand Constitutions of the Grand Lodge of Massachusetts states: "Fraternal recognition may be extended to a foreign Grand Lodge when it appears to the satisfaction of this Grand Lodge . . that its ritual is fundamentally in accord with the ancient landmarks, customs and usages of the craft. This involves, first, Monotheism," a belief in one God.

There are some things that cannot be compromised. This is one of them. When a prospective candidate for the degrees in Freemasonry says that he does not believe in God we do not argue with him, nor try to form a compromise basis of agreement by which he may be admitted. If he does not believe then no further consideration is given him. The same is true when a Grand Lodge applies for recognition. If there is not acknowledgment of a belief in God we do not say "Let us sit down and see if we can reach an agreement on this subject." There is no ground for discussion for there is no possibility of compromise.

Having taken this position, how can we defend it? What is the reason for it? The fact that it is a landmark, that it has always been part of the belief of Freemasonry is not a satisfactory answer. For we are then faced with the question as to why it fixed itself as a landmark. Age is no guarantee of validity. Is it an arbitrary belief set up by Masonic authority as a gesture of re-

spect to the unknown? Is it a name that we give to the incomprehensible? Is it our attempt to appease a possible deity, to avert the revenge he might take on our neglect? Or is our belief not arbitrary, but natural, and lawful—necessary to logical thinking in general, and to the whole structure of Masonry in particular?

There is evidence in our ritual that would imply that it is necessary to the structure of Masonry. We are bound to Freemasonry and thus to one another by our obligation. And we have been told that it was necessary that we should acknowledge our belief in deity, otherwise no obligation would be considered binding upon us.

That men took this seriously is indicated in George Washington's farewell address. He was probably not echoing what he learned in Freemasonry, but stating what he believed to be a universal truth when he wrote: "Where is the security for property, for reputation, for life, if the sense of religious obligation desert the oaths which are the instruments of investigation in courts of justice. And let us with caution indulge the supposition that morality can be maintained without religion. Reason and experience both forbid us to expect that national morality can prevail in exclusion of religious principle."

That this would seem to be true in practise is seen when we observe Russia, the nation that has denied the existence of God and embraced atheism. The most significant and sinister fact in dealing with Russia today is that nobody trusts her. There is no use making a compact with a nation that feels no obligation to keep a compact. Don't take my word for it. The High Priest of Communism was Lenin, and here is what he says: "We Communists have been accused of having no morals. That is not true. We have a morality that is much higher than that of the bourgeoise. It does not come from the revelations of a non-existent God, but from the realities of the class struggle. Everything that helps the Revolution is right, and everything that hinders it is wrong." And he calls that a morality. That is not a morality but a blatant, crass, stupid expediency. It may not prove the necessity of a belief in God that such a belief makes our human relations more dependable, but it indicates how precariously obligations are held where there is no belief in God.

In dealing with the individual the primary purpose of Freemasonry is to help him to find his life at the level of the best—physically, mentally, morally, spiritually. Man is neither good nor evil, he has potentialities for both. His body is the vehicle, or vesture, or instrument of his mind and spirit. His mind, his reason reflects a greater or infinite reason which has thought into the universe that which man's mind seeks to think out. His love is part of that infinite love that has thrust itself into the world, bringing to us the assurance that the ultimate force which we call God is a benevolent force, working for man's good. Take God away, and you will have set man out on the greatest adventure in futility in human experience, inspiring in him a passion for light, and then denying that there is any ultimate source of light.

Freemasonry can establish belief in God as one of the conditions of recognition with all the more confidence, because it does not imply or demand doctrinal definition. It is a simple faith in God that unites men with all varieties of doctrinal formulation. It is

when we come to formulate our beliefs about God that we divide. Belief in God unites us, but belief about God, which is theology, divides us. Freemasonry has no interest in theology. It does not go from belief to speculation, which is theology, it goes from belief to demonstration, which is life. It makes no attempt, as the various denominations have done, to put a label on God and put him in front of our particular procession. I may wonder at times how God can get along without the Baptists. I may wonder even more, at times, how he can get along with some of them. But candor compels me to insist that no occlusive religion is true, because I am sure that God cannot be either monopolized or manipulated by any one group. It is this broadly inclusive position adopted by Masonry that stamps it as completely tolerant. It is this broadly inclusive position that enables us to join hands with men of all religions across the world. For we acknowledge the right of every man to his own interpretation of the spiritual realities subsumed for him under the name of God, and join with him in acknowledging that the ultimate goal of Freemasonry is to make every member an instrument of the purpose of the Great Architect of the Universe, the projection of his purpose into the life of the world. (Applause.)
